

Low Life Lures And Snares Of Old New York

Robert M. Dowling

Low Life Lures And Snares Of Old New York:

Low Life Lucy Sante, 2016-03-08 The classic social history of corruption and vice in nineteenth century NYC A cacophonous poem of democracy and greed like the streets of New York themselves John Vernon Los Angeles Times Book Review Lucy Sante's *Low Life* is a portrait of America's greatest city the riotous and anarchic breeding ground of modernity This is not the familiar saga of mansions avenues and robber barons but the messy turbulent often murderous story of the city's slums the teeming streets scene of innumerable cons and crimes whose cramped and overcrowded housing is still a prominent feature of the cityscape *Low Life* voyages through Manhattan from four different directions Part One examines the actual topography of Manhattan from 1840 to 1919 Part Two the era's opportunities for vice and entertainment theaters and saloons opium and cocaine dens gambling and prostitution Part Three investigates the forces of law and order which did and didn't work to contain the illegalities Part Four counterposes the city's tides of revolt and idealism against the city as it actually was *Low Life* is one of the most provocative books about urban life ever written an evocation of the mythology of the quintessential modern metropolis which has much to say not only about New York's past but about the present and future of all cities

National Gang Survey (1996) Benjamin A. Gilman, 1999 In order to measure the extent of the problem of young gangs in the U S the U S Dept of Justice Office of Justice Programs Office of Juvenile Justice and Delinquency Prevention's 1996 National Youth Gang Survey was conducted by the National Gang Center Almost 5 000 law enforcement agencies were surveyed about the number of gangs and gang members in their jurisdictions in 1996 gang member demographics gang drug distribution gang migration and the level of crime in which gang members were involved The results of this survey indicate that the youth gang problem in this country is substantial and affects communities of all sizes

Where the Dark and the Light Folks Meet Randall Sandke, 2023-06-14 *Where the Dark and the Light Folks Meet* tackles a controversial question Is jazz the product of an insulated African American environment shut off from the rest of society by strictures of segregation and discrimination or is it more properly understood as the juncture of a wide variety of influences under the broader umbrella of American culture This book does not question that jazz was created and largely driven by African Americans but rather posits that black culture has been more open to outside influences than most commentators are likely to admit The majority of jazz writers past and present have embraced an exclusionary viewpoint *Where the Dark and the Light Folks Meet* begins by looking at many of these writers from the birth of jazz history up to the present day to see how and why their views have strayed from the historical record This book challenges many widely held beliefs regarding the history and nature of jazz in an attempt to free jazz of the socio political baggage that has

Shakespeare in a Divided America James Shapiro, 2020-03-10 One of the New York Times Ten Best Books of the Year A National Book Critics Circle Award Finalist A New York Times Notable Book A timely exploration of what Shakespeare's plays reveal about our divided land In this sprightly and enthralling book Shapiro amply demonstrates that for Americans the

politics of Shakespeare are not confined to the public realm but have enormous relevance in the sphere of private life The Guardian London The plays of William Shakespeare are rare common ground in the United States For well over two centuries Americans of all stripes presidents and activists soldiers and writers conservatives and liberals alike have turned to Shakespeare's works to explore the nation's fault lines In a narrative arching from Revolutionary times to the present day leading scholar James Shapiro traces the unparalleled role of Shakespeare's four hundred year old tragedies and comedies in illuminating the many concerns on which American identity has turned From Abraham Lincoln's and his assassin John Wilkes Booth's competing Shakespeare obsessions to the 2017 controversy over the staging of Julius Caesar in Central Park in which a Trump like leader is assassinated Shakespeare in a Divided America reveals how no writer has been more embraced more weaponized or has shed more light on the hot button issues in our history *Urban Formalism* David Faflik, 2020-04-07

Urban Formalism radically reimagines what it meant to read a brave new urban world during the transformative middle decades of the nineteenth century At a time when contemporaries in the twin capitals of modernity in the West New York and Paris were learning to make sense of unfamiliar surroundings city peoples increasingly looked to the experiential patterns or forms from their everyday lives in an attempt to translate urban experience into something they could more easily comprehend *Urban Formalism* interrogates both the risks and rewards of an interpretive practice that depended on the mutual relation between urbanism and formalism at a moment when the subjective experience of the city had reached unprecedented levels of complexity This book not only provides an original cultural history of forms It posits a new form of urban history comprising the representative rituals of interpretation that have helped give meaningful shape to metropolitan life **Imagining New York City** Christoph Lindner, 2015 Using examples from architecture film literature and the visual arts *Imagining New York City* considers how and why certain city spaces the skyline the sidewalk the slum and the subway have come to emblemize key aspects of the modern urban condition *Birth of the Cool* Lewis MacAdams, 2012-04-10

Miles Davis and Juliette Greco Jackson Pollock and Jack Kerouac Marlon Brando and Bob Dylan and William Burroughs What do all these people have in common Fame of course and undeniable talent But most of all they were cool *Birth of the Cool* is a stunningly illustrated brilliantly written cultural history of the American avant garde in the 1940s and 1950s the decades in which cool was born From intimate interviews with cool icons like poet Allen Ginsberg bop saxophonist Jackie McLean and Living Theatre cofounder Judith Malina award winning journalist and poet Lewis MacAdams extracts the essence of cool Taking us inside the most influential and experimental art movements of the twentieth century from the Harlem jazz joints where Dizzy Gillespie and Charlie Parker invented bebop to the back room at Max's Kansas City when Andy Warhol was holding court to backstage at the Newport Folk Festival the night Bob Dylan went electric from Surrealism to the Black Mountain School to Zen MacAdams traces the evolution of cool from the very fringes of society to the mainstream Born of World War II raised on atomic age paranoia cast out of the culture by the realities of racism and the insanity of the Cold War

cool is now perversely as conventional as you can get Allen Ginsberg suited up for Gap ads Volvo appropriated a phrase from Jack Kerouac's *On the Road* for its TV commercials How one became the other is a terrific story and it is presented here in a gorgeous package rich with the coolest photographs of the black and white era from Robert Doisneau Henri Cartier Bresson Man Ray and many others Drawing a direct line between Lester Young wearing his pork pie hat and his crepe sole shoes staring out his hotel window at Birdland to the author's three year old daughter saying cool while watching a Scooby Doo cartoon at the cusp of a new millennium *Birth of the Cool* is a cool book about a hot subject maybe even the coolest book ever

Staging the Slums, Slumming the Stage J. Westgate, 2014-10-15 Drawing on traditional archival research reception theory cultural histories of slumming and recent work in critical theory on literary representations of poverty Westgate argues that the productions of slum plays served as enactments of the emergent definitions of the slum and the corresponding ethical obligations involved therein **Slumming in New York** Robert M. Dowling, 2007 This remarkable exploration of the underbelly of New York City life from 1880 to 1930 takes readers through the city's inexhaustible variety of distinctive neighborhood cultures *Slumming in New York* shows how the city's rich and poor foreign born and native born competed for a voice from such diverse vantage points as the East Side waterfront the Bowery the Tenderloin's black bohemia the Jewish Lower East Side and mythic Harlem Investigating a wide range of New York slumming narratives in which mainstream outsiders write about marginalized urban insiders Robert M Dowling shows how literary works transformed moral threats into cultural treasures **The Irish and the Making of American Sport, 1835-1920** Patrick R. Redmond, 2014-02-10 Jerrold Casway coined the phrase The Emerald Age of Baseball to describe the 1890s when so many Irish names dominated teams rosters But one can easily agree and expand that the period from the mid 1830s well into the first decade of the 20th century and assign the term to American sports in general This book covers the Irish sportsman from the arrival of James Deaf Burke in 1836 through to Jack B Kelly's rejection by Henley regatta and his subsequent gold medal at the 1920 Olympics It avoids recounting the various victories and defeats of the Irish sportsman seeking instead to deal with the complex interaction that he had with alcohol gambling and Sunday leisure pleasures that were banned in most of America at some time or other between 1836 and 1920 This book also covers the Irish sportsman's close relations with politicians his role in labor relations his violent lifestyle and by contrast his participation in bringing respectability to sport It also deals with native Irish sports in America the part played by the Irish in Team USA's initial international sporting ventures and in the making and breaking of amateurism within sport *Leonard Covello and the Making of Benjamin Franklin High School* Michael C. Johanek, John L. Puckett, 2007 What is the mission of American public education As a nation are we still committed to educating students to be both workers and citizens as we have long proclaimed or have we lost sight of the second goal of encouraging students to be contributing members of a democratic society In this enlightening book John Puckett and Michael Johanek describe one of America's most notable experiments in community education In the

process they offer a richly contextualized history of twentieth century efforts to educate students as community minded citizens Although student test scores now serve to measure schools achievements the authors argue compellingly that the democratic goals of citizen centered community schools can be reconciled with the academic performance demands of contemporary school reform movements Using the twenty year history of community centered schooling at Benjamin Franklin High School in East Harlem as a case study and reminding us of the pioneering vision of its founder Leonard Covello they suggest new approaches for educating today s students to be better public citizens

Ten Restaurants That Changed America Paul Freedman, 2016-09-20 Finalist for the IACP Cookbook Award A Washington Post Notable Book of the Year A Smithsonian Best Food Book of the Year Longlisted for the Art of Eating Prize Featuring a new chapter on ten restaurants changing America today a fascinating sweep through centuries of food culture Washington Post Combining an historian s rigor with a food enthusiast s palate Paul Freedman s seminal and highly entertaining *Ten Restaurants That Changed America* reveals how the history of our restaurants reflects nothing less than the history of America itself Whether charting the rise of our love affair with Chinese food through San Francisco s fabled Mandarin evoking the poignant nostalgia of Howard Johnson s the beloved roadside chain that foreshadowed the pandemic of McDonald s or chronicling the convivial lunchtime crowd at Schrafft s the first dining establishment to cater to women s tastes Freedman uses each restaurant to reveal a wider story of race and class immigration and assimilation As much about the contradictions and contrasts in this country as it is about its places to eat *The New Yorker* *Ten Restaurants That Changed America* is a must read Eater that proves essential for anyone who cares about where they go to dinner Wall Street Journal Magazine

'Race', Culture and the Right to the City Gareth Millington, 2011-10-27 Adopting a perspective inspired by Henri Lefebvre this book considers the spread of multiculture from the central city to the periphery and considers the role that race continues to play in structuring the metropolis taking London New York and Paris as examples

Bulldaggers, Pansies, and Chocolate Babies James F. Wilson, 2011-07-22 James F Wilson uncovers fascinating new material on the Harlem Renaissance shedding light on the oft forgotten gay and lesbian contributions to the era s creativity and Civil Rights Extremely well researched compellingly written and highly informative David Krasner author of *A Beautiful Pageant African American Theatre Drama and Performance in the Harlem Renaissance 1910-1927* *Bulldaggers Pansies and Chocolate Babies* shines the spotlight on historically neglected plays and performances that challenged early twentieth century notions of the stratification of race gender class and sexual orientation On Broadway stages in Harlem nightclubs and dance halls and within private homes sponsoring rent parties African American performers of the 1920s and early 1930s teased the limits of white middle class morality Blues singing lesbians popularly known as bulldaggers performed bawdy songs cross dressing men vied for the top prizes in lavish drag balls and black and white women flaunted their sexuality in scandalous melodramas and musical revues Race leaders preachers and theater critics spoke out against these performances that threatened to undermine social and

political progress but to no avail mainstream audiences could not get enough of the riotous entertainment Many of the plays and performances explored here central to the cultural debates of their time had been previously overlooked by theater historians Among the performances discussed are David Belasco s controversial production of Edward Sheldon and Charles MacArthur s Lulu Belle 1926 with its raucous libidinous view of Harlem The title character as performed by a white woman in blackface became a symbol of defiance for the gay subculture and was simultaneously held up as a symbol of supposedly immoral black women African Americans Florence Mills and Ethel Waters two of the most famous performers of the 1920s countered the Lulu Belle stereotype in written statements and through parody thereby reflecting the powerful effect this fictional character had on the popular imagination Bulldaggers Pansies and Chocolate Babies is based on historical archival research including readings of eyewitness accounts newspaper reports songs and playscripts Employing a cultural studies framework that incorporates queer and critical race theory it argues against the widely held belief that the stereotypical forms of black lesbian and gay show business of the 1920s prohibited the emergence of distinctive new voices Specialists in American studies performance studies African American studies and gay and lesbian studies will find the book appealing as will general readers interested in the vivid personalities and performances of the singers and actors introduced in the book James F Wilson is Professor of English and Theatre at LaGuardia Community College and the Graduate Center of the City University of New York

New York-Paris Laure Katsaros,2012-10-15 A comparison of the mid 19th century city in the poetry of Walt Whitman and Charles Baudelaire and their responses to the inescapable push of modernization

The Bowery Boys Peter Adams,2005-03-30 In the decades before the Civil War the miserable living conditions of New York City s lower east side nurtured the gangs of New York This book tells the story of the Bowery Boys one gang that emerged as part urban legend and part street fighters for the city s legions of young workers Poverty and despair led to a gang culture that was easily politicized especially under the leadership of Mike Walsh who led a distinct faction of the Bowery Boys that engaged in the violent almost anarchic politics of the city during the 1840s and 1850s Amid the toppled ballot boxes and battles for supremacy on the streets many New Yorkers feared Walsh s gang was at the frontline of a European style revolution A radical and immensely popular voice in antebellum New York Walsh spoke in the unvarnished language of class conflict Admired by Walt Whitman and feared by Tammany Hall Walsh was an original wildly unstable character who directed his aptly named Spartan Band against the economic and political elite of New York City and New England As a labor organizer state legislator and even U S Congressman the leader of the Bowery Boys fought for shorter working hours the right to strike free land for settlers on the American frontier against child labor and to restore dignity to the city s growing number of industrial workers

America's First Freedom Rider Jerry Mikorenda,2019-12-17 In 1854 traveling was full of danger Omnibus accidents were commonplace Pedestrians were regularly attacked by the Five Points gangs Rival police forces watched and argued over who should help Pickpockets drunks and kidnappers were all part of the daily street scene in

old New York Yet somehow they endured and transformed a trading post into the Empire City None of this was on Elizabeth Jennings s mind as she climbed the platform onto the Chatham Street horsecar But her destination and that of the country took a sudden turn when the conductor told her to wait for the next car because it had her people in it When she refused to step off the bus she was assaulted by the conductor who was aided by a NY police officer On February 22 1855 Elizabeth Jennings v Third Avenue Rail Road case was settled Seeking 500 in damages the jury stunned the courtroom with a 250 verdict in Lizzie s favor Future US president Chester A Arthur was Jennings attorney and their lives would be forever onward intertwined This is the story of what happened that day It s also the story of Jennings and Arthur s families the struggle for equality and race relations It s the history of America at its most despicable and most exhilarating Yet few historians know of Elizabeth Jennings or the impact she had on desegregating public transit

Republic of Dreams Ross Wetzstein,2007-11-01 If the twentieth century was the American century it can be argued that it was more specifically the New York century and Greenwich Village was the incubator of every important writer artist and political movement of the period From the century s first decade through the era of beatniks and modern art in the 1950s and 60s Greenwich Village was the destination for rebellious men and women who flocked there from all over the country to fulfill their artistic political and personal dreams It has been called the most significant square mile in American cultural history for it holds the story of the rise and fall of American socialism women s suffrage and the commercialization of the avant garde One Villager went so far as to say that everything started in the Village except Prohibition and in the 1940s the young actress Lucille Ball said The Village is the greatest place in the world What other community could claim a spectrum ranging from Henry James to Marlon Brando from Marcel Duchamp to Bob Dylan from Gertrude Vanderbilt Whitney to Abbie Hoffman The story of the Village is in large part the stories old Villagers have told new Villagers about former Villagers and to tell its story is in large part to tell its legends Republic of Dreams presents the remarkable outrageous often interrelated biographies of the giants of American journalism poetry drama radical politics and art who flocked to the Village for nearly half a century among them Eugene O Neill whose plays were first produced by the Provincetown Players on Macdougall Street for whom Edna St Vincent Millay also wrote Jackson Pollock who moved to the Village from Wyoming in 1930 and was soon part of the group of 8th Street painters who would revolutionize Western painting E E Cummings who lived for years on Patchin Place as did Djuna Barnes Max Eastman who edited the groundbreaking literary and political journal The Masses which introduced Freud to the American public and also published Sherwood Anderson Amy Lowell Upton Sinclair Maksim Gorky and John Reed s reporting on the Russian Revolution Republic of Dreams is beautifully researched outspoken wise hip exuberant a monumental definitive history that will endure for decades to come

Five Points Tyler Anbinder,2012-06-05 The very letters of the two words seem as they are written to redden with the blood stains of unavenged crime There is Murder in every syllable and Want Misery and Pestilence take startling form and crowd upon the imagination as the pen traces the words So wrote a

reporter about Five Points the most infamous neighborhood in nineteenth century America the place where slumming was invented All but forgotten today Five Points was once renowned the world over Its handful of streets in lower Manhattan featured America s most wretched poverty shared by Irish Jewish German Italian Chinese and African Americans It was the scene of more riots scams saloons brothels and drunkenness than any other neighborhood in the new world Yet it was also a font of creative energy crammed full of cheap theaters and dance halls prizefighters and machine politicians and meeting halls for the political clubs that would come to dominate not just the city but an entire era in American politics From Jacob Riis to Abraham Lincoln Davy Crockett to Charles Dickens Five Points both horrified and inspired everyone who saw it The story that Anbinder tells is the classic tale of America s immigrant past as successive waves of new arrivals fought for survival in a land that was as exciting as it was dangerous as riotous as it was culturally rich Tyler Anbinder offers the first ever history of this now forgotten neighborhood drawing on a wealth of research among letters and diaries newspapers and bank records police reports and archaeological digs Beginning with the Irish potato famine influx in the 1840s and ending with the rise of Chinatown in the early twentieth century he weaves unforgettable individual stories into a tapestry of tenements work crews leisure pursuits both licit and otherwise and riots and political brawls that never seemed to let up Although the intimate stories that fill Anbinder s narrative are heart wrenching they are perhaps not so shocking as they first appear Almost all of us trace our roots to once humble stock Five Points is in short a microcosm of America

Monk Eastman Neil Hanson, 2010-10-05 An intimate biography as well as an epic history Monk Eastman vividly recounts the life and times of old New York s most infamous gangster cum soldier as he made his way from the sooty streets and dingy saloons of the Lower East Side to the battlefields of the Western Front Born in 1873 to a respectable New York family Monk was running wild in Manhattan s rough Lower East Side by the age of eighteen He found work as a bouncer when the saloon owner first turned him down because he had two bouncers already Monk beat them both up and was promptly hired in their place He soon developed a loyal following of immigrant toughs and by 1900 he was the most feared gang leader in lower Manhattan protected by corrupt politicians and crooked cops and commanding an army of two thousand pickpockets thieves prostitutes and thugs But changing neighborhood demographics and shifting political fortunes colluded against Monk after a pitched battle with Pinkerton detectives he was sent to Sing Sing on a ten year sentence and his territory quickly slipped from his grasp In 1917 no longer safe from the law or from rival gangs Monk joined the New York National Guard As a gangster he d been the equivalent of a general as an enlisted man Monk was just another private After several months of combat training Monk s division of Brooklyn recruits was thrown headlong into the bitter trench warfare in Europe His experience in gangland combat served him well he was repeatedly cited by his superiors for his bravery and he received a hero s welcome back in New York and an official pardon from the governor But Monk s gangland past was not so easily erased and caught up with him in the end In Neil Hanson s able hands Monk s unique and compelling story becomes an

emblem of a time of upheaval for New York and for the nation From the Hardcover edition

Whispering the Strategies of Language: An Emotional Journey through **Low Life Lures And Snares Of Old New York**

In a digitally-driven earth wherever screens reign supreme and instant conversation drowns out the subtleties of language, the profound strategies and emotional subtleties hidden within words often get unheard. Yet, nestled within the pages of **Low Life Lures And Snares Of Old New York** a fascinating literary treasure pulsating with organic emotions, lies a fantastic quest waiting to be undertaken. Penned by an experienced wordsmith, this marvelous opus encourages readers on an introspective journey, lightly unraveling the veiled truths and profound impact resonating within the fabric of each and every word. Within the psychological depths of the touching evaluation, we will embark upon a sincere exploration of the book's primary themes, dissect their captivating publishing style, and fail to the effective resonance it evokes heavy within the recesses of readers' hearts.
