Focus On: 100 Most Popular United States National Film Registry Films Wikipedia contributors, **Focus On: 100 Most Popular American Romantic Drama Films** Wikipedia contributors, **Margaret Mitchell's *Gone With the Wind*** Ellen F. Brown, John Wiley, 2023-01-02 Originally published in 2011 Margaret Mitchell's *Gone With the Wind* A Bestseller's Odyssey from Atlanta to Hollywood presented the first comprehensive overview of how the iconic novel became an international phenomenon that has managed to sustain the public's interest for more than eighty five years Various Mitchell biographies and several compilations of her letters told part of the story but until 2011 no single source had revealed the full saga Now updated with two new chapters that bring the saga into 2021 this entertaining account of a literary and pop culture phenomenon tells how Mitchell's book was developed marketed distributed and otherwise groomed for success in the 1930s and the savvy measures taken since then by the author her publisher and her estate to ensure its longevity

Moral Rights, Creativity, and Copyright Law Sarah Hook, 2023-12-29 This book argues that moral rights provisions in copyright law rest on a misunderstanding or romanticisation of the role of the author The Romantic conception of authorship as a lone genius creating from nothing sensitive and vulnerable has helped publishers push for strong copyright reform But is this conception borne out in practice especially in a world of meme culture of artificial intelligence generated art and poetry and of open source and fan fiction This book probes the romantic vignette of the author through its legal adoption Moral rights are rights that attach to the non economic for example intellectual or emotional interests of an author in their work Much like defamation moral rights see the right of reputation as superior to the right of freedom of expression However unlike defamation moral rights are not protecting against defamatory actions against a person In most jurisdictions they are provisions set within copyright regimes regimes whose purpose is to incentivise innovation Challenging the way we think about authorship and how it should be protected by law the book draws on a wide range of historical and contemporary examples to demonstrate how moral rights can constitute a barrier to transformative creativity While authors and artists require strong rights to protect their ability to earn an income and incentivise creativity moral rights the book argues may in turn actually harm their ability to do so This timely criticism of moral rights will appeal to researchers students policy makers and lawyers working in the area of intellectual property law as well as legal theorists sociolegal scholars and legal historians with relevant interests

The Making of... Adaptation and the Cultural Imaginary Jan Cronin, 2019-11-25 This book explores Making of sites as a genre of cultural artefact Moving beyond making of documentaries the book analyses novels drama film museum exhibitions and popular studies that re present the making of culturally loaded film adaptations It argues that the Making of genre operates on an adaptive spectrum orienting towards and enacting the adaptation of films and their making The book examines the behaviours that characterise Making of sites across visual media it explores the cultural work done by these sites why recognition of Making of sites as adaptations matters and why our conception of adaptation matters Part one focuses on the adaptive domain presented by the Making of John Ford's *The Quiet Man* Part two attends to Making of *Gone with the Wind* sites and concludes with Making of *The Lord of the Rings* texts as the acme of the cultural risks and investments charted in earlier chapters

The Wind Is Never Gone M. Carmen Gómez-Galisteo, 2011-07-29 More than seventy years after its publication in 1936 Margaret Mitchell's *Gone with the Wind* has never been out of print An icon of American culture it has had similar success abroad popular in Japan Russia and post World War II Europe among other places and times This work analyzes the continuations of Mitchell's novel the authorized sequels *Scarlett* by Alexandra Ripley and Rhett Butler's *People* by Donald McCaig the unauthorized parody *The Wind Done Gone* by Alice Randall and a politically correct parody and the many fan fiction stories posted online The book also explores *Gone with the Wind*'s ambiguous ending the perceived need to publish an authorized sequel and the legal battle to determine who may re write *Gone with the Wind*
