Book-Men, Book Clubs, and the Romantic Literary Sphere Ina Ferris, 2015-08-29 This book re-reads the tangled relations
of book culture and literary culture in the early nineteenth century by restoring to view the figure of the bookman and the
effaced history of his book clubs As outliers inserting themselves into the matrix of literary production rather than remaining
within that of reception both provoked debate by producing writing and circulating books in ways that expanded fundamental
points of literary orientation in lateral directions not coincident with those of the literary sphere Deploying a wide range of
historical archival and literary materials the study combines the history and geography of books cultural theory and literary
history to make visible a bookish array of alternative networks genres and locations that were obscured by the literary sphere
in establishing its authority as arbiter of the modern book **Edinburgh History of Reading** Rose Jonathan
