

A photograph of a dirt road winding through a forest. The trees on either side have autumn-colored foliage in shades of yellow, orange, and brown. The road leads towards a bright light at the end of the path, creating a strong perspective. The overall mood is serene and contemplative.

American Fun John Beckman, 2014-02-04 Here is an animated and wonderfully engaging work of cultural history that lays out America's unruly past by describing the ways in which cutting loose has always been and still is an essential part of what it means to be an American From the time the Pilgrims landed at Plymouth Rock Americans have defied their stodgy rules and hierarchies with pranks dances stunts and wild parties shaping the national character in profound and lasting ways In the nation's earlier eras revelers flouted Puritans Patriots pranked Redcoats slaves lampooned masters and forty niners bucked the saddles of an increasingly uptight middle class In the twentieth century fun loving Americans celebrated this heritage and pushed it even further flappers barney mugged in petting pantries Yuppies showered the New York Stock Exchange with dollar bills and B boys invented hip hop in a war zone in the Bronx This is the surprising and revelatory history that John Beckman recounts in American Fun Tying together captivating stories of Americans pursuit of happiness and distinguishing between real risky fun and the bland amusements that paved the way for Hollywood Disneyland and Xbox Beckman redefines American culture with a delightful and provocative thesis With black and white illustrations throughout

The Arc of the Moral Universe and Other Essays Joshua Cohen, 2010

In this collection of essays Joshua Cohen locates ideas about democracy in three far ranging contexts First he explores the relationship between democratic values and history He then discusses democracy in connection with the views of defining political theorists in the democratic tradition John Locke John Rawls Noam Chomsky Juergen Habermas and Susan Moller Okin Finally he examines the place of democratic ideals in a global setting suggesting an idea of global public reason a terrain of political justification in global politics in which shared reason still plays an essential role All the essays are linked by his overarching claim that political philosophy is a practical subject intended to orient and guide conduct in the social world Cohen integrates moral social scientific and historical argument in order to develop this stance and he further confronts the question of whether a society conceived in liberty and dedicated to equality can endure At Gettysburg

President Lincoln forcefully stated the question and expressed both hope and concern over this same struggle about an affirmative answer By enabling us to trace the arc of the moral universe the essays in this volume along with the companion collection *Philosophy Politics Democracy* give us some reasons for sharing that hope **Viva la Repartee** Dr. Mardy Grothe, 2009-03-17 For most of us that perfect retort or witty reply often escapes us when we need it most only to come to mind with perfect clarity when it's too late to be useful The twentieth century writer Heywood Broun described this all too common phenomenon when he wrote Repartee is what we wish we'd said In *Viva la Repartee* Dr Mardy Grothe author of *Oxymoronica* has lovingly assembled a collection of masterfully composed and perfectly timed replies that have turned the tables on opponents and adversaries This delightful volume is a celebration of the most impressive retorts ripostes rejoinders comebacks quips ad libs bon mots off the cuff comments wisecracks and other clever remarks ever to come out of the mouths and from the pens of people throughout history Touching on all areas of human endeavor including politics the arts literature sports relationships and even the risqu the book features contributions from Oscar Wilde Mark Twain Dorothy Parker Mae West Groucho Marx Winston Churchill Dolly Parton and scores more As entertaining as it is intellectually enriching *Viva la Repartee* is sure to capture the attention of language lovers and is the perfect antidote for anyone who's ever thought I wish I'd said that *Medicine and Social Justice* Rosamond Rhodes, Margaret Battin, Anita Silvers, 2012-09-13 This unique and comprehensive second edition of an important volume presents writing from renowned authors about achieving social justice in medicine Each of the 42 chapters addresses continuing and emerging policy challenges facing medicine They deepen our understanding of theoretical and practical aspects of issues in the contemporary debate *The Mbuji Juju* Gary Towner, 2011-11-01 American Johnny Walker an apparent African barfly has an irreverent caustic way about him When he meets the naive sometimes comical Harlow it is not under the best of circumstances Harlow has narrowly escaped the clutches of the local police who have taken offence to the prospect of a feature expos on them she plans to write for her daddy's newspaper The corrupt and immoral cops have plans to throw her in a jail that makes bug infested Mexican hoosgows seem tame in comparison Understandably Harlow needs to leave town post haste She is drawn to Walker who has the only airplane that hasn't been overbooked Walker finds Harlow's plight comical and he initially tells her to get lost But when he is falsely accused of murder he leaps out a second story window taking a very reluctant Harlow with him He later consoles Harlow by telling her he will be flying south and she is welcome to accompany him Though Harlow agrees the two bicker continually Walker makes her pay dearly for her decision by his unrelenting sexual innuendos In the harrowing life threatening adventures to follow the two strike a shaky truce But Harlow is mortified when Walker cons her into abetting him as he chases after an incredible illegal diamond stash in an old abandoned mine Once inside evidence of World War II Nazi delves into the occult and modern day Nazi conspiracies lead the two to believe the authoritarian historical accounts of how and when Hitler was killed will have to be re written Suddenly the whole mountain exploded The problem now was as

the stalactites began to fall and the lava of an emerging volcano crept ever closer how the dickens were they going to live long enough for Harlow to write about their findings and maybe get a Pulitzer prize for the effort
