American Government in Black and White Paula Denice McClain, Steven C. Tauber, 2025. American Government in Black and White: Diversity and Democracy, Seventh Edition is a unique introduction to American government that uses racial and ethnic equality as its underlying theme. Through the course of teaching students the standard topics about the American governmental system and politics, authors Paula D. McClain and Steven C. Tauber address issues of inequality in major facets of government, including the U.S. Constitution, key American political institutions and instruments of political behavior, and the making of public policy. Using the original voices of racial and ethnic actors in our nation's history, they show students how to measure and evaluate the quest for and importance of equality in America from its founding up to today.
