How we can use the Request to the Lord of All Lineages prayer to contemplate and meditate on all the stages of the path of both Sutra and Tantra. How to train in the meditation practice of Avalokiteshvara the Buddha of Compassion. A special presentation of the practice of the stages of the path to enlightenment known as Lamrim. Tantric Grounds and Paths Geshe Kelsang Gyatso, 2016-01-01. A definitive manual for completing the spiritual path through the practice of Highest Yoga Tantra. Actual Tantra also known as Secret Mantra or Vajrayana is a special method taught by Buddha to purify our world, our self, our enjoyments and our activities. Although there is great interest in Tantra, very few people understand its real meaning. This book represents a significant milestone in revealing the profound mysteries of Tantra to the modern world. Drawing from his own experience and the works of Je Tsongkhapa and other great Yogis, Geshe Kelsang presents an authoritative and comprehensive guide to the four classes of Tantra in general and to the generation and completion stages of Highest Yoga Tantra in particular. The Vajrayana path is like a vehicle that takes us directly to our final destination and the common paths are like the road on which the vehicle travels. Therefore to extract the greatest essence from this precious human life by attaining full enlightenment, we need first to train in the common paths of Lamrim and then in the uncommon Vajrayana paths. Geshe Kelsang Gyatso. **Choosing Buddhism** Mauro Peressini, 2016-04-07. This book explores the experience of Canadians who chose to convert to Buddhism and to embrace its teachings and practices in their daily lives. It presents the life stories of eight Canadians who first encountered Buddhism between the late 1960s and the 1980s and are now ordained or lay Buddhist teachers. In recent census records over 300,000 Canadians identified their religious affiliation as Buddhist. The great majority are of Asian origin and were born into Buddhist families or were Buddhist at the time of their arrival in Canada. Since the late 1960s, however, the number of Canadians converting to Buddhism has doubled every decade and this demographic now includes more than 20,000 individuals. The eight Canadians whose life stories are featured in this book are among the very first to have chosen Buddhism. Their first-hand accounts shed light on why and how people convert to a religion from such distant shores. This book also offers contextual material, photos and texts that complement the eight life stories. This material is meant to help readers enrich their understanding of the life stories by offering them the information they need to better grasp the meaning of the Buddhist notions mentioned and the broader historical and spiritual contexts of the biographical accounts. While this book will be of interest to specialists because of the first-hand accounts, it is

primarily aimed at a wider audience interested in Buddhism religions or spirituality in general It will also be of use to teachers whose courses touch upon any of these subjects By combining life stories and contextual material and placing an emphasis on the concrete experiences of Canadians with whom readers can identify this book is an introduction to Buddhism and to what it means to lead a Buddhist life in contemporary Canada Published in English *Introduction to Buddhism* Kelsang Gyatso,2008 The essential principles of Buddhism and the Buddhist way of life are accessible to beginners and this clear presentation will also inspire those who have been practicing for years **Eight Steps to Happiness: The Buddhist Way of Loving Kindness** Geshe Kelsang Gyatso,2011-01-01 This inspiring book explains how to meditate on eight beautiful verses that comprise one of Buddhism s best loved teachings Eight Verses of Training the Mind Composed by the great Tibetan Bodhisattva Geshe Langri Tangpa this short poem shows how we can transform all life s difficulties into valuable spiritual insights Geshe Kelsang Gyatso reveals practical ways in which we can use this timeless wisdom to find meaning and lasting happiness in our busy modern lives How to Understand the Mind Geshe Kelsang Gyatso,2013-12-03 This book offers us deep insight into our mind and shows how an understanding of its nature and functions can be used practically in every day experience to improve our lives Part 1 is a practical guide to developing and maintaining a light positive mind showing how to recognize and abandon states of mind that harm us and to replace them with peaceful and beneficial ones Part 2 describes different types of mind in detail revealing the depth and profundity of the Buddhist understanding of the mind It concludes with a detailed explanation of meditation showing how by controlling and transforming our mind we can attain a lasting state of joy independent of external conditions **Spiritual Art and Art Education** Janis Lander,2013-12-17 This book is a study of contemporary spirituality as it is practiced in the world today characterized by its secular and inclusive nature and applied to art and art education It identifies the issues facing a formal introduction of contemporary spiritual concepts into a secular and multicultural arts educational environment Lander begins by separating the notion of the spiritual from the study of organized religions She uses examples of art from different cultures in contemporary spiritual systems making the study a reference book for contemporary spirituality and spirituality in art education with usable definitions and practical examples suitable for scholars in art and visual studies art education and contemporary spirituality **The Circle of Bliss** John C.
