Your Building LEED Certified Fight Global Warming and Save Money The USGBC released LEED v4 in GreenBuild International Conference and Expo in November 2013 The GBCI started to include the new LEED v4 content for all LEED exams in June 2014 We have incorporated the new LEED v4 content in this book LEED Leadership in Energy and Environmental Design is one of the most important trends in development and is revolutionizing the construction industry It has gained tremendous momentum and has a profound impact on our environment From this book you will be able to 1 Identify your weakness through practice questions 2 Learn to work well under the pressure of timed tests 3 Check your responses against the solutions 4 Understand the solutions for the difficult questions through the explanations 5 Fully understand the scope difficulty level and format of the LEED AP O M Exam 6 Learn how to pass the LEED AP O M Exam There is NO official GBCI book on the LEED AP O M Exam LEED v4 AP O M Mock Exams fills in the blanks and demystifies LEED The book includes 200 questions and simulates the real exam in every aspect including scope difficulty level format and number of questions in each LEED category It includes questions answers and explanations This book is small and easy to carry around You can read it whenever you have spare minutes It is an indispensable resource for ordinary people developers brokers contractors administrators architects landscape architects engineers interns drafters designers and other design professionals All our books are available at [GreenExamEducation.com](http://GreenExamEducation.com) Check out FREE tips and info for all LEED Exams and ARE Exams at [GeeForum.com](http://GeeForum.com) you can post your questions for other users review What others are saying about LEED AP O M Mock Exam These are TOUGH sample tests You need this book I used this book as a review in the day or two before my exam The questions in this book could very well be found on the exam but most actual exam questions will not be as complex as they are made here Most of these questions on these mock exams have a twist or trick and many can only be answered if you know the materials backwards and forward This makes for GREAT exam preparation because it makes you acutely aware of the types of tricks and the level of detail you MIGHT see on the exam G Patton I highly recommend this book The book was extremely helpful for me passing the exam The questions really challenged me to dig deeper into the details of each category I felt this was one of several tools to help me be prepared for the exam I highly recommend this book Edwin F Sierra Such a great tool I passed the exam at the first attempt These mock exams helped me to learn how to tackle the problems and which areas I should focus on I worked with another book of the author also It took 2 3 weeks for my preparation Chai

LEED v4 BD&C EXAM GUIDE Gang Chen, 2015-06-26 Pass the LEED AP BD they are helpful as reference manuals because of the easy to follow format Definitely a keeper in my bookshelf for future project reference Karen M Scott Great resource for studying for the LEED Exam I have taken and passed the LEED AP BD C exam and know what it takes As this author says it s not an easy exam and he is right What is critical to passing is having great teaching tools and this book is one of them He touches on every aspect of how to memorize data how questions are formed what to expect on tricky questions the content the test writers are looking for and every little detail you need to know when preparing for

this exam I highly recommend this author's books if you are serious about passing any of the LEED exams hopefully on the first try S Jennifer Sakiewicz LEED BD it gave me insight and knowledge on how credits are applied Some questions in your book helped me answer ones on the test Good book I'll go through it once again when I appear for AP Haresh Vibhakar AIA India AIA LEED Green Associate Architect A good outline The book is an excellent outline to learn the necessary items required to study for the exam It is not a comprehensive study guide in and of itself Practice exam is good indicator of test preparation Paul Levine Solid LEED Study Guide This is the kind of book I wish was available when I did my original LEED AP exam It teaches you how to study which is so important when school is a distant memory The bulk of the book helps you review and memorize with mnemonics the concepts for each credit that you need to know for the exam The questions are good representations of questions on the exam I would recommend to anyone studying for their exam that they First read the chapters in this book on how to study Second read the actual LEED BD C guide to give you the background information on the credits and gain comprehension Underline and review as the author indicates to get the most out of your study time Finally read the rest of this exam guide to help you review and memorize for the exam missfitz missfitz Very Helpful Guide Gang Chen's LEED BD C Exam Guides very helpful in consolidating information from USGBC and GBCI sources as well as providing the information that is necessary for the exam without excess irrelevant information I highly recommend this book for preparation for the LEED BD C exams leedap
