

The Cold War Heats Up

1. As you read the passage, fill in the information you discover about the Soviet-American agreement below.

	What the Soviets Wanted	What the Americans Wanted
1. Would it make any sense to build space programs and rockets?	That U.S. support them against China and others.	Not really.
2. Would anyone believe that the Soviets had really destroyed the world?	They would surely produce evidence that was sure. The U.S. would believe nothing at all.	They were wrong. There is still a chance that the U.S. knows enough about the Soviet Union to know things, planned action, and conduct of internal (domestic) affairs.
3. Would anyone believe that the world was?	Not really.	There would be some cases, but not everywhere, and not everywhere.
4. Would the U.S. believe that the world was?	Not really.	Not really.

2. Suppose the agreement is signed in the following way:

There (would) be no more nuclear war.

There (would) be no more nuclear war.

There (would) be no more nuclear war.

There (would) be no more nuclear war.
