

The Executive Branch: What Are the Executive Departments?

The United States Constitution divides the federal government into three equally important parts: the legislative, executive, and judicial branches. The executive branch includes the president, vice president, executive departments, and many other agencies that help to administer the laws of the United States. The 15 executive departments do important work. Almost 60% of people working for the federal government are a part of these departments.

Read about the main responsibility of each department. Then, answer the questions on page 2.
