Juxtaposing haikus and prints on the theme of the most beautiful landscapes of Japan this volume looks at its mountains and forests rivers and streams beaches and rugged seascapes Over 120 haiku by such well known and beloved poets as Basho Issa and Buson are included as well as both full colour and black and white reproductions of prints by such masters as Korin Sekka and Ike no Taiga In his introduction Stephen Addiss writes of the unique Japanese attitude towards nature and the manner in which they incorporate this sensibility into poetry and briefly reviews the various styles of the art presented

The Art of Haiku Stephen Addiss, 2022-11-29 In the past hundred years haiku has gone far beyond its Japanese origins to become a worldwide phenomenon with the classic poetic form growing and evolving as it has adapted to the needs of the whole range of languages and cultures that have embraced it This proliferation of the joy of haiku is cause for celebration but it can also compel us to go back to the beginning to look at haiku's development during the centuries before it was known outside Japan This in depth study of haiku history begins with the great early masters of the form like Basho Buson and Issa and goes all the way to twentieth century greats like Santoka It also focuses on an important aspect of traditional haiku that is less known in the West haiku art All the great haiku masters created paintings called haiga or calligraphy in connection with their poems and the words and images were intended to be enjoyed together enhancing each other and each adding its own dimension to the reader's and viewer's understanding Here one of the leading haiku scholars of the West takes us on a tour of haiku poetry's evolution providing along the way a wealth of examples of the poetry and the art inspired by it **A**

Year of the Haiku James Maxfield, 2014-04 A Year of the Haiku features 365 new haiku poems by James Maxfield written as a year long experiment of composing one haiku poem each day during the year 2013 using only the words provided by Haikubec a set of sixty three die pieces with five words on each piece The book includes a detailed preface about the author's process and experience writing this collection as well as a brief but scholarly introduction to haiku poetry suitable for the beginner or the experienced haiku poet **Routledge Handbook of Ecocriticism and Environmental Communication**

The Publishers Weekly ,2002 **Haiku for a Season / Haiku per una stagione** Andrea Zanzotto, 2012-10-29 Andrea Zanzotto is one of the most important and acclaimed poets of postwar Italy This collection of ninety one pseudo haiku in English and Italian written over several months during 1984 and then revised slowly over the years confirms his commitment to experimentation throughout his life *Haiku for a Season* represents a multilevel experiment for Zanzotto first to compose poetry bilingually and second to write in a form foreign to Western poetry The volume traces the life of a woman from youth to adulthood using the seasons and the varying landscape as a mirror to reflect her growth and changing attitudes and perceptions With a lifelong interest in the intersections of nature and culture Zanzotto displays here his usual precise and surprising sense of the living world These never before published original poems in English appear alongside their Italian versions not strict translations but parallel texts that can be read separately or in conjunction with the originals As a sequence of interlinked poems *Haiku for a Season* reveals Zanzotto also as a master poet of minimalism Zanzotto s recent death is a blow to world poetry and the publication of this book the last that he approved in manuscript will be an event in both the United States and in Italy
