Hair In Funny Places:

Hair in Funny Places Babette Cole, 2001 Girls and boys are always curious and even sometimes alarmed by the behaviour of their bodies as they grow up Puberty being a particularly unsettling time Babette Cole has made this the subject of the fifth title in her bestselling series of family dilemmas Who else but Babette would have the temerity to tackle this subject in a picture book and the genius to carry it off In *Hair in Funny Places* her artwork is without exaggeration some of the best she has ever done it is brilliant The text which takes the form of a conversation between a small girl and her teddy bear is ingenious and funny it is the behaviour of Mr and Mrs Hormone wonderfully depicted which is responsible for and plays havoc with both physical and emotional states of girls and boys between roughly the ages of eight and eighteen The book is bound to be controversial but Babette has never taken the conventional path and her readers love her for her outrageous approach to little mentioned topics

September Thanksgiving Norma Slavitt, 2016-09-07 Who ever had Thanksgiving in the month of September The answer is the American pilgrims It is said they got the idea for the harvest celebration from the Bible story that described an ancient Jewish harvest festival called Sukkot This story is woven against the setting of Sukkot Complications arise when Allan age ten and his sister Molly almost thirteen resist celebrating this tradition because their grandparents have moved to a retirement village in Arizona The family decides to bring the holiday all the way across California That means they have to load unusual things on top of their van They are a strange sight as they drive across the majestic San Francisco Golden Gate Bridge Allans challenge expands when he is given a Sunday school assignment to perform four random acts of loving kindness in four days He has trouble understanding that mitzvah is a Jewish word that refers to doing an unexpected good deed that can help enrich the lives of people In the long tiring car trip the family encounters a homeless stranger a family who is forced to live in their car a senior citizen whose car crashed into a storefront and a man in Room 10B who is grouchy and does not come out of his room even for meals A Latino girl and a Jewish girl find out how much they share in common in spite of their differences The childrens intergenerational and multicultural experiences set the stage for a series of mitzvahs that have far reaching consequences *Naked Reading* Teri S. Lesesne, 2006 Teri draws on her extensive experience as a teacher and consultant to examine ways that educators can help interest kids in books and keep them reading during this crucial period
