dominant culture through culturally specific magazines What role do the natural hair blogs vlogs play as a change agent in encouraging or discouraging consumers grooming their hair in its natural state What impact does a globalized consumer market of Black hair care products have on Hispanic Latinas and Bi Racial women Are Black female Generation Y members more likely to receive backlash for failure to conform their hair to dominant standards in their hair adornment in the workplace Johnson thus demonstrates that the major concern from messages sent to Black women about their hair is its impact on Black identity Thus the goal of Black women should be to break with hegemonic modes of seeing thinking and being for full liberation This critical and deep consciousness will debunk the messages told to Black women that their kinky frizzy thick hair is undesirable bad unmanageable and shackling *Home and School Reading and Study Guides* ,1996
