Half A Woman The Secret:

Divine Flesh, Embodied Word Anne-Claire Mulder, 2025-10-01 What has Luce Irigaray's statement that women need a God to do with her thoughts on the relation between body and mind or the sensible and the intelligible Using the theological notion incarnation as a hermeneutical key Anne Claire Mulder brings together and illuminates the interrelations between these different themes in Luce Irigaray's work Seesawing between Luce Irigaray's critique of philosophical discourse and her constructive philosophy Mulder elucidates Irigaray's thoughts on the relations between becoming woman and becoming divine She shows that Luce Irigaray's restaging of the relation between the sensible and the intelligible between flesh and Word is key to her reinterpretation of the relation between woman and God In and through her interpretation of Luce Irigaray's thoughts on the flesh she argues that the relation between flesh and Word must be seen as a dialectical one instead of as a dualistic relation This means that incarnation is no longer seen as a one way process of Word becoming flesh but as a continuing process of flesh becoming word and word becoming flesh For all images and thoughts including those of God are produced by the flesh divine in its creativity inexhaustibility in response to the touch of the other And these images thoughts words in turn become embodied by touching and moving the flesh of the subject *Secret Frequencies* John Skoyles, 2006-12-01 Outrageously funny memoir of growing up in 1960's New York *Secrets of the Sideshows* Joe Nickell, 2005-09-09 The carnival sideshows of the past have left behind a fascinating legacy of mystery and intrigue The secrets behind such daring feats as fire eating and sword swallowing and bizarre exhibitions of human oddities as Alligator Boys and Gorilla Girls still remain only grudgingly if ever given up by performers and carnival professionals Working alongside the performers Joe Nickell blows the lid off these mysteries of the midway The author reveals the structure of the shows specific methods behind the performances and the showmen's tactics for recruiting performers and attracting crowds He also traces the history of such spectacles from ancient Egyptian magic and street fairs to the golden age of P T Barnum's sideshows With revealing insight into the personal lives of the men and women billed as freaks Nickell unfolds the captivating story of the midway show **The Case of the Secret Spirit-Half** Lucy Banks, 2022-10-11 Kester is a wanted man After letting the daemon Hrschni escape Infinite Enterprises are hunting Kester down and the rest of Ribero's supernatural agency swear they'll never forgive him But who can he trust Hrschni or Infinite Enterprises While on the run he reencounters the powerful daemon who uses his powers to take Kester back and forth in time As a spectre of the past Kester must learn the truth about his mother while staying one step ahead of agents on his tail But when Miss Wellbeloved and Ribero are seized by Infinite Enterprises Kester uncovers a shocking truth one that may change the course of the entire supernatural world In the last and final instalment of Dr Ribero's Supernatural Agency it all comes down to Kester and the secrets of the past **Female Adolescence** Katherine Dalsimer, 1986-01-01 A sensitive gracefully written exploration of the distinctiveness of the female adolescent experience The author combines insights drawn from her clinical practice with

informed analyses of familiar works of literature Her premise is that literature does not merely exemplify but deepens our understanding of psychological processes A brilliant and evocative analysis of the transition from girlhood to womanhood with its longings its pain and the pride of growing up The depiction is rich with the particularities of the experiences of adolescent girls and provides a welcome contrast to the usual rendering of this period as a variation on male development

Lila Braine Chair Department of Psychology Barnard College Masterful analyses of five literary works Dalsimer's interpretations are remarkable for the intelligent and informed acuity of her psychoanalytic observations as well as for their preservation of the texture of lived experience A uniquely felicitous conjunction of psychoanalysis and literature Choice Dalsimer's commentaries prove consistently empathetic discerning and convincing This beautifully written book renders important service both to psychoanalysis and to literary studies Paul Schwaber Professor of Letters Wesleyan University This book will be treasured by anyone who has taught or treated an adolescent girl or read a book about one or like Freud and the rest of us simply wondered at the miracle of transformation of a girl into a woman Robert Michels M D Chairman Department of Psychiatry Cornell University Medical College
