

A person is lying in a hammock, suspended between two trees. The scene is at night, with a crescent moon visible in the dark sky. The background shows a landscape with mountains and a body of water, all under a twilight sky with soft colors. Several birds are seen flying in the distance. The overall mood is peaceful and serene.

Ayersman, 2024-03-02 Hank Sharp lived a simple life in West Virginia. That was until one day in January of 2018, Hank got a letter that would change his life forever. His Uncle Bob, whom he hardly knew, had died and left him a ranch and cattle business in the West Virginia Mountains. This was great news, so Hank thought. He soon found out his uncle was studying the supernatural. Uncle Bob believed he had discovered another world next to ours. This is called Mirror World. Uncle Bob thought this world held the secrets to Bigfoot, Mothman, aliens, UFOs, and other things. Besides investigating his uncle's suicide, Hank and his friend Francisco will pick up his uncle's supernatural studies. There is one problem: Aliens are trying to stop him. They are doing everything in their power to stop Hank from entering Mirror World. Follow Hank and Francisco while they journey around the world in a quest to enter Mirror World. **The Star at the End of the River** Paul Vincent, 2011-04-20

From an early age, author Paul Vincent has looked forward with joyful anticipation to sunsets and oncoming darkness, an attitude that appears to be counter to the scriptural counsels of his own faith community. In *The Star at the End of the River*, Vincent shares his important life experiences in order to describe a transformative spirituality of the night. Bringing to bear his forty years' experience as an amateur astronomer, the author shows how sustained night sky observation enhances the human receptivity to transcendent departure. Of the many treasures of the heavens, Vincent finds particular solace in a star he has never seen, which for that very reason he regards as the most apt symbol of the human hope for eternal joy. *The Star at the End of the River* proposes a new kind of spiritual journey: an ascent not of a mountain as in the traditional imagery, but of an inclined plane. Vincent invites his readers to become contemplatives of the ordinary and to discover the mystical power of such commonplace objects and occurrences as road signs, supermarket aisles, interior stairways, gooseflesh, and penmanship.
