Identifying Target Customers Alexander Chernev, The cornerstone of developing a viable marketing strategy is deciding which customers to target and how to reach these customers in an effective and cost efficient manner Failure to identify the right target customers is one of the most common and at the same time most dangerous marketing mistakes Indeed it is virtually impossible to develop a meaningful value proposition without clearly identifying customers whose needs the company aims to fulfill with its offering The concept of targeting and the process of identifying the right target customers are the focus of this note The discussion of the key targeting concepts is complemented by an in depth overview of three targeting concepts occasion based versus user based targeting data driven targeting and the long tail phenomenon This note is an excerpt Chapter 6 from Strategic Marketing Management Theory and Practice by Alexander Chernev Cerebellum Press 2019

Marketing Management: Theory and Practice, 2nd Edition Alexander Chernev,2025-09-15 Marketing Management Theory and Practice provides a systematic overview of the fundamentals of marketing theory defines the core principles of marketing management and presents a value based framework for developing viable market offerings This theory is grounded in the view of marketing as a value creation process essential to any business enterprise The discussion of marketing theory is complemented by practical tools that help managers apply the generalized frameworks to address specific business challenges and capture market opportunities The marketing theory outlined in this book applies to a broad range of companies startups and established enterprises consumer packaged goods companies and business to business firms high tech and low tech ventures online and brick and mortar businesses product manufacturers and value added service providers as well as nonprofit and profit driven organizations This book combines theoretical rigor with practical relevance to strengthen the marketing skills of a wide spectrum of business professionals from those creating new market offerings to those enhancing existing ones from entrepreneurs launching new ventures to managers in established corporations and from product managers to senior executives

Hallmark Patrick Regan,2009-12-15 100 years that crafted an iconic American company A century ago the Halls were a poverty stricken family trying to make their way in a small Nebraska town Today they are a golden example of a family that has created a groundbreaking company Hallmark A Century of Caring is the inspirational story of an American dream brought to life through hard work strong values and a genuine care for both employees and customers Beginning with a heartfelt introduction from famed poet Maya Angelou the reader is taken on a journey that follows the Hall family from Norfolk Nebraska to Kansas City Missouri the eventual home of Hallmark Through boom times war times and the Great Depression the company grew and flourished always with the belief

that its products and services must enrich people's lives One hundred years after Joyce Hall first stepped off of the train in Kansas City Hallmark is poised and ready for the future This book is an enduring salute to the company and a historic journal of a truly iconic American company **Plunkett's Entertainment & Media Industry Almanac 2006: The Only**
