As I Recall Ysaac Chabo,2008-02-01 The purpose of this book is simply to share with the readers the events some very intense that strongly impacted my life It is written directly from my memory therefore some dates might not be exact but the events are as clear in my mind as at the time of their occurrence It s a journey from oppression to freedom and a profound expression of gratitude to Spain which made the journey faster and easier by granting our visas in less than four hours and allowed us to stay in that beautiful and hospitable country for almost five months and to our adoptive motherland the United States of America for welcoming us to the land of the free and the home of the brave The very difficult situations described in this book had a positive aspect because each one of them made our character stronger and our faith firmer as a gift from God whose power and mercy we felt every time there was a problem that we could not solve in our own It is not necessary to add anything else at this time The book presents a clear narrative of the journey where the reader may also find diversity a recently used and abused concept at work I let the reader discover the character building struggles and the spiritual growth that was directly proportional to the intensity of the hardships and overt or covert persecution As Father M rito Gonz lez said in Spain during a homily How do we know our strengths without tests and trials Let s make faith hope and love the most important pillars of life and we will find that with God we can cross raging waters walking on a bridge of rotten wood Enjoy

Out of Bondage Ysaac J. Chabo,2024-11-19 This is the true story of a man raised in Cuba who immigrated to the United States and the trials and tribulations he faced along the way Chabo hopes his story will instill a higher appreciation for freedom and faith in his readers as they discover what he suffered and endured Knowledge ethics and the freedom of faith are some of the most precious things worth fighting for and may be the most taken for granted in today s world

The Case of Jack the Nipper H.L. Stephens,2012-06-03 Mister Marmee is a Victorian gentlecat not a detective or so he thinks Everything changes when he takes up residence with Stephen Hanover London s premier doctor of veterinary medicine and his vivacious dachshund detective Sir Happy at their home Hanover Place With a nose for finding and following clues Sir Happy soon begins to teach his feline friend the tricks of the investigative trade Within short order Mister Marmee finds himself whiskers deep in one of the most perplexing and brutal crime sprees London has ever seen Drawn into the fray by the charming but bewildered Hyrum Farley of Scotland Yard Mister Marmee and Sir Happy follow the trail of a lifetime as they endeavor to track down a killer canine before it strikes again From the slums of Cheapside and the dog fighting rings of the warehouse district to the sleepy manors of the British countryside onto the very doorstep of Hanover Place itself it s a race against the clock and time is running out

A. Rebhun, 1999 This is a study of love specifically of men s and women s emotional roles vis vis one another in Northeast Brazil of how people form conjugal relationships in this region and of the impact of rapid socioeconomic change on courtship marriage cohabitation and infidelity Rapid urbanization and expansion of

the cash economy have transformed the region in a few decades Among the transformations are shifts in how people conduct courtship form marriages view the proprieties of sexual behavior and assess the proper social and economic roles of men and women These changes have altered the relative importance of physical economic and emotional intimacy in conjugal relationships transforming the nature of marriage once defined as a largely economic relationship into a largely emotional relationship as ideas of romance once associated with infidelity concubinage and courtship are increasingly attached to marriage The book is largely based on interviews with men and women who talked about their often complicated love lives with wit and passion and the book is rich in personal stories and quotations Women were asked to discuss the nature of men and women and men were asked to talk about women Both sexes were questioned about their views on prostitution concubinage and promiscuity as well as their definitions of love Parents were asked for their views about marriage and child rearing especially differences in raising boys and girls their relations with their own parents lovers spouses and friends and their views on virginity and sexual propriety The bluntness and articulateness of the informants about their motivations and experiences not only demonstrated that men and women viewed conjugal relationships very differently but enabled the author to specify and explore these differences in unusually interesting ways **Country Life Illustrated** ,1905
