most important European judgements and decisions but also some of the leading cases from the US and European Member States Ali Nikpay Gibson Dunn Crutcher LLP The study of EU competition law requires the analysis and understanding of a number of increasingly complex European Commission and European Court decisions Through the provision of case summaries excerpts from the important passages and concise commentary linking these decisions to other key case law and Commission documents this unique and impressive book now in its fifth edition provides the student and practitioner of EU competition law with an extremely clear and useful introduction to these leading decisions Dr Kathryn McMahon Associate Professor School of Law University of Warwick This book is especially valuable for competition law specialists in Europe and abroad who are interested in the jurisprudence and policy of the European Union and its member states Familiarity with the European regime is essential for proficiency in competition law today and this volume provides an excellent foundation William E Kovacic Global Competition Professor of Law and Policy George Washington University Law School Former Chairman US Federal Trade Commission The Guide is an invaluable tool for both students and practitioners It provides a compact overview of the fundamental cases and highlights the essential problems in a clear and sharp analysis Dr Christoph Voelk Antitrust Practice Group McDermott Will Emery LLP Brussels *Jones and Sufrin's EU Competition Law* Brenda Sufrin, Alison Jones, Niamh Dunne, 2023 The complete guide to EU competition law combining key primary sources with expert author commentary The most comprehensive resource for students on EU competition law extracts from key cases academic works and legislation are paired with incisive critique and commentary from an expert author team New to this Edition Full analysis of important developments in competition law and policy since 2019 including relevant case law new EU legislation and notices and competition law goals A comprehensive discussion of the evolving law and policy governing market definition vertical horizontal cooperation and sustainability agreements A new chapter on competition law in the digital economy incorporating a discussion of the Digital Markets Act **EU COMPETITION LAW HANDBOOK.** ,2020

Parental Liability in EU Competition Law Peter Whelan, 2023-08-10 In enforcing EU competition law the Commission employs a unique doctrine of parental antitrust liability it imposes fines on the parent company of an infringing subsidiary in cases where the parent exercises decisive influence over the subsidiary's commercial policy Critics of this contentious aspect of EU competition law believe that the doctrine is unfair ineffective obscure disproportionate contrary to due process and based upon a dubious if not extremely flimsy justificatory foundation Such criticism raises serious and unanswered questions about the legitimacy of the Commission's efforts to enforce competition law Parental Liability in EU Competition Law A Legitimacy Focused Approach is the first monograph to be dedicated to this controversial topic Written by Professor Peter Whelan the book contends that although the general concept of parental liability can be justified in principle the current EU level doctrine of parental antitrust liability in fact suffers from a distinct and problematic lack of legitimacy More specifically the said doctrine displays significant deficiencies with respect to effectiveness fairness and legality Given this undesirable

state of affairs Parental Liability in EU Competition Law offers a fully rationalised reformulated approach to parental antitrust liability for EU competition law violations that is built around the notion of parental fault That approach provides a solid normative account of how to impose parental antitrust liability in a manner that is theoretically robust effective in practice fair in substance and legally sound
