His Number One Danyell Wallace:

His Number One Fan Danyell a Wallace, 2015-12-17 BWWM Romance Nyla Freeman hasn't seen her long time childhood friend Caleb Walker in over four years. She's a pre-med student who's looking forward to a well-deserved break from the common stress of being a college student. So she decides that instead of going to Italy with her family during her two-week spring break, she wants to spend it with Caleb. Instead, who also happens to be a member of an up-and-coming band called Wildfire that's well-known in the Sacramento area. Her plan is to fly out to California to catch up and reminisce with her best friend, but that all changes her first night there when she meets the rest of the band members and becomes real curious about their lead singer, Mason Scott. Their first encounter is brief, but when his gray eyes land on her brown ones, she knew she wanted to know more about him. In every imaginable way. The night she steps foot inside the club The Grind to watch Wildfire's last performance before they were set to go on tour with Caleb's dad's band Hurricane, she's immediately drawn to the sounds of an electric guitar, drums, and a strong, sexy, raspy voice echoing throughout the club. Her eyes search the room looking for the owner of the voice when they finally land on Mason. He was standing behind the microphone with his eyes closed, grasping it while letting the lyrics flow through his lips. Every emotion he was feeling came flowing. Women were screaming his name, demanding his attention, while the men stood in awe, wishing they could be him. Nyla stood there, not wanting to move, afraid that she would miss the message that he was trying to get across in the lyrics. She was never a fan of rock music, but then again, she really didn't have a favorite genre either. If it was good to her, she listened to it, and Wildfire was good. Mason stops singing and pulls away from the mic and picks up an acoustic guitar sitting on its stand nearby and starts playing it with so much grace. She couldn't take her eyes off of him. Seeing him perform gave her an amazing feeling. She always relied on video clips and audio snippets that Caleb sent to her by text message of Mason's musical talent, and now she was experiencing it live. Everything about Mason oozed sex appeal from his tousled black hair all the way down to his exposed neck, arms, and legs that showed off his different tats to the way he worked the crowd. Flirting with every male or female he came in contact with. He didn't discriminate. He makes his way back to the mic and he closes his eyes briefly again and begins rocking back and forth, allowing the music to take over him. Before singing the next verse to the song, he opens his eyes, and they lock with hers. From that single moment alone, she became His Number One Fan. Not realizing that this night was the beginning of both of their lives changing forever.

Groupie Danyell a Wallace, 2016-10-21 The Final Book To His Number One Fan. Someone is f*ckin' with me. On a daily basis, Wildfire received thousands of fan mail. It didn't matter where we were; our management found a way to get it to us, no matter how out of date a letter was. Fans poured out their love and support of our music in these letters, and some sent a little extra, such as a naked picture, panties, and the list goes on. Just the usual, right? But lately, I was receiving letters written in red lipstick from someone who supposedly was from my past. They said they wanted me in every way imaginable to themselves, and anyone that tried to get in the way would be dealt with. Sh*t I'm

getting irritated just thinking about the letters that would say I love you Mason I m your 1 Fan That b tch doesn t deserve you There were others that also got out of hand to a point that I had to talk to the authorities about them and all they can tell me is to ignore the mail that there s nothing they can do since this groupie hasn t physically harmed me They told me to just be aware of my surroundings and that this is what fame is all about That this is what I signed up for becoming one of the most sought out singers in rock and it ll all blow over They were taking this sh t as a joke What if this groupie took it too far and to another level where it s too late to be stopped Basically this sh t boiled down to me or someone I loved getting hurt before anything could be done I couldn t let that happen This story contains mature themes including sexual assault Interracial Romance BW WM
