Snyder, 2023-04-26 My testimony about a man me praying for a wife for years and a beautiful woman who still is a singer today but I never knew about her back then until God did 20 plus miracles in 2007 to prepare and send me to Fort Lauderdale to enter a cruise liner on February 25th to March 2nd 2008 The first day on that ship in the auditorium God arranged this beautiful brunette singer to meet me face to face on a cruise in the Bahamas But the enemy foiled that meeting and the two never did marry as God had designed Then 15 years later on 11 11 22 God stirred me up again to write this book to reenergize that missed romantic moment back then So I'm writing today per God's request to reconnect to this same original singer I missed in February 25th Key words Please Come cause Hope's Alive Mysterious Ways Guideposts, 2012 Compiled from Guideposts magazine's most well loved column Mysterious Ways Incredible Answers to Prayer will move you with its incredible accounts from everyday people of God's influence grace and of course His answers to our prayers In this collection the second in our new but already well loved Mysterious Ways series you'll meet people who turn to God to find help in difficult times Whether it involves people recovering from illness rescuing a loved one in danger or reuniting with an estranged relative God provides for us all Broken into four sections Incredible Healing Incredible Provision Incredible Intervention and Incredible Redemption this book is overflowing with stories for any need Sit back relax and be taken in with God's Incredible Answers to Prayer Drawing on fifty plus years of publishing inspirational stories America's favorite storyteller Guideposts brings you some of our best loved uplifting real life stories show how faith works powerfully in ordinary lives The Folly of Prayer Matt Woodley, 2010-02-04 Prayer can feel mysteriously difficult boringly perfunctory and frustratingly out of our control Often prayer brings us comfort but sometimes especially when there aren't easy resolutions or prayers go unanswered it intensifies and focuses our sense of longing pain and care And often God uses our times of darkness and desperation to awaken our hearts to the ache within us and the cries of those suffering around us Prayer is all about coming before God to face life head on with all its jagged edges of mystery joy longing and agony In fact says pastor Matt Woodley prayer is actually a real encounter with the untamable God and Father of our Lord Jesus Christ and therefore our experience of it should reflect the power mystery and even risk of entering into relationship with the Lord of the universe In this book Woodley strips away all the religious speak and presuppositions we have about prayer distilling it to

the essence of wholehearted engagement with the living God Exploring an earthy unadorned jargon free approach to prayer Woodley unpacks a host of fresh synonyms for God encounters including prayer as desperation invocation mystery astonishment groaning and even absence These marginal ways of praying compel us to engage marginal people the desperate the groaning the victimized and the ignored As we pray God will open our eyes to the pain of the world around us With stories from his own experience and biblical and historical examples Woodley gives fresh language to describe a life grounded in prayer that leads to compassion and service

*Good Morning Message* Peggy Edwards,2010-08 This daily devotional book has been a God led inspiration from its very start up from its original Bible verse and note of encouragement to some coworkers and family members to people around the world via my email network Our God is so awesome I ve had people return emails to me or speak to me and ask How did you know that I needed that today or How did you know I was going through this That is when I thankfully remind them that God inspired each and every one of these devotionals I am just being faithful and following His directions Now I m led to put them into a year of daily devotions book to reach others Occasionally my emailed devotionals have colored photographs that I take as God inspired message for the day Unfortunately I couldn t include those in this book I did include a photo in grayscale at the beginning of each month the cover photo is a God blessed look at an Alaskan sunset I am so thankful that God is working in my life I want to encourage each of you to grasp hold of whatever gift He has blessed you with and step out in trust and faith to go forth and to share it with others When you feel down just start counting each of the blessings God has touched you with in your life and you will feel His Presence and comfort to encourage you We are never alone He is just a prayer away nothing is impossible for our God He is not done with us yet He is asking us to be obedient in our service to Him and He will help us grow in our faith Trust in Him and you will be astounded at what He has in store for you

**Knocking on Heaven's Door** David Crump, 2006-09-01 How are we to understand petitionary prayer This is a key question for any thoughtful believer who desires to take both the Bible and experience seriously Some believe God answers any prayer as long as the one praying has enough faith and or persistence Others conclude from experience that prayer is really for our benefit and has no impact on God's actions According to David Crump both views are extreme and potentially harmful While books that deal with prayer from a devotional or experiential perspective have their value Knocking on Heaven's Door takes a different approach Crump carefully studies every New Testament passage that has to do with petitionary prayer and draws conclusions that are both theological and pastoral to help us understand the great mystery of prayer

**Values, Objectivity, and Explanation in Historiography** Tor Egil Følrand, 2017-01-20 Bringing sophisticated philosophy to bear on real life historiography Values Objectivity and Explanation in Historiography rekindles and invigorates the debate on two perennials in the theory and methodology of history One is the tension between historians' values and the ideal or illusion of objective historiography The other is historical explanation The point of departure for the treatment of values and objectivity is an exceptionally heated debate on Cold War historiography in Denmark involving not only historians but also the political parties the national newspapers and the courts The in depth analysis that follows concludes that historians can produce accounts that deserve the label objective even though their descriptions are tinged by ineluctable epistemic instability A separate chapter dissects the postmodern notion of situated truths The second part of the book

proffers a new take on historical explanation It is based on the notion of the ideal explanatory text which allows for not only causal including intentional but also nomological structural and functional explanations The approach which can accommodate narrative explanations driven by causal plots is ecumenical but not all encompassing Emergent social properties and supernatural entities are excluded from the ideal explanatory text making scientific historiography methodologically individualistic albeit with room for explanations at higher levels when pragmatically justified and atheist The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivative License

**WHY DO HUMANS WORSHIP GODS?** Wilberforce Reid,2024-02-12 According to United Nations statistics 25 000 men women and innocent children worldwide die from starvation each day yet the majority of us give praises and thanks to God every day for providing us with our daily bread We do know or should know that millions of people were killed including being burned at the stakes because they did not conform to the official doctrine of the Christian Church In spite of this each day we sing about how loving and merciful God is to mankind In the creation of our conscious mind are we more susceptible to indoctrination than to logical and objective analysis of a subject By exposing stories swept under the rug because of our unconscious bias this book will uncover many uncomfortable truths

**Praise Faith to God's Glory** Victor Hadnot, 2002-10 Praise Faith To God's Glory is a special collection of short stories written in the sub genre of Christian Science Fiction Too often in the past Christians who like to read science fiction have had to deal with the obvious put downs when it came to having faith in God This book and these short stories were written to address this issue In the grandness of things it is ridiculous to believe that all of the wonders of the universe simply happened Chaos theory suffers from its own big bang and who better to write speculative fiction than someone who believes in the Ultimate Being These stories express what Christians have known since Jesus Christ walked with us and expresses what modern day physics seeks so hard to discover the unified theory but God is One Christians have had the unified theory of the universe and all creation since the beginning This is science fiction with a Christian attitude **The Juggler of Notre Dame and the Medievalizing of Modernity** Jan M. Ziolkowski, 2018-06-11 This ambitious and vivid study in six volumes explores the journey of a single electrifying story from its first incarnation in a medieval French poem through its prolific rebirth in the nineteenth and twentieth centuries The Juggler of Notre Dame tells how an entertainer abandons the world to join a monastery but is suspected of blasphemy after dancing his devotion before a statue of the Madonna in the crypt he is saved when the statue delighted by his skill miraculously comes to life Jan Ziolkowski tracks the poem from its medieval roots to its rediscovery in late nineteenth century Paris before its translation into English in Britain and the United States The visual influence of the tale on Gothic revivalism and vice versa in America is carefully documented with lavish and inventive illustrations and Ziolkowski concludes with an examination of the explosion of interest in The Juggler of Notre Dame in the twentieth century and its place in mass culture today The Juggler of Notre Dame and the Medievalizing of Modernity is a rich case study for the reception of the Middle Ages in modernity Spanning centuries and continents the medieval period is understood through the lens of its post modern reception in Europe and America Profound connections between the verbal and the visual are illustrated by a rich trove of images including book illustrations stained glass postage stamps architecture and Christmas cards Presented with great clarity and simplicity Ziolkowski's work is accessible to the general reader while its many new discoveries will be valuable to academics in such fields and disciplines as medieval studies medievalism philology literary history art history folklore performance studies and reception studies
