## **Historia Política 1939 2000 Fundamentos:**

Enrique Moradiellos, 2017-12-18 On 20th November 1975 General Francisco Franco died in Madrid just before his 83rd birthday. At the time of his death he had been the head of a dictatorial regime with the title of Caudillo for almost 40 years. In this book Enrique Moradiellos redraws Franco in three dimensions: Franco the man, Franco the Caudillo, and Franco's Spain. In so doing he offers a reappraisal of Franco's personality, his leadership style, and the nature of the regime that he established and led until his death. As a dictator who established his power prior to World War II and maintained it well into the 1970s, Franco was one of the most central figures of twentieth-century European history. In Spain today he is a spectre from a regrettable recent past, uncomfortable yet still very real and significant. Although a relatively minor dictator in comparison with Mussolini, Hitler, or Stalin, Franco was more fortunate than them in terms of survival, long-lasting influence, and public image. A study of his regime and its historical evolution sheds new light on fundamental questions of European history, including the social and cultural bases for totalitarian or authoritarian challenges to democracy and sources of political legitimacy grounded in the charisma of a leader. In this book Enrique Moradiellos García examines the dictatorship as well as the dictator, and in doing so reveals new aspects to our understanding of General Franco, the Caudillo.

La prisión y las instituciones punitivas en la investigación histórica Pedro Oliver Olmo, Jesús Carlos Urda Lozano, 2014-09-23 La Historia Social de las Instituciones Punitivas está necesitada en España de encuentro y debate de confrontación y colaboración entre investigadores e investigadoras. Solo así lograr hacerse visible e inteligible como tendencia historiográfica y sobre todo como apuesta teórica metodológica porque de hecho ya es más que creíble como práctica historiográfica. Aquí en este libro junto a los logros también se perfilan las carencias y los retos más acuciantes. Lejos de buscar una autonomía extemporánea la Historia Social de las Instituciones Punitivas quiere buscar su propia viabilidad a base de intersecciones y buenas mezclas. Esos objetivos se planteaba el Grupo de Estudio sobre la Historia de la Prisión y las Instituciones Punitivas GEHPIP, un equipo interuniversitario y con sede en la Universidad de Castilla-La Mancha UCLM, al organizar lo que de forma homónima decidió titular I Congreso Internacional sobre Historia de la Prisión y las Instituciones Punitivas, celebrado en Ciudad Real entre el 10 y el 12 de abril de 2013. El libro electrónico que aquí se presenta es una buena muestra de lo que allí se comunicó y discutió. Social History of Punitive Institutions in Spain needs meetings and discussions, comparison and collaboration between researchers. Only then it will become visible and intelligible as a historiographical trend and above all as a theoretical methodological hope because in fact now it is more than conceivable as a historiographical practice. Here in this book are outlined along with the achievements, the shortcomings, and the most pressing challenges. Far from seeking an extemporaneous autonomy, Social History of Punitive Institutions wants to try to find its own feasibility based on intersections and good mixings. Those objectives were considered by the Study Group about History of Prison and Punitive Institutions, Grupo de Estudio sobre la Historia de la Prisión y las Instituciones Punitivas, GEHPIP, an interuniversity team and with central

office at Universidad de Castilla La Mancha UCLM when organising what it decided to name in an homonymous way 1st International Congress on History of Prison and Punitive Institutions I Congreso Internacional sobre Historia de la Prisi n y las Instituciones Punitivas held in Ciudad Real Spain from 10 to 12 April 2013 The electronic book here presented is a good example of what it was told and discussed there *Theatre Censorship in Spain, 1931*1985 Catherine O'Leary,Michael Thompson,2023-05-15 This is a comprehensive study of the impact of censorship on theatre in twentieth century Spain It draws on extensive archival evidence vivid personal testimonies and in depth analysis of legislation to document the different kinds of theatre censorship practised during the Second Republic 1931 6 the civil war 1936 9 the Franco dictatorship 1939 75 and the transition to democracy 1975 85 Changes in criteria administrative structures and personnel from these periods are traced in relation to wider political social and cultural developments and the responses of playwrights directors and companies are explored With a focus on censorship new light is cast on particular theatremakers and their work the conditions in which all kinds of theatre were produced the construction of genres and canons as well as on broader cultural history and changing ideological climate all of which are linked to reflections on the nature of censorship and the relationship between culture and the state **The Geography of Spain** Francisco J.
