Historical Dictionary Of The 1970s:

Historical Dictionary of the 1970s James S. Olson, 1999-11-30 The 1970s were difficult years for the United States a time when long held convictions were challenged and the nation experienced a collective identity crisis Women and minorities called into question the belief that freedom and equality are the birthright of all Americans The civil rights movements of the 1970s argued that American history is full of racism and violence against women and people of color Watergate and related scandals of the Nixon administration damaged the country's faith in politicians and the political system The Arab oil boycott the energy crisis the environmental movement and years of stagflation raised doubts about the future of the nation's economy and in the jungles of Vietnam many Americans began to doubt their ability to protect the world from Communism An encyclopedic overview of the era this book includes entries on the prominent people and significant events issues and controversies of the decade and entries on the film music and culture of the period A chronology provides a time line for the events of the 1970s

Historical Dictionary of the Carter Era Diane Kaufman, Scott Kaufman, 2013 James Earl Carter Jr better known as Jimmy Carter was not the greatest or most popular president of the United States but he did accomplish quite a lot in the fields of civil rights energy and foreign policy during his term from 1977 to 1981 However the economy fared badly and he lost face in his dealings with Iran So when he left after one term he was not greatly missed or so it seemed For after the presidency he made an amazing comeback as a diplomat and trouble shooter in international crises becoming an amazing ex president And even the earlier views of his presidency have been improving at least he did not get the country into a war This rather special trajectory is explained in the *Historical Dictionary of the Carter Era* with an obvious focus on his term as president His run for the presidency and what he did during his term in office is traced carefully by the chronology The introduction takes a longer view and also puts events in a broader context Then the dictionary section with hundreds of detailed and cross referenced entries tells us more about his policy in various fields but also how America changed culturally and socially during this period The extensive bibliography points toward further information although this book is certainly a good starting point and also a place to refresh one's memory

Historical Dictionary of Postmodernist Literature and Theater Fran Mason, 2016-12-12 The main aim of the book has been to include writers movements forms of writing and textual strategies critical ideas and texts that are significant in relation to postmodernist literature In addition important scholars journals and cultural processes have been included where these are felt to be relevant to an understanding of postmodernist writing This second edition of *Historical Dictionary of Postmodernist Literature and Theater* contains a chronology an introduction and an extensive bibliography The dictionary section has over 400 cross referenced entries on postmodernist writers the important postmodernist aesthetic practices significant texts produced throughout the history of postmodernist writing and important movements and ideas that have created a variety of literary approaches within the form This book is an excellent access point for students researchers and anyone wanting to know more about the

postmodernist literature and theater Historical Dictionary of Yemen Robert D. Burrowes, 2010 A small and extremely poor Islamic country Yemen is located on the edge of the Arab world in the southernmost corner of the Arabian Peninsula It was the product of the unification of the Yemen Arab Republic and the People's Democratic Republic of Yemen in May 1990 The location of the two Yemens on the world's busiest sea lane at the southern end of the Red Sea where Asia almost meets Africa gave them strategic significance from the start of the age of imperialism through the Cold War More vital today is the fact that Yemen shares a long border with oil rich Saudi Arabia and is a key to efforts both to spread and to end global revolutionary Islam and its use of terror The second edition of the Historical Dictionary of Yemen has been thoroughly updated and greatly expanded Through its list of acronyms and abbreviations a chronology an introductory essay a bibliography and over 800 cross referenced dictionary entries greater attention has been given to foreign affairs economic institutions and policies social issues religion and politics **Historical Dictionary of Horror Cinema** Peter Hutchings, 2017-11-22 Horror is one of the most enduring and controversial of all cinematic genres Horror films range from subtle and poetic to graphic and gory but what links them together is their ability to frighten disturb shock provoke delight irritate and amuse audiences Horror's capacity to take the form of our evolving fears and anxieties has ensured not only its notoriety but also its long term survival and international popularity This second edition has been comprehensively updated to capture all that is important and exciting about the horror genre as it exists today Its new entries feature the creative personalities who have developed innovative forms of horror and recent major films and cycles of films that ensure horror's continuing popularity and significance In addition many of the other entries have been expanded to include reference to the contemporary scene giving a clear picture of how horror cinema is constantly renewing and transforming itself The Historical Dictionary of Horror Cinema traces the development of the genre from its beginnings to the present This is done through a chronology an introductory essay a bibliography and hundreds of cross referenced dictionary entries The entries cover all major movie villains including Frankenstein and his monsters the vampire the werewolf the mummy the zombie the ghost and the serial killer film directors producers writers actors cinematographers make up artists special effects technicians and composers who have helped shape horror history significant production companies major films that are milestones in the development of the horror genre and different national traditions in horror cinema as well as popular themes formats conventions and cycles *Historical Dictionary of Jazz* John S. Davis, 2012-09-13 Jazz is a music formed from a combination of influences In its infancy jazz was a melting pot of military brass bands work songs and field hollers of the United States slaves during the 19th century European harmonies and forms and the rhythms of Africa and the Caribbean Later the blues and the influence of Spanish and French Creoles with European classical training nudged jazz further along in its development Jazz has always been a world music in the sense that music from around the globe has been embraced and incorporated The Historical Dictionary of Jazz covers the history of Jazz through a chronology an introductory essay and an

extensive bibliography The dictionary section has over 1 500 cross referenced entries on significant jazz performers band leaders bands venues record labels recordings and the different styles of jazz This book is an excellent access point for students researchers and anyone seeking a broader understanding of the history of jazz and the connections within the genre

Historical Dictionary of Yemen Charles Schmitz, Robert D. Burrowes, 2017-10-25 Yemen has experienced wrenching changes that have transformed the country in yet unknown ways The country exploded in a popular revolution against the long time rule of Ali Abdallah Saleh While the country appeared to slip toward civil war Yemeni political elite rallied with international backers to put together a transitional government with a plan to revise the country s constitution The transitional government began with a cautious sense of optimism and the prospect of substantial change for the better but ended in collapse because of a failure to govern The politics of the street overran an ineffective transitional government that could not address the urgent concerns of Yemeni citizens for security and jobs Instead populist leaders exploited people s dissatisfactions and threw the country into civil war The Houthi organization covertly allied with its former enemy Ali Abdallah Saleh to overthrow the transitional government and declare war on the rest of the country Saleh seems unable to conceive of life outside of the Presidential Palace and his Houthi allies appear to believe they are destined to rule Unfortunately those opposed to Saleh and the Houthi also seem unable to provide effective rule in spite of massive backing from the Gulf States The incompetence infighting and incoherence of the Hadi government bode equally ill for the future of the country The one hope may be that a new generation of Yemeni leaders emerges to displace the dismal failures of this one This third edition of Historical Dictionary of Yemen contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 1000 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Yemen

Reference Sources in History Ronald H. Fritze, Brian E. Coutts, Louis A. Vyhnanek, 2004-03-09 Fully annotated and completely updated the most comprehensive guide to reference books in the field of history Reference Sources in History catalogs atlases encyclopedias dictionaries handbooks sourcebooks bibliographies and chronologies and makes sense of it all Its broad scope and systematic organization make it an accessible reliable resource for experienced and inexperienced researchers alike Fully annotated and updated the new edition summarizes hundreds of reference works on every conceivable subject in history from ancient to modern from Afghanistan to Zimbabwe This edition also reflects the dramatic impact of the digital revolution on historical research by integrating a wide range of Internet and CD ROM sources Reference Sources in History is a time saving alternative to searching the reference stacks or getting lost in an online thicket of dubious historical websites

Historical Dictionary of Turkmenistan Rafis Abazov, 2005 Turkmenistan is known for its huge oil and gas resources as well as for the rich complex and captivating history of the Turkmen people For centuries they were known as skillful and courageous warriors who left deep marks in the histories of other countries such as India Russia Afghanistan Turkey Iran Iraq and Egypt As craftsmen they constructed extraordinary architectural monuments whose ruins can be found all over the country and famous Turkoman carpets are still highly valued in many parts of the world Yet for centuries foreign invaders and local tribal conflict plagued the land with wars that devastated the Turkmen society and destroyed its magnificent but fragile oases In the late 19th century the Turkmens witnessed the establishment of the Russian Empire in their lands In the years following these lands were united by the Soviet government into a single political entity in an attempt to force the Soviet style nation state building

and socio economic transformations In 1991 the Turkmen parliament voted for the country s independence and promised to build a sovereign state capable of bringing prosperity and social and political stability to the society The reality however proved to be more complex After more than 15 years of independence Turkmenistan still faces a number of difficulties including economic and structural issues security challenges growing competition between various clans and widespread poverty Historical Dictionary of Turkmenistan provides a concise overview of the historical development of Turkmenistan The introduction and chronology provide an overview of the Turkmen history focusing on the history of the country in the 20th century political and economic development ethnic policies and nation building This is the first comprehensive reference book on Turkmenistan published in English that provides comprehensive up to date details about the contemporary history economy and culture The dictionary consists of approximately 300 entries a

Historical Dictionary of British Cinema Alan Burton, Steve Chibnall, 2013-07-11 British cinema has been around from the very birth of motion pictures from black and white to color from talkies to sound and now 3D it has been making a major contribution to world cinema Many of its actors and directors have stayed at home but others ventured abroad like Charlie Chaplin and Alfred Hitchcock Today it is still going strong the only real competition to Hollywood turning out films which appeal not only to Brits just think of Bridget Jones while busily adding to franchises like James Bond and Harry Potter So this Historical Dictionary of British Cinema has a lot of ground to cover This it does with over 300 dictionary entries informing us about significant actors producers and directors outstanding films and serials organizations and studios different films genres from comedy to horror and memorable films among other things Two appendixes provide lists of award winners Meanwhile the chronology covers over a century of history These parts provide the details countless details while the introduction offers the big story And the extensive bibliography points toward other sources of information

Historical Dictionary of Tajikistan Kamoludin Abdullaev, 2018-08-10 Tajikistan is the poorest and only Persian speaking country among the post Soviet independent states Historically the Tajiks of Central Asia and Afghanistan along with the Persians of modern Iran came from a related ethnic group When the Tajik Autonomous Soviet Socialist Republic was established in late 1924 it became the first modern Tajik state that remained one of the 15

union republics of the Soviet Union until 1991 Almost immediately after the collapse of the USSR Tajikistan became a scene of brutal civil war taking place in one of the global hubs of religiously motivated political struggle militancy mass cross border refugee flows insurgency and drug trafficking During the first decade of the 21st century the country was making modest progress toward stability However the heavy burden of socio economic problems in addition to continuing conflict in the neighboring Afghanistan Pakistan presented even bigger challenges for Tajikistan In addition Western economic sanctions against Russia in 2014 coinciding with continuing lower oil prices have negatively affected one million of Tajik labor migrants in Russia Yet Tajikistan has become neither weaker nor less important as a player in world politics This third edition of Historical Dictionary of Tajikistan contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 800 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Tajikistan

Historical Dictionary of Lesotho John Aerni-Flessner, Charles Fogelman, Nthabiseng Mokoena-Mokhali, 2023-11-30 Lesotho's history has long been defined by its enclave status within South Africa but it is a hard fought and hard won status that helps unite Basotho through the shared history of struggle against colonial rule in the region Since the end of apartheid in 1994 Lesotho's status as a separate entity has been called into question though the fierce national pride built through centuries of resistance to outside rule has mitigated against any serious discussions of incorporating Lesotho into South Africa Still the political instability and lack of a flourishing domestic economy have made life difficult for the majority of Basotho and could call into question the viability and legitimacy of the state in the eyes of its citizens if it cannot enact significant reforms in the coming decades Historical Dictionary of Lesotho Third Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 500 cross referenced entries on important personalities as well as aspects of the country's politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Lesotho

Historical Dictionary of Science Fiction in Literature M. Keith Booker, 2014-10-01 The Historical Dictionary of Science Fiction in Literature is a useful reference to the broad and burgeoning field of science fiction literature Science fiction literature has gained immensely in critical respect and attention while maintaining a broad readership However despite the fact that it is a rapidly changing field contemporary science fiction literature also maintains a strong sense of its connections to science fiction of the past which makes a historical reference of this sort particularly valuable as a tool for understanding science fiction literature as it now exists and as it has evolved over the years The Historical Dictionary of Science Fiction in Literature covers the history of science fiction in literature through a chronology an introductory essay and an extensive bibliography The dictionary section has over 300 cross referenced entries including significant people themes critical issues and the most significant genres that have formed science fiction literature This book is an excellent access point for students
