Classical Utilitarianism, 1800-1865 Callum Barrell,2021-10-07 This first comprehensive account of the utilitarians historical thought intellectually resituates their conceptions of philosophy and politics at a time when the past acquired new significances as both a means and object of study Drawing on published and unpublished writings and set against the intellectual backdrops of Scottish philosophical history German and French historicism romanticism positivism and the rise of social science and scientific history Callum Barrell recovers the depth with which Jeremy Bentham James Mill George Grote and John Stuart Mill thought about history as a site of philosophy and politics He argues that the utilitarians contrary to their reputations as ahistorical and even antihistorical thinkers developed complex frameworks in which to learn from and negotiate the past inviting us to rethink the foundations of their ideas as well as their place in and relationship to nineteenth century philosophy and political thought Norton's Literary Gazette and Publishers' Circular ,1851 **DANIEL DEFOE**

The Oxford History of Classical Reception in English Literature Rita Copeland,2016-01-28 The Oxford History of Classical Reception in English Literature OHCREL is designed to offer a comprehensive investigation of the numerous and diverse ways in which literary texts of the classical world have stimulated responses and refashioning by English writers Covering the full range of English literature from the early Middle Ages to the present day OHCREL both synthesizes existing scholarship and presents cutting edge new research employing an international team of expert contributors for each of the five volumes OHCREL endeavours to interrogate rather than inertly reiterate conventional assumptions about literary periods the processes of canon formation and the relations between literary and non literary discourse It conceives of reception as a complex process of dialogic exchange and rather than offering large cultural generalizations it engages in close critical analysis of literary texts It explores in detail the ways in which English writers engagement with classical literature casts as much light on the classical originals as it does on the English writers own cultural context This first

Hardie, Jennifer Wallace, 2012 The present volume 3 is the first to appear of the five that will comprise The Oxford History of Classical Reception in English Literature henceforth OHCREL Each volume of OHCREL will have its own editor or team of editors Preface The Examiner, 1837 Digressions in Classical Historiography Mario Baumann, Vasileios Liotsakis, 2024-04-01 Although digressive discourse constitutes a key feature of Greco Roman historiography we possess no collective volume on the matter The chapters of this book fill this gap by offering an overall view of the use of digressions in Greco Roman historical prose from its beginning in the 5th century BCE up to the Imperial Era Ancient historiographers traditionally took as digressions the cases in which they interrupted their focused chronological narration Such cases include lengthy geographical descriptions prolepses or analepses and authorial comments Ancient historiographers rarely deign to interrupt their narration s main storyline with excursuses which are flagrantly disconnected from it Instead they often coat their digressions with distinctive patterns of their own thinking thus rendering them ideological and thematic milestones within an entire work Furthermore digressions may constitute pivotal points in the very structure of ancient historical narratives while ancient historians also use excursuses to establish a dialogue with their readers and to activate them in various ways All these aspects of digressions in Greco Roman historiography are studied in detail in the chapters of this volume *A Guide for the Study of British Caribbean History, 1763-1834*, 1932 The Spectator, 1838 A weekly review of politics literature theology and art **First Lines of the Theory and Practice of Philosophical Chemistry** John Berkenhout, 1788 *The history of the High school of Glasgow; containing the Historical account of the Grammar school, by J.
