Pätzmann, 2023-03-01 Founding a startup is a

challenging endeavor that works best in a well balanced team Different thinking styles are needed throughout the founding journey Archetypes are deeply engrained templates in the collective unconscious and can be used to reveal the hidden aspects of social interactions within teams This book employs an archetypal personality test to uncover the eight most significant team roles needed in a startup the leader the mentor the artist the friend the hero the femme fatale the rebel and the manager The artist for example always finds unconventional solutions the femme fatale attracts support for the idea and the hero is undaunted in the face of setbacks Archetypal roles can manifest in individuals or at the group level and they can and should change throughout the journey With the included personality test this book offers entrepreneurs investors and mentors alike a tool to improve the interpersonal processes in startup teams

Historical Dictionary of Kenya Robert M. Maxon, Thomas P. Ofcansky, 2014-09-09 Kenya has a long and complex history that began thousands of years ago Indeed some archaeologists contend that the country was the cradle of mankind or at the very least one of the places that was home to the earliest hominids In later centuries Kenya s strategic location astride the Indian Ocean and the East African littoral attracted numerous foreign peoples some of the most significant of which have been the Americans Arabs British Chinese French Germans and Portuguese Additionally Africans from throughout the subcontinent have settled in Kenya to escape conflict or political persecution while others wanted an opportunity to begin a new life As a result of being a gateway to the world the country traditionally has been one of the most important business cultural diplomatic and political centers in Africa Although it has maintained this reputation during the post independence period Kenya like most African countries has been plagued by an increasing array of complex economic political and social problems This third edition of Historical Dictionary of Kenya provides a starting point for those interested in any of the phases of Kenya s historical evolution This is done through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has 500 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about Kenya
