History of Namibia Marion Wallace,John Kinahan,2011 **Landscapes between Then and Now** Nicola Brandt,2020-09-08 In *Landscapes Between Then and Now* Nicola Brandt examines the increasingly compelling and diverse cross disciplinary work of photographers and artists made during the transition from apartheid to post apartheid and into the contemporary era By examining specific artworks made in South Africa Namibia and Angola Brandt sheds light on established and emerging themes related to aftermath landscapes embodied histories un belonging spirituality and memorialization She shows how landscape and identity are mutually constituted and profiles this process against the background of the legacy of the acutely racially divisive policies of the apartheid regime that are still reflected on the land As a signpost throughout the book Brandt draws on the work of the renowned South African photographer Santu Mofokeng and his critical thinking about landscape *Landscapes Between Then and Now* explores how practitioners who engage with identity and their physical environment as a social product might reveal something about the complex and fractured nature of postcolonial and contemporary societies Through diverse strategies and aesthetics they comment on inherent structures and epistemologies of power whilst also expressing new and radical forms of self determinism Brandt asks why these cross disciplinary works ranging from social documentary to experimental performance and embodied practices are critical now and what important possibilities for social and political reflection and engagement they suggest **Understanding**

A Glance at Our Africa Dag Henrichsen, 1997 **The Aftermath of the Cassinga Massacre** Vilho Shigwedha, 2017-04-03 It took the former South African Defence Force SADF less than four hours to kill more than eight hundred Namibian refugees at Cassinga on May 4 1978 Thousands of survivors were left with irreparable physical and emotional injuries The unhealed trauma of Cassinga a Namibian civilian camp in southern Angola before the massacre is beyond the worst that the victims of the attack experienced on the ground Unacceptable layers of pain and suffering continue to grow and multiply as the victims' grievances and other issues arising out of the aftermath of the massacre have been

ignored particularly following Namibia's political independence. In this book the afterlife of the victims' traumatic memories and their aspiration for justice vis-à-vis the perpetrators' enjoyment of blanket impunity from prosecution in spite of their ongoing denial of killing and maiming innocent civilians at Cassinga are explored with the aim to create public awareness about the unfortunate circumstances of the Cassinga victims. **Policing and Human Rights** Amanda Dissel, Cheryl Frank, 2012
