Women Novelists and the Ethics of Desire, 1684-1814 Elizabeth Kraft, 2016-12-05 In Women Novelists and the Ethics of Desire 1684 1814 Elizabeth Kraft radically alters our conventional views of early women novelists by taking seriously their representations of female desire To this end she reads the fiction of Aphra Behn Delarivier Manley Eliza Haywood Sarah Fielding Charlotte Smith Frances Burney and Elizabeth Inchbald in light of ethical paradigms drawn from biblical texts about women and desire Like their paradigmatic foremothers these early women novelists create female characters who demonstrate subjectivity and responsibility for the other even as they grapple with the exigencies imposed on them by circumstance and convention Kraft's study informed by ethical theorists such as Emmanuel Levinas and Luce Irigaray is remarkable in its juxtaposition of narratives from ancient and early modern times These pairings enable Kraft to demonstrate not only the centrality of female desire in eighteenth century culture and literature but its ethical importance as well

The Public's Open to Us All Laura Engel, 2020-10-27 The Public's Open to Us All Essays on Women and Performance in Eighteenth Century England considers the relationship between British women and various modes of performance in the long eighteenth century From the moment Charles II was restored to the English throne in 1660 the question of women's status in the public world became the focus of cultural attention both on and off the

The English Novel, 1700-1740 Robert Letellier, 2003-02-28 The English novel written between 1700 and 1740 remains a comparatively neglected area In addition to Daniel Defoe whose Robinson Crusoe and Moll Flanders are landmarks in the history of English fiction many other authors were at work These included such women as Penelope Aubin Jane Barker Mary Davys and Eliza Haywood who made a considerable contribution to widening the range of emotional responses in fiction These authors and many others continued writing in the genres inherited from the previous century such as criminal biographies the Utopian novel the science fictional voyage and the epistolary novel This annotated bibliography includes entries for these works and for critical materials pertinent to them The volume first seeks to establish the existing studies of the era along with anthologies It then provides entries for a wide ranging selection of works which cover fictional theoretical historical political and cultural topics to provide a comprehensive background to the unfolding and understanding of prose fiction in the early 18th century This is followed by an alphabetical listing of novels their editions and any critical material available on each The next section provides a chronological record of significant and enduring works of fiction composed or translated in this period The volume concludes with extensive indexes

Menials Kristina Booker, 2017-11-20 Menials argues that British writers of the long eighteenth century projected their era's economic and social anxieties onto domestic servants Confronting the emergence of controversial principles like self interest emulation and luxury writers from Eliza Haywood Daniel Defoe and Samuel Richardson to Mary Shelley Charles Dickens and William Thackeray used literary servants to critique what they saw as problematic economic and social practices A cultural history of economic ideology as well as a literary history of domestic service Menials traces the role of the domestic servant as a representation of the relationship between the master's ideal self and the cultural forces that threaten it

The Cambridge

History of English Literature, 1660-1780 John Richetti, 2005-01-06 The Cambridge History of English Literature 1660 1780 offers readers discussions of the entire range of literary expression from the Restoration to the end of the eighteenth century. In essays by thirty distinguished scholars recent historical perspectives and new critical approaches and methods are brought to bear on the classic authors and texts of the period. Forgotten or neglected authors and themes as well as new and emerging genres within the expanding marketplace for printed matter during the eighteenth century receive special attention and emphasis. The volume's guiding purpose is to examine the social and historical circumstances within which literary production and imaginative writing take place in the period and to evaluate the enduring verbal complexity and cultural insights they articulate so powerfully.

A Genealogy of the Gentleman Mary Beth Harris, 2024-03-15 A Genealogy of the Gentleman argues that eighteenth century women writers made key interventions in modern ideals of masculinity and authorship through narrative constructions of the gentleman in courtship novels. This codification of the gentleman allowed women authors to carve out a space for their literary authority not by overtly opposing their male critics and society's patriarchal structure but by rewriting the persona of the gentleman as a figure whose very desirability and hegemonic power were dependent on women's influence.

Fictions of Presence Rosalind Ballaster, 2020 An absorbing study of the contested embodiment of the idea of presence in the plays and novels of the eighteenth century.

4E Cognition and Eighteenth-Century Fiction Karin Kukkonen, 2019-01-16 Through study of female writers of the eighteenth century novel Kukkonen explores how literary texts draw on embodied experience and the lived reality of literature and reading. She approaches embodied style through the approach of 4E cognition which understands the mind as embodied, embedded, extended, and enactive in the environment. The work breaks new ground in showing the promise of 4E cognition for cognitive poetics and how the fiction writing develops diverse repertoires of embodied language for the history of the novel.

Silence and Articulation in the Poetry of Medbh McGuckian Maureen E. Ruprecht Fadem, 2019-12-03 Silence and Articulation in the Poetry of Medbh McGuckian is an innovative contribution to the scholarship on Belfast poet Medbh McGuckian. This book considers the entire oeuvre of this globally respected Irish woman writer, a member of the contemporary avant-garde with

now fifteen U S published volumes and numerous individual publications The author positions McGuckian s oeuvre as political and historical poetry and offers a provocative new assessment of its crafted silences This work argues that it is the muted character of McGuckian s poems a consequence of a defamiliarized language the overwhelming sway of the image and a profusion of intertextual quoting that constitutes their agency and force The silences are read as a response to the precarious positionality of poet and speaker at the site of disaster and the limits of articulacy In line with Rukeyser s notion of the life of poetry the life of McGuckian s silences is located Fadem argues in the poems production as revealed self reflexively and in their prolonged consumption This oeuvre operates as a formidable counter discourse by converting poetry s reception into a much protracted task that redistributes the temporal economy of poem and reader and disrupts the given structures of time place and the order of things

Sin's Multifaceted Aspects in Literary Texts Paola Partenza,2018-05-14 Within art society culture philosophy literature and many other spheres a constant issue being dealt with is that of sin Reevaluation of this concept has proceeded down varied stimulating paths in relation to the multidisciplinary appraisal although philosophical aesthetic and epistemic emphases commonly reflect issues present in literature In certain instances texts clearly refer to sin while in other it is more of an ambiguous and obscured notion Alongside the established understanding of sin discourse poetry and novels have responded to sin variously due to the blossoming of ideas French American and British literature s responses to the notion of sin will be investigated through the academic studies included in this volume

Thoughtless her best known work she remained widely read yet sneered at as a stupid infamous scribbling woman by the likes of Swift and Pope Betsy Thoughtless is the story of the slow metamorphosis of the heroine from thoughtless coquette to thoughtful wife Ironically the most decisive moment in this development may be when Betsy decides to leave her emotionally abusive and financially punishing husband it is only after experiencing independence that she returns to her marriage and to what becomes her husband's deathbed Betsy Thoughtless may be the first real novel of female development in English In this edition the text is accompanied by appendices including writings from the period that shed light on Haywood's life and work and on her relationship with contemporaries such as Henry Fielding
