*Love and Other Foreign Words* Erin McCahan, 2014-05-01 Equal parts comedy and coming of age this is a whip smart big hearted laugh out loud love story about sisters friends and what it means to love at all Can anyone be truly herself or truly in love in a language that s not her own Sixteen year old Josie lives her life in translation She speaks High School College Friends Boyfriends Break ups and even the language of Beautiful Girls But none of these is her native tongue the only people who speak that are her best friend Stu and her sister Kate So when Kate gets engaged to an epically insufferable guy how can Josie see it as anything but the mistake of a lifetime Kate is determined to bend Josie to her will for the wedding Josie is determined to break Kate and her fianc up As battles are waged over secrets and semantics Josie is forced to examine her feelings for the boyfriend who says he loves her the sister she loves but doesn t always like and the best friend who hasn t said a word at least not in a language Josie understands Josie s a rarity in teen literature a genuine original Lively characters and a satisfying plot foil reader expectations in the best possible way Kirkus Reviews [Love and Other Foreign Words](#) Erin McCahan, 2015-08 Can anyone be truly herself or truly in love in a language that s not her own Sixteen year old Josie knows a lot of languages she speaks High School College Friends Boyfriends Break ups and even the language of Beautiful Girls But none of these is her native tongue the only people who speak that are her best friend Stu and her sister Kate So when Kate gets engaged to an insufferable guy how can Josie see it as anything but the mistake of a lifetime As battles are waged over secrets and semantics Josie is forced to examine her feelings for the boy who says he loves her the sister she loves but doesn t always like and the best friend who hasn t said a word at least not in a language Josie understands A true blue lovable weirdo Josie is the type of character I really enjoy seeing authentically herself even when being herself gets her into trouble Hellogiggles **Love, Sex and Other Foreign Policy Goals** Jesse Armstrong, 2016-06-07 The debut novel from the creator of HBO s Succession premiering in Summer 2018 It s 1994 and war rages on in Yugoslavia Sarajevo is under siege and Bosnia s different ethnic groups are battling for control of the newly independent country Hundreds of miles away in a posh dining room in west London Andrew is in a similarly precarious situation the fine balancing act of breathing blinking and sipping champagne at the same time Penny who may be the love of his life is about to make the Great Announcement to her parents that she Andrew and a handful of other young idealists are headed to Bosnia to stop the war by performing peace plays from the back of their van But more important than peace does Penny like Andrew too Or does she like Simon who Andrew concedes is essentially me only better Will this trip across Europe finally bring them together or will Andrew die in a minefield And just how long will it take the gang to figure out that Andrew does not in fact speak Serbo Croat From one of England s most lauded comedy writers Love Sex and Other Foreign Policy Goals is a satiric absurd and laugh out loud romp about tenderhearted misguided dilettantes traveling through war torn Europe with nothing but a half written script to protect them [Sonnets to the Fairest Coelia and Three Letters](#) , 2023-05-02 The only actual collection of sonnets written by

William Shakespeare Percy Discover a collection of extraordinary sonnets that have been nearly invisible to scholars and students alike because they were misunderstood or deliberately suppressed by censors of the canon As the introduction explains one of its only preceding reprints was an 1818 edition that was prefaced by its editor as a poetic failure that was a typical example of the court style A close analysis of Coelia s poetic structure and linguistics proves this collection to be one of the best examples of metered and rhymed verse from the Renaissance The real reason for the cold critical reception that has ostracized Coelia becomes apparent in the synopsis of the content of the unified narrative these sonnets relate Coelia is a plea addressed to Elizabeth I for ending the Buggery Act that sentenced homosexuals to death Sonnet XI refers to a suicidal sacrifice and Percy was indeed risking his life when he put his own name in the byline of this poetic appeal Because he was writing under his own name Percy subverts some of this homosexual subject matter by instead referring to ugly or masculine features behind a feminine or cross dressing mask in Sonnet XIII Each sonnet explores a new philosophical dilemma with beautiful descriptions complex mythological allusions and tragically romantic appeals for love and sympathy Percy was the dominant ghostwriter of most of the Shakespeare bylined tragedies but he only wrote a few pieces out of the Shakespeare bylined multi ghostwriter collection called Sonnets 1609 thus readers have not really read a full collection of sonnets by Shakespeare the Tragedian until they explore Coelia Historians have long recognized that the revered Hippocratic Corpus is an accretion of the writings of many ghost writers and imitators The analysis of a similar process of accretion in the instance of the British Renaissance Corpus has brought to the fore contributors and ghostwriters here to fore largely unknown Such is the case with William Percy obscure poet of the 17th century At first glance the notion that careful analysis of this phenomenon may be assisted by artificial intelligence seems contrary to humanistic literary values But Anna Faktorovich has been a full and sensitive participant in the process and the result is not only her computational linguistics re attribution but also a sensitive accessible rendition of William Percy s twenty Sonnets to Coelia The poems are contextualized by exordia from multiple historical authors and perspicaciously by Anna Faktorovich herself Such contextual writings illuminate the central purpose of Percy s poetizing the Sonnets to Coelia are an apologia for alternative forms of human love more specifically an apologia for homosexual love It is therefore of considerable modern interest as an important milestone or millstone in the historical record of laws governing human sexuality Sonnets to Coelia is a plea to Elizabeth I to reverse the Buggery Act of 1533 which she instead reinstated The poems themselves exemplify the period They conform to the sonnet form with considerable consistency What makes them seem most archaic to the modern ear is their rhyme Commitment to rhyme over rides all other considerations it over rides rhythm it over rides accessibility and often renders locutions awkward Still a careful reading aided by the abundance of footnotes is rewarded by considerable amusement and insight Perhaps the greatest reward is received if the beholder s share that which the reader brings to the poem is the presupposition that Coelia is a rubric signifying all the manifold and various forms of human love Consider for example Sonnet 16 where a grain of

cruelty seems to be welcomed Then if I swear thy love does make me languish Thou turn away and smile scornfully And if I weep my tears thou despise In summary William Percy s Sonnets to Coelia are a fascinating read and receive my highest recommendation Midwest Book Review Lloyd Jacobs December 2021 Dr Anna Faktorovich s writing is not only erudite but also beautiful and simple Her persuasive and fascinating argument that William Percy was the main tragedian behind the William Shakespeare pseudonym is most convincing in her work Sonnets She projects more credibility than any trial lawyer LibraryThing Valerie Ogden past chairperson of the Mayor s Animal Advisory Committee for the City of Philadelphia and president of the Board of Directors for the Pennsylvania Society for the Prevention of Cruelty to Animals Exordium Text Terms References Questions Exercises Introduction to the 1824 Edition by Joseph Haslewood Commentary on Haslewood s Introduction The Title Page of William Percy s Transcripts William Percy 1567 1648 is the dominant tragedian behind the William Shakespeare pseudonym according to the computational linguistic study in The Re Attribution of the British Renaissance Corpus Percy was a younger son of the assassinated 8th Earl of Northumberland and the brother of the imprisoned in the Tower 9th Earl
