After all living is the greatest thing we'll ever do. Why not make an art of it. Emilie Loring. Emilie Loring lived through two World Wars a pandemic the Great Depression and deep personal loss with her optimism intact and thirty best selling novels to show for it. This is a woman's story in swiftly changing times for women a charming story with little known anecdotes about prominent authors and the story of a writer in the making with advice and encouragement for aspiring authors. I am personally grateful to Patti for filling out a dim long ago picture of my grandmother. Her skillful sensitive portrait brings Emilie alive for me and adds many new dimensions.
