Great Books as Life-teachers Newell Dwight Hillis,1899 *Honor Bound (Love and Honor Book #1)* Hallee Bridgeman,2022-09-06 Captain Rick Norton and his Army Special Forces are on a mission to subdue Chukuwereije a warlord terrorizing the villages in the jungles of Katangela Africa when their mission is interrupted to extract the daughter of America s vice president Dr Cynthia Myers has used her medical mission in a remote village in Katangela to escape a shallow life of unearned wealth a philandering fianc and a father now square in the public eye At least here she knows her work and life have meaning But all that is thrown into chaos when she fails to save the life of Chukuwereije s mortally wounded son and becomes a target for the warlord s revenge Rick is compelled to use deadly force to save Cynthia s life Enraged at the violence she witnessed and riddled with guilt that men died because of her Cynthia tries to hang on to her anger but an unexpected attraction is taking hold With two members of his team badly injured and rebels in hot pursuit Rick will have to draw upon all his strength and cunning to get her out alive because he s beginning to think they just might overcome their differences and be able to make a life together *The Life of an Amorous Woman* 〰〰〰,1963 Ihara Saikaku wrote of the lowest class in the Tokugawa world the townsmen who were rising in wealth and power but not in official status Back cover

Harding, His Presidency and Love Life Reappraised S. Joseph Krause,2013-12-11 The general opinion of Warren Harding is that he has been justly ranked as the Worst of our Presidents based largely on the corruption that was brought to light after his death The truth is however that he had no personal involvement in any of the scandals perpetrated by members of his Administration some of whom like Jess Smith an unofficial aid to the Attorney General engaged in notorious grafting that often netted six figure rewards Harding by contrast died a debtor Neither a lawyer or general Harding head of a rural Ohio newspaper was not considered an appropriate candidate for high office no less the Presidency But an awareness of shortcomings lead to his making a studious effort to overcome them successfully as recorded by leading reporters like William Allen White As spelled out in this book there is much to be said on the positive side of Hardings Presidency Due recognition is given to his accomplishments In his first year in office for example he convened a Disarmament Conference and got Congress to ratify the Four Nation Treaty to reduce naval armament He also created the Bureau of the Budget Early on a New York Times story was headlined Harding Assumes Real Leadership as Congress lags In contrast to his performance as President handsome Warren was beset by a sex addiction that lead to numerous infidelities the principal ones being with Carrie Phillips wife of a friend and Nan Britton a hometown admiring young lady 31 years his junior Nans memoir of an affair

which blossomed into love covered the last six years of Hardings life Though generally mentioned and equally suppressed its intimate content is herewith for the first time set forth in detail that reveals a crucial aspect of Hardings oft mentioned love life *Tried for Her Life* Emma Dorothy Eliza Nevitte Southworth,1888 **New Approaches in History and Theology to Same-Sex Love and Desire** Mark D. Chapman,Dominic Janes,2018-02-15 This book offers a range of interdisciplinary evaluations of the history of same sex relationships in the Church as they have been understood in different periods and contexts The relationships between diverse forms of religious and sexual identities have been widely contested in the media since the rise of the lesbian and gay liberation movement in the 1970s One of the key images that often appears in public debate is that of lesbians and gays in the Church as a significant problem Research over the past forty years or so into queer theology and the history of same sex desire has shown that such issues have played an important role in the story of Christianity over many centuries The contributors to this volume have all been inspired by the challenges of such revisionist study to explore religion and same sex desire as a field of opportunity for investigation and debate They uncover some of the hidden histories of the Church and its theologies they tell sometimes unexpected stories many of which invite serious further study It is quite clear through history that some in the churches have been at the vanguard of legislative and social change Similarly some churches have offered safe queer spaces Overall these essays offer new interpretations and original research into the history of sexuality that helps inform the contemporary debate in the churches as well as in the academy
