Love From The Big Screen To My Life Scene:

Chapters of My Life R. Michelle, 2010-03-11 *Chapters of My Life* is a poetic expression of the many phases of life through which the author R Michelle has traveled Often referring to herself metaphorically as a butterfly with the stroke of a pen she has captured the realities as well as the fantasies of transformation from the youthful larva through the restrictive cocoon into a brilliant colorful free creature The words will drive you into a state of mesmerization Come and observe the metamorphosis of one of God's wonderful exhilarating creations There is certain to be a word for you Each piece is without question an original however they are not those of the author All come from the benefactor the source Through this transformation R Michelle has learned that she is the essence of the source It is not one purchased nor one acquired through classroom lessons that is unless you consider living in this world to be the philosophical classroom My gift is to encourage motivate remind initiate whatever it is that someone else has momentarily lost sight of My gift is to bless others This is my gift Through my gift it is my prayer that you will utilize your gift for its purpose Indulge yourself in the gift but as you partake do not neglect to get only your portion You see the gift in its entirety is not for any one There may be only one line for you It may be two or three poems Or there may be an entire section or chapter for you In My gift you will find nourishment created specifically for you if you read with the Spirit not your mind
