A shade of Shakespeare (A book of Sonnets) RON S KING,2012-10-14 I have entitled this book of some 300 Sonnets A SHADE OF SHAKESPEARE This stems from my admiration for the Bard and his works If it's said that I have tried to imitate his style then of course I have It is soon noticed that while each sonnet does have three quatrains and an ending couplet while each line has ten syllables to each I do not borrow the need of any iambic pentameters In this light I would call my sonnets Contemporary Sonnets This work covers the three small books of 100 sonnets in each which are already out there in public domain I trust that you read and enjoy this book and find it a delicate company during an evening's read Ron S King
