Doctor Love Pankaj Gupta, 2020-07-07 I wish there could be no problem in love I wish there would be no broken hearts I wish all the love stories would have happy ending I wish no one would die or kill on the name of love I wish there would be a Doctor Love to help people if at all there are problems due to broken love affairs or sad end of love stories I had imagined this situation and then I had tried to understand the possible problems arising out of love affairs Further I tried to analyze the cause of break ups and arrive on some conclusions based on the experiences and experiments Thus I have created the character of Doctor Love who is trying to help people to handle the break ups and patch up with their beloved ones if at all that is destined to happen in this universe This book is dedicated to all those who broke their hearts in love and looked for a shoulder to cry upon in any stage of life It is also dedicated to those who offered their shoulder to support them This book is not a love story but it s a story of love i e about break ups and attempted patch ups of love relationship It s a story of broken hearts who had to live a lonely life after breaking up in their love relationship due to individual reasons As per Doctor Love there is a theory of initial resistance and followed by law of acceptance Our human psychology is such that we resist to new things initially but when we observe it for over a period then it becomes part of our routine and we accept it usually Aryan running in his 25th years of life an average looking middle class guy claimed to fall in love with his office colleague and had broken up girl s heart due to his self centered egoistic nature Mayank is a bit handsome and rich guy in his 21st year of life a final year college student He had lost connection with his girlfriend when she had moved to another city Then there is a girl Guddi who happened to assist Doctor Love in his case studies She is a beautiful girl of dominating nature running in her 26th

year but still single as she couldn't accept a guy's proposal due to her own insecurities and living a lonely life now Doctor Love a bit of handsome looking man in his early 40s who gained experiences in life but never got married which instigated him to conduct deep research on love and relationships At one stage in life he had thought to help people to handle breakups and attempt to reconnect them with their loved ones and initiated his innovative project of Love Clinic These two boys Aryan and Mayank happened to visit Doctor Love's clinic and consult him to rebuild their love relationship They had got their respective advice to handle and patch up their relationship In the process of discussion with Doctor Love Guddi happened to disclose her insecurities to him if she can also find a way out to restart her love life What happened when Doctor Love visited Guddi's hostel to help her and there he happened to meet the beautiful lady warden of the girl's hostel What happened to Aryan Was he able to patch up What happened to Mayank did he get back his love Well let's peep into Doctor Love's clinic and discover further
