Life Reimagined Barbara Bradley Hagerty, 2017-03-14 Barbara Bradley Hagerty is a wise and engaging guide through the possibilities of middle age Daniel H Pink author of To Sell Is Human and Drive A dynamic and inspiring exploration of the new science that is redrawing the future for people in their forties fifties and sixties for the better and for good There s no such thing as an inevitable midlife crisis Barbara Bradley Hagerty writes in this provocative hopeful book It s a myth an illusion New scientific research explodes the fable that midlife is a time when things start to go downhill for everybody In fact midlife can be a great new adventure when you can embrace fresh possibilities purposes and pleasures In Life Reimagined Hagerty explains that midlife is about renewal It s the time to renegotiate your purpose refocus your relationships and transform the way you think about the world and yourself Drawing from emerging information in neurology psychology biology genetics and sociology as well as her own story of midlife transformation Hagerty redraws the map for people in midlife and plots a new course forward in understanding our health our relationships even our futures

Cooperative Co-Parenting for Secure Kids Aurisha Smolarski, 2024-01-02 Most parents want their child to feel safe loved and confident that their needs will be met but this can be difficult when you re sharing custody with an ex The Attachment Theory Guide to Co Parenting offers proven effective skills to help readers build a solid secure foundation for

their child with or without their ex's cooperation

Come As You Are: Revised and Updated Emily Nagoski, 2021-03-02 A revised and updated edition of Emily Nagoski's game-changing New York Times bestseller *Come As You Are* featuring new information and research on mindfulness, desire, and pleasure that will radically transform your sex life. For much of the 20th and 21st centuries, women's sexuality was an uncharted territory in science, studied far less frequently and far less seriously than its male counterpart. That is until Emily Nagoski's *Come As You Are*, which used groundbreaking science and research to prove that the most important factor in creating and sustaining a sex life filled with confidence and joy is not what the parts are or how they're organized, but how you feel about them. In the years since the book's initial publication, countless women have learned through Nagoski's accessible and informative guide that things like stress, mood, trust, and body image are not peripheral factors in a woman's sexual wellbeing; they are central to it, and that even if you don't always feel like it, you are already sexually whole by just being yourself. This revised and updated edition continues that mission with new information and advanced research, demystifying and decoding the science of sex so that everyone can create a better sex life and discover more pleasure than you ever thought possible.

Counseling for Peripartum Depression Isabel A.

Thompson, Vanessa Beatriz Teixeira, Eric S. Thompson, 2023-10-27 *Counseling for Peripartum Depression* provides counselors and other mental health professionals with a comprehensive understanding of peripartum depression (PPD) and related disorders during pregnancy and after birth. The book offers diagnostic criteria and screening tools that clinicians can use in session and focuses on holistic wellness as well as current research on the etiology and risk factors for PPD. In particular, the simple and practical STRENGTHS model can help clinicians address various social and cultural factors related to the experience of pregnancy, giving birth, taking care of children, becoming parents, and the stigma associated with maternal mental health conditions. Using case studies and stories of women who have experienced PPD, chapters explore the individual, societal, and cultural factors associated with the development of PPD, and they also present clinicians with best practices and suggestions for preventative efforts and complementary approaches to treatment.

It Takes One to Tango Winifred M. Reilly, 2017-04-04 With a focus on self-empowerment and resilience, this refreshing and witty relationship guide has a reassuring counterintuitive message for unhappy spouses: you only need one partner to initiate far-reaching positive change in a marriage. Conventional wisdom says that it takes two to turn a troubled marriage around and that both partners must have a shared commitment to change. So when couples can't agree on how or whether to make their marriage better, many give up or settle for a less-than-satisfying marriage or think the only way out is divorce. Fortunately, there is an alternative. *It Takes One to Tango* is a groundbreaking guide that shows how one determined partner acting alone can spark lasting, significant change in a marriage, often accomplishing change that cannot be made any other way. It doesn't matter how short-fused, argumentative, or seemingly impossible your partner can be or how long you've been stuck. Marriage and family therapist Winifred Reilly has this message for struggling partners: Take the lead. Doing so is effective and powerful. Through

Reilly's own story of reclaiming her now nearly forty year marriage along with anecdotes from many clients she's worked with you'll learn how to focus on your own behaviors and change them in ways that make you feel good about yourself and your marriage. Take a firm stand for what truly matters to you without arguing, cajoling or resorting to threats. Identify the big picture issues at the basis of your repetitive fights and learn how to unhook from them. Be less reactive especially in the face of your spouse's provocations. Develop the strength and stamina to be the sole agent of change. Combining psychological theory, practical advice and personal narrative, *It Takes One to Tango* is a fresh and engaging guide that will empower those who choose to take a bold proactive approach to creating a loving and lasting marriage. **Being the Right Partner**

William C. Shearer, Robin L. Shearer, 2022-11-30 This book is about you and how you can be masterful in your most important relationship. It's about having greatly increased self-awareness and self-management leading to emotionally intelligent choices. It's becoming far better as a relationship partner than you ever thought possible. It's about being mindful of what's happening between you and your partner in this moment, able to create a mindful pause between something that triggers an emotional reaction and your usual habitual response. It's conscious and intentional relating instead of knee-jerk automatic reacting. This is a book about a systematic, holistic and action-oriented process of choosing and creating mindful relating. It's a guidebook outlining a process of regularly assessing your relational mastery across ten Mindful Choices dimensions, focusing your attention, sustaining a high level of motivation and creating lasting positive changes through ongoing intention, awareness, focus and practice. It's not just another self-help book but rather a complete how-to manual for relational excellence. This book is not about finding the right partner or fixing your partner. It's about being the right partner, bringing your very best self to the relationship. **Techniques for the Couple Therapist**

Gerald R. Weeks, Stephen T. Fife, Colleen M. Peterson, 2016-03-22 *Techniques for the Couple Therapist* features many of the most prominent psychotherapists today presenting their most effective couple therapy interventions. This book provides clinicians with a user-friendly quick reference with an array of techniques that can be quickly read and immediately used in session. The book includes over 50 chapters by experts in the field on the fundamental principles and techniques for effective couple therapy. Many of the techniques focus on common couple therapy processes such as enactments, communication and reframing. Others focus on specific presenting problems such as trauma, sexual issues, infidelity, intimate partner violence and high conflict. Students, beginning therapists and seasoned clinicians will find this pragmatic resource invaluable in their work with couples. **Why**

Dialogue Does Cure Jaakko Seikkula, 2025-05-21 This book presents the core elements of Open Dialogue, an innovative system of mental health care initially developed in Western Lapland, Finland, and spread into about 40 countries, and explains why dialogic practice can be so effective in the treatment of difficult mental health crises. As Dr Seikkula explains in this book, Open Dialogue is both a way of organizing psychiatric care and a form of dialogic psychotherapy. The basic idea behind Open Dialogue is that discussions with the client, seeking help, their family and other social networks are open to all. Nothing about

the client's care is discussed without his or her presence. In addition, the basic idea of Open Dialogue is that clinicians work together as a team participating in all the therapy meetings where the problems that led to the client's need for help are discussed. Over the last couple of decades, the distance between the humanistic dialogical approach and conventional treatment has only increased. So the aim of this book is to shorten this distance by describing in a concise way why dialogic practice can be so effective to treat challenging mental health conditions such as psychosis. Dr Seikkula explains why in dialogic practice it is possible to achieve a recovery that cannot be imagined in conventional psychiatry. In other words, why dialogue does cure. **Why Dialogue Does Cure: Explaining What Makes Dialogue Unprecedentedly Effective in Difficult Crises** will be a mandatory reference for clinical psychologists, psychiatrists, psychotherapists, occupational therapists, mental health nurses, social workers, and all mental health professionals interested in learning about the nuts and bolts of the Open Dialogue approach and adopting a system of care that does not focus on eliminating the symptoms of the one in need for help but on meeting the full human.

Neurobiology and Mental Health Clinical Practice Dennis Miehls, Jeffrey Applegate, 2017-10-02. This book illustrates the current findings of interpersonal neurobiology that inform knowledge building and clinical practice. Contributions cover an impressive range of material including how neurobiology interfaces with clinical work with children, individuals with substance abuse issues, couples, and clients with trauma histories. Leading mental health clinician scholars describe path-breaking explorations at the neurobiological frontiers of 21st century clinical theory and practice. Representing the fields of social work, psychology, and psychiatry, these authors creatively apply research findings from the ongoing revolution in social and behaviour neuroscience to a diverse array of clinical issues. Contributions include elaborations of theory, the evolving social brain, new directions in attachment, affect regulation, and trauma studies; practice neurobiologically informed work with children, adults, couples, and in the conduct of supervision; and emerging neuroscientific perspectives on broader mental health issues and concerns: substance abuse, psychotropic medications, secondary traumatic stress in clinicians, the neurodynamics of racial prejudice, the dangers of forfeiting humanism to our current romance with the biological. Together, these chapters equip readers with state-of-the-art knowledge of the manner in which new understandings of the brain inform and shape today's professional efforts to heal the troubled mind. This book was originally published as a special issue of *Smith College Studies in Social Work*.

Sacred Stress George R. Faller, MS, LMFT, The Rev. Dr. Heather Wright, 2016-04-20. Learn how to understand and use your stress for positive change. With up-to-date analysis, real-life examples, and spiritual practices, this book explores the effects of stress and ways to honor its symptoms. Rather than be limited by a perspective of distress, you can use stress as a catalyst for growth in all areas of life.

Fights You'll Have After Having A Baby Mollie Player, 2022-01-07. After Rachel and Matthew had their first child, they had a couple of fights. Well, okay, more than a couple; they fought for over three years. They fought about schedules. They fought about bad habits. They even fought about the lawn mower. And besides actually having their child, it was the best thing that could've happened.

Chronicling their greatest hits from the Great Birth Control Debate to the Divorce Joke Showdown Fights You ll Have After Having a Baby is a post partem story with hope It offers true stories from the field nitty gritty advice and most importantly a nuanced understanding of what it takes to be married with children

Stepping into Emotionally Focused Therapy

Lorrie L. Brubacher, 2024-09-30 This accessible practical and thoroughly updated second edition introduces and presents how emotionally focused therapy can be used effectively across all three modalities couple family and individual therapy with clients from a diversity of backgrounds Responding to critical updates in the field this second edition once again follows Emily an EFT therapist to demonstrate how EFT can be used in practice With updated references research and terminology throughout this new edition reflects recent theoretical and practical updates by refocusing the model toward therapist interventions such as the EFT Tango rather than the client change events making it more accessible for readers to learn It addresses the current need to integrate explicit socio cultural sensitivity into EFT by including diverse case studies explicit discussion of how the model can be applied with a diversity of clients and how EFT therapists can integrate cultural sensitivity and attunement across multiple and diverse identities such as race gender sexual orientation disabilities neurotypicality class and religion It can also be used alongside a practical new workbook Workouts for Stepping into Emotionally Focused Therapy providing therapists with all the tools needed to confidently integrate this approach into their practice This book is an essential read for all marriage and family therapists in practice and in training as well as counselors who are looking to use EFT with couples families and individuals
