day by a character who will change Ollin's perspective on things. Juan Huitze, a shaman, will serve as the protagonist's mentor, introducing him to a mystical and spiritual world. The story will feature physical and spiritual confrontations between gargoyles, angels, and other mythological beings in our reality. Ollin will search for the tomb of Fray Juan de Zumarraga. He will meet Tezcatlipoca in the ruins of the Templo Mayor under the Cathedral of Mexico City, as well as Quetzalcoatl in Teotihuacan. Then he will visit the tomb of Pacal in Palenque and finally arrive at Chichen Itz. There he will descend to the Underworld or Xibalb with the twins Junajp and Xbalanqu. The court of B'ath and his cursed angels are preparing for the arrival of a hybrid being, half angel and half human. This being aims to take over the energy and consciousness of humanity, submerging them in darkness for all eternity. Ollin's task is to help humanity transcend to a multidimensional level where the Mayan phrase *In Lak Ech Hala Ken* takes on its full meaning: I am you, you are me. During a galactic alignment, it is the appropriate time for the sacrifice to take place. The cycle must come to a close as time is ending. This cycle represents The Path to the Omega Point, where everything and everyone will become one with the universal consciousness.
