Low Light Field Guide Low Light:

The Low Light Photography Field Guide Michael Freeman, 2014-04-29 In bright light it is easier to take a beautiful photograph with your DSLR. When the sun starts to go down or you are shooting indoors a whole new skill set is needed. This new addition to the successful Field Guide Series will help you shoot what potentially could be the most lovely image without the help of natural light. No more harsh flash photographs with dreary backgrounds and no more blurry night shots that were exposed too long. Opening with a section on the qualities of different kinds of low light the book then deals with ways of overcoming gloomy situations whether you are shooting hand held or on a tripod. Post production fixes are also covered allowing you to turn difficult shots into real works of art.

The Low Light Photography Field Guide Michael Freeman, 2011-11-07 Like all the titles in this successful series *The Low Light Photography Field Guide* offers advice from a respected expert and professional. In this volume Michael Freeman looks at an area that remains problematic for photographers with even top of the range equipment: low light. Opening with a section on the qualities of different kinds of low light the book then deals with ways of overcoming gloomy situations whether you are shooting hand held or on a tripod. Post production fixes are also covered allowing the reader to turn difficult shots into amazing images.
