Secret Identity Carolyn Keene, 2008-12-16 Everyone knows about the online group BetterLife But what starts out as a fun virtual reality site turns into a living nightmare for Bess s twelve year old sister and her friends when one of them becomes a target of cyberbullying I create my own BetterLife profile to investigate how the program works and find out who could be targeting the girl and why But nothing online is what it seems everyone is hiding behind their virtual identities It s almost impossible to track down who is behind anything Is this a simple case of middle school girls being mean to each other or could it be something scarier It s up to my friends and me to do some cyberdigging and unmask the secret identities of the BetterLife bullies

Santa Fe Heat Gloria H. Giroux,2021-05-17 The 1980s were a miasma of new thoughts fashions music and ideas and for many people a respite from the turbulent 70s The city of Santa Fe is bursting with the new veneer Even so there are dark clouds roiling over the city and its inhabitants stoking fires that will consume the innocent as well as the guilty The next generation of the Grayhawk clan and their close relatives and friends has begun to make its mark many choosing the professions of their parents or friends Although their development is generally positive the plague of the decade has infiltrated their lives and changed the course of many Besides the personal impacts of life the clan finds themselves battling evil on two fronts One antagonist is executing vengeance on people who have wrought inhuman savagery on the world seeking true eye for an eye justice The other seeks a much more personal vengeance directed at Memphis Grayhawk and his family and lurks in the background until the time is ready to strike The passion and determination of all factions heats up until it bursts into a roaring conflagration Will it consume only the unremorseful perpetrators or will the flames of hatred burn everything in sight leaving only ash and destruction

Hartford Wicked Gloria H. Bloody Good Georgia Evans,2009-06-02 In the first of a supernatural trilogy one Dr Alice Doyle finds that the power

to fight evil comes from places she'd never believe. While the sounds of battle echo through the sky, a lady doctor has more than enough trouble to keep her busy even in a sleepy hamlet outside London. But the threat is nearer home than Alice knows. German agents have infiltrated her beloved countryside. Nazis who can fly, read minds and live forever. They're not just fascists. They're vampires. Alice has no time for fantasy, but when the corpses start appearing, sucked dry, she'll have to accept help where she can get it. If that includes a lowly Conscientious Objector who says he's no coward though he refuses to fight, and her very own grandmother, a sane sensible woman who insists that she's a Devonshire Pixie, so be it. Indeed, whatever it takes to defend home and country from an evil both ancient and terrifyingly modern.

Gloria Swanson Stephen Michael Shearer, 2013-08-27 Gloria Swanson defined what it meant to be a movie star, but her unforgettable role in *Sunset Boulevard* overshadowed the true story of her life. Now Stephen Michael Shearer sets the record straight in the first in-depth biography of the film legend. Swanson was Hollywood's first successful glamour queen. Her stardom as an actress in the mid 1920s earned her millions of fans and millions of dollars. Realizing her box office value early in her career, she took control of her life. Soon she was not only producing her own films, she was choosing her scripts, selecting her leading men, casting her projects, creating her own fashions, guiding her publicity, and living an extravagant and sometimes extraordinary celebrity lifestyle. She also collected a long line of lovers, including Joseph P. Kennedy, and married men of her choosing, including a French marquis, thus becoming America's first member of nobility. As a devoted and loving mother, she managed a quiet success of raising three children. Perhaps most important, as a keen businesswoman, she also was able to extend her career more than sixty years. Her astounding comeback as Norma Desmond in Billy Wilder's *Sunset Boulevard* catapulted her back into the limelight. But it also created her long misunderstood persona, one that this meticulous biography shows was only part of this independent and unparalleled woman.

Bloody Right Georgia Evans, 2009-08-04 It will take all of Brytewood's Others to save their village from destruction in the climax of a Georgia Evans supernatural trilogy. Gryffyth Pendragon has done his bit for the war effort when he comes back to sleepy Brytewood from the battlefield at Trondheim. It cost him a leg and his chance to use his dragon's strength against the Nazis, or so he thinks. Until he finds out that his little village is facing a plague of vampire spies set on delivering it to the Third Reich. They've come up with a plan that if they can pull it off, might break all of Britain's will to fight. But there are more allies for Gryffyth in Brytewood than he'd ever imagined, and while a doctor, a nurse, a schoolteacher, and a couple of sexagenarians doesn't sound like much of a battle force to him, there's more to his cohorts than meets the eye. Against ancient and impossibly powerful agents of evil, they will need every man, woman, and dragon shifter they can get.
