Glorious Christianity Studies In The Of Acts:

Lloyd-Jones on the Christian Life (Foreword by Sinclair B. Ferguson) Jason C. Meyer, 2018-04-16 Called a physician of the soul Martyn Lloyd Jones is widely regarded as one of the most powerful preachers of the twentieth century Originally trained as a medical doctor he changed careers after recognizing the depth of healing the gospel can bring to the soul of a sinner With a unique ability to winsomely capture the minds and hearts of his listeners Lloyd Jones crafted sermons that continue to have a tremendous impact on the world today almost forty years after his death In this book pastor Jason Meyer summarizes what Lloyd Jones taught about the Christian life what he saw as the dangers of separating doctrine from life and how he modeled devotion to the knowledge of God Lloyd Jones s passion for the glory of God in his own life will encourage Christians to hunger to experience God in the same way Setting Our Affections Upon Glory Martyn Lloyd-Jones, 2013 In this compilation of previously unpublished sermons well known pastor Martyn Lloyd Jones powerfully exhorts Christians to focus their affections on the God of the Bible addressing issues such as prayer the church and evangelism The Comprehensive Commentary on the Holy Bible: Acts-Revelation William Jenks, 1839 *Acts-Revelation* William Jenks, 1859 A Shadow of Glory Tod Linafelt, 2002-10-04 The writers of the New Testament were largely Jewish and laying the blame for the Holocaust at their feet would be absurd However the later cultural origins of anti semitism means that reading the New Testament after the event calls for a new ethics of interpretation These essays address this grave issue in detail The Ashgate Research Companion to Theological Anthropology Joshua R. Farris, Charles Taliaferro, 2016-03-09 In recent scholarship there is an emerging interest in the integration of philosophy and theology Philosophers and theologians address the relationship between body and soul and its implications for theological anthropology In so doing philosopher theologians interact with cognitive science biological evolution psychology and sociology Reflecting these exciting new developments The Ashgate Research Companion to Theological Anthropology is a resource for philosophers and theologians students and scholars interested in the constructive critical exploration of a theology of human persons Throughout this collection of newly authored contributions key themes are addressed human agency and grace the soul sin and salvation Christology glory feminism the theology of human nature and other major themes in theological anthropology in historic as well as contemporary contexts **Ford's Christian Repository** , 1880 Seeing the Lord's Glory Christopher Barina Kaiser, 2014-04-01 The dilemma of early Christology Kaiser observes is found in the early Christian claims to have seen the Lord and beheld his glory expressions that in early Judaism would have pointed unequivocally to visions of Israel s God The shift of those claims onto the figure of Jesus is usually explained either as a result of the resurrection of Jesus presumed as a historical event or on the influence of pagan polytheism Kaiser examines the phenomenon of kyriocentric visions in Second Temple Judaism asking whether such traditions are sufficient to account for the shape of early claims regarding the divinity of Christ **Christian Iconography: The history of the nimbus, the**

aureole, and the glory. Representations of the persons of the Trinity Adolphe Napoléon Didron,1886 *The Glory of the Spirit in Gregory of Nyssa's Adversus Macedonianos* Piet Hein Hupsch,2020-08-03 In his commentary on Gregory of Nyssa's *Adversus Macedonianos* Piet Hein Hupsch highlights the carefully composed structure of this work and the important connection between its theological rhetorical and stylistic elements In his capacity of arbiter fidei which was bestowed upon him by the Council of Constantinople in 381 Bishop Gregory wrote this circular letter in the form of a counteraccusation against the Pneumatomachi developing his Trinitarian theology of adoration in which the Spirit occupies a central role In a systematic theological synthesis of this work Hupsch shows how the Spirit draws baptised human beings and human language into the relation of the three divine persons the dynamic circle of divine glory of which the Spirit is the personification For the Glory of God Richard H. Jones,2012-06-07 *For the Glory of God* addresses key questions regarding the connection between religion and science Richard H Jones investigates whether ideas from the Bible and Christian theology have played a significant role in the development of modern scientific theories If so has the role always been positive or negative In this regard does religion have the epistemic right to control science or to offer an alternative Christian science to mainstream science Is creationism or intelligent design a science on the same footing with neo Darwinism Is the integrity of science today in danger of religious control In this volume Jones provides an illuminating history of the role of Christian ideas in the physical and biological sciences from the Middle Ages to today He reveals the failure of the popular war and harmony models for the relation of religion and science and shows that a control model does work to explain the complex history of religion and science **The Thiselton Companion to Christian Theology** Anthony C. Thiselton,2015-02-06 Covering everything from Abba to Zwingli *The Thiselton Companion to Christian Theology* offers a comprehensive account of a wide sweep of topics and thinkers in Christian theology Written entirely by eminent scholar Anthony Thiselton the book features a coherence lacking in most multiauthored volumes Drawing on his encyclopedic knowledge gained from fifty plus years of study and teaching Thiselton provides some six hundred articles on various aspects of theology throughout the centuries The entries comprise both short descriptive surveys and longer essays of original assessment on central theological topics such as atonement Christology God and Holy Spirit and on such theologians as Aquinas Augustine Barth Calvin Kng Luther Moltmann and Pannenberg The book also includes a helpful time chart dating all of the theologians discussed and highlighting key events in Christian history select reading suggestions conclude each of the longer entries Equally valuable for research and teaching *The Thiselton Companion to Christian Theology* will be a go to reference for pastors students teachers and theologians everywhere I. Glory-Christology Carey C. Newman, 2014-04-09 In 1927 C A A Scott while commenting on the apostle Paul's Christology remarked that the history of the word Glory in the Bible has yet to be written By using methodology developed in semantics semiotics and more generally literary theory Newman examines the origin and rhetoric of Paul's Glory Christology The investigation involves three distinct tasks 1 to plot the tradition history of Glory which formed part of Paul's linguistic world 2 to examine Paul's letter in light of the reconstructed tradition history of Glory in order to discern the rationale of Paul's identification of Christ as Glory and 3 to map out the implications of such an identification for Paul's theological and rhetorical strategy On the basis of this study four conclusions are reached for understanding Paul First Paul inherited a symbolic universe with signs already full of signification Second knowing the diachronically acquired connotative range of a surface symbol e g Glory aids in discerning Paul's precise contingent strategy Third knowing the surface symbol's referential power defines and contributes to the deeper structure of Paul's theological grammar Finally the heuristic power within the construals of the Glory tradition coalesce in Paul's Christophany and thus provide coherence at the deepest level of Paul's Christology

Letters concerning the Religion essential to Man; as it is distinct from what is merely an accession to it. By the author of The World Unmask'd Marie Huber Translated from the French LETTRES., 1761 **The Christian Philosopher** Thomas Dick, 1844 **The Congregationalist and Christian World**, 1904 **The Glory of God in the Face of Jesus Christ** David K. Bernard, 2019-05-21 There is now a substantial scholarly consensus for the emergence of a high or divine Christology very early and from a Jewish context but the questions of how and why need further study Within the framework of traditional Jewish monotheism Paul and other early Christians used the language of deity to describe Jesus To investigate their view of Jesus the author examines Paul's discourse in 2 Cor 3 16 4 6 employing insights from rhetorical criticism and Oneness Pentecostal Christology He explains how early Christians proclaimed the deity of Jesus within their monotheistic Jewish context He then identifies socio rhetorical reasons for and practical consequences of the monotheistic deification of Jesus
