among other matters Doubting Thomas begins with a close reading of chapter 20 of the Gospel of John set against the conclusions of the other Gospels and ends with a detailed analysis of the painting of this subject by Caravaggio setting it within the pictorial traditions of late antiquity the Middle Ages and the Renaissance Along the way Most considers narrative reactions to John s account by storytellers of various religious persuasions and Christian theologians interpretations of John 20 from the second century ad until the Counter Reformation His work shows how Thomas s story in its many guises touches upon central questions of religion philosophy hermeneutics and not least life

Digging Through

the Bible Richard A Freund, 2023-06-14 A masterful and eminently readable journey through the fascinating insights and revelations of Biblical archeology Publishers Weekly starred review Many of our religious beliefs are based on faith alone but archaeology gives us the opportunity to find evidence about what really happened in the distant past evidence that can have a dramatic impact on what and how we believe In *Digging Through the Bible* archaeologist and rabbi Richard Freund takes readers through digs he has led in the Holy Land searching for evidence about key biblical characters and events *Digging Through the Bible* presents overviews of the evidence surrounding figures such as Moses Kings David and Solomon and Mary the mother of Jesus as well as new information that can help us more fully understand the life and times in which these people would have lived Freund also presents new evidence about finding the grave of the Teacher of Righteousness mentioned in the Dead Sea Scrolls and gives a compelling argument about how the Exodus of the Israelites may have taken place in three separate waves over time rather than in a single event as presented in the Bible *God's Gift, World's Deception* Christos Retoulas, 2022-04 Situating former Harvard neurosurgeon Dr Eben Alexander's Near Death Experience within the ontological landscape of Romanity or the Byzantine Ottoman Continuum of Roman Ecumenicity namely Judaism Christianity and Islam *God's Gift World's Deception* is a unique exploration of this unique NDE attesting to its vital and organic ties to those experiences of the New Testament Fathers of the Byzantine Apostolic Catholic Orthodox Church the unity of all being existents which came to them via theosis The book claims that Dr Alexander's experience is indeed a continuation and completion of the theophanic visions of the Old Testament Prophets and is linked to the imaginal divine becomings of the Koranic Ottoman *vahdet i v cud tasavvuf* Masters the unity of Being Sufism in both Sunni and Alevi traditions but also highlights the distorting effects of the interpretive resources available in the predominantly neo Gnostic cratic West religious and secular as well as its Globalist agenda creating an unfit backdrop for an exegetical attempt at the Proof of Heaven Experience Ultimately *God's Gift World's Deception* reconfirms the engendered existence of the Divine human Ecumene as a historically spiritual somatic reflection of the Divine Realm and above all it shows the Theanthropic Lord Jesus Christ as the True Om the Real Hak kat Muhammediyye and the Eternal Tao *The Church of the East* Christoph Baumer, 2016-09-05 The so called Nestorian Church officially known as the Apostolic Assyrian Church of the East with its See in Baghdad was one of the most significant Christian communities to develop east of the Roman Empire In its heyday the Church had 8 million adherents and stretched from the Mediterranean to China Christoph Baumer is one of the very few Westerners to have visited many of the most important Assyrian sites and has written the only comprehensive history of the Church which now fights for survival in its country of origin Iraq and is almost forgotten in the West He narrates its rich and colorful trajectory from its apostolic beginnings to the present day and discusses the Church's theology christology and uniquely vigorous spirituality He analyzes the Church's turbulent relationship with other Christian churches and its dialogue with neighboring world religions such as Zoroastrianism Manichaeism Islam Buddhism and Taoism Richly illustrated with

maps and over 150 full color photographs the book will be essential reading for those interested in a fascinating but neglected Christian community which has profoundly shaped the history of civilization in both East and West
