**Forthcoming Books** Rose Army, 1998 God Is DNA Paris Tosen, 2012-08-01 Is it possible that Heaven is beyond our capacity to see because it is molecular scale What if the Creator of Adam and Eve was DNA What if the Devil was an ancient molecular virus God is DNA is an unprecedented religious detective story a modern scientific translation of ancient Gnostic secret teachings and ideas Rogue scholar and author Paris Tosen takes one of the most controversial and revolutionary positions on the subject of pre-Christian religiosity flying in the face of the foundation of the Christian faith and decodes the true meaning of God This is a work that strongly resonates with alternative thinkers and anyone who is seeking salvation from the material prison Not recommended for devout churchgoers God Is DNA Paris Tosen, 2015-06-11 In ancient times the creator was God and he was the chief scientist of creation Until we discovered DNA in 1953 DNA has proven to be God's toughest competitor Both of them are invisible omnipotent omniscient and have mastered genetic manipulation In GOD is DNA author Paris Tosen provides a radical if not innovative revision of the all-mighty father figure using ancient Gnostic teachings Tosen delves into the Nag Hammadi codices all authenticated by biblical scholars this time using biology as his guide Never before have spiritual gospels been translated into biological revelation Christian or not this truth is for everyone with DNA inside their body Using vivid examples GOD is DNA makes a compelling case that worshipping an invisible man on a magic cloud isn't just unscientific but it is a direct rejection of what Jesus taught The true Jesus was a microbiologist **The DNA and Gene of God** Willie Blackmon, 2019-07-08 The DNA and Gene of God Read It Dr Blackmon has eloquently written

an informative book one that will captivate attention and the minds of those who will read it Explore what it is to compile the building blocks of all things living as DNA strands You will also find out through scripture how Elohim has intertwined his DNA through his Word so that we may live eternally Compare that which can be seen with that which cannot be seen It bridges the spiritual with the natural To God be the Glory Minister Serena Nobles      **The Secret Book of John** ,2012-12-14 This ancient Gnostic text can be a companion for your own spiritual quest The Secret Book of John is the most significant and influential text of the ancient Gnostic religion Part of the library of books found in Nag Hammadi Egypt in 1945 this central myth of Gnosticism tells the story of how God fell from perfect Oneness to imprisonment in the material world and how by knowing our divine nature and our divine origins that we are one with God we reverse God s descent and find our salvation The Secret Book of John The Gnostic Gospel Annotated Explained decodes the principal themes historical foundation and spiritual contexts of this challenging yet fundamental Gnostic teaching Drawing connections to Christianity Buddhism Hinduism kabbalistic Judaism and Sufism Davies focuses on the mythology and psychology of the Gnostic religious quest He illuminates the Gnostics ardent call for self awareness and introspection and the empowering message that divine wholeness will be restored not by worshipping false gods in an illusory material world but by our recognition of the inherent divinity within ourselves Now you can experience and understand this foundational teaching even if you have no previous knowledge of Gnosticism This SkyLight Illuminations edition presents the most important and valued book in Gnostic religion with insightful yet unobtrusive commentary It provides deeper insight into the understanding that in Gnosticism the distinction between savior and saved ceases to exist you must save yourself and in doing so save God      *God of DNA* ,2015      *The Gnostic Religion* Hans Jonas,2015-11-10 The Message of the Alien God and the Beginnings of Christianity      **The Gnostics, the New Versions and the Deity of Christ** Jay P. Green, Sr.,George Whitefield,2000-07 If Jesus Christ is not God of the same essence with God the Father and God the Holy Spirit having all the attributes of the Trinity while on earth as well as while He reigned in Heaven then we of all men are most miserable And how do we know that He is and always has been God from eternity It is written in the Holy Scriptures But what if the version of the Bible we read is ambivalent in one place saying He is co equal with God and in another place denying Him one or more of the attributes that are essential to God Read this book and you will see that all but three of the new versions are guilty of denying Christ s goodness sinlessness omnipresence omniscience omnipotence and a dozen more of the attributes of God You will see it written in black and white with exact quotations from eight of the new versions This important challenge to the trend so evident in the new versions the despising of the words God breathed out through the prophets and apostles and the mixing in of the corrupt wisdom of men ought to be supported by every one of you who love God and His Word as HB wrote it      *The God DNA*. Glenford G. Christie,2010-12 In the book THE GOD DNA The author affirms that the God DNA is not found in the molecules of man s cells but in the genetic composition of the new nature that produces the fruit of the Spirit It is through this DNA that our spiritual paternity bears

witness with the Holy Spirit that we are the children of God our birth certificate therefore has the family name of God and as such we are entitled to all that is in the kingdom of God The book exposes us to godlike traits found in the efficiency of the blood Christ transmitted to us by the radical experience called regeneration God teaches us what is required to operate at the level of faith for those with the GOD DNA Glenford Glen Christie is an ordained Pastor and Evangelist He believes in the exposition of the word and the manifested power of God through the empowering of the Holy Spirit He is considered a man of great faith who stands on the word of God with unwavering confidence and expectancy REV Christie is also the broker owner of The Aslan Group Realty they reside in Coral Springs Florida with their gift from God daughter Rebekah Glenn Pistis Sophia G. R. S. Mead, 2017-02-25 This paperback edition of the Pistis Sophia is a complete and accurate reprint of the original translation by G R S Mead in 1921 It contains all of Mead s original notes and running commentary as well as his annotated bibliography which includes numerous sources and further research material for the reader The Pistis Sophia is a gnostic text thought to have been written sometime between the 3rd and 4th centuries AD According to Mead there were two codices discovered in the late 18th century that contained the original work The Bruce Codex was brought to Oxford by the famous Scottish traveler Bruce in 1769 and the Askew Codex was given to the British Museum by the heirs of a wealthy doctor in 1785 Both codices were thereafter translated by experts and their contents ordered in a fashion that seemed proper according to their best abilities Mead s translation followed these efforts but as he says in his introduction the order of the contents was changed to place the contents of these Coptic translations roughly in such a sequence that the reader may be led from lower to higher grades of the Gnosis The Pistis Sophia itself is of such a marvelous and complex nature that it is hard to describe in a short space But generally the book shows the risen Jesus revealing the lower and higher mysteries to a group of his followers over the period of 22 years Included in these mysteries are complex cosmologies that the human soul must travel through in order to reach Gnosis with the Father A new story of the rise and fall of a restorative figure known as the Pistis Sophia is also given by Christ The text in the first three of the four books is a dialogue between Jesus and his disciples including Mary Magdalene who is the most active in the discussion Other disciples involved include John the Virgin Andrew Bartholomew James John Mary Martha Mathew Philip Salome Simon the Canaanite and Thomas It is apparent based on the character of the text that the work was a compilation of various earlier editions as some subjects and events are covered multiple times with slight variations Changes in certain words used in describing the same ideas also illustrate that the collected works were from different time periods The first book details how Jesus after his resurrection stayed with his disciples for eleven years teaching the lowest of the mysteries An intricate cosmology is introduced through the details of Jesus ascending the so called aeons in order to do battle with certain servants archons of the creator god who stands between human beings and gnosis It is in this cosmology that the new myth of the Pistis Sophia is introduced and discussed continuing into the second book where connection between the current work and the Book of Jeu is demonstrated

Interestingly unlike such other Gnostic myths such as the Apocryphon of John the Pistis Sophia myth is limited to the lower aeons not herself being a divine being from the higher levels of heaven The third book concerns the ethical code for the adherents of Christianity and outlines punishments for the transgression of that ethical system Additionally human beings and their spiritual nature are discussed along with their connectedness to each other and when they should be given the mysteries The fourth book details further cosmological and astrological systems including myths of fallen archons and their imprisonment within certain zodiacal spheres Five realms of punishment with their corresponding types of sinners are revealed along with the ritual and requirements for their release     The Gnostic Bible Willis Barnstone, Marvin W.

Meyer, 2006 The most comprehensive collection of gnostic literature ever published this volume is the result of a unique collaboration between a renowned poet translator and a leading scholar of early Christian texts     **The Secret Book of John** Michael Waldstein, Ph.d., 2013-11-20 Formerly titled Counterfeit Gospels Gnostic Writings in the Early Church Modern novels and movies claim the Church suppressed secret writings about Christ and his apostles for centuries and they re right If you ve heard of The Da Vinci Code The Last Temptation of Christ The Jesus Scroll Holy Blood Holy Grail Foucault s Pendulum or The Golden Compass you ve been told that the Church hid the truth from the world In a way these novels and movies are right The Catholic Church did suppress and constrain the publication of these so called gospels And with good reason The Gnostic writings were circulated by pseudo Christian sects who had broken communion with the Church Many Gnostic texts claim to be eye witness accounts of the apostles or secret divine messages which expand on Christ s public revelation All of the Gnostic texts contain elements of heresy Claims to Secret Knowledge Gnosticism comes from the Greek word gnosis which means knowledge In itself knowledge is no bad thing However in the Early Church there were many groups of people who claimed to have received secret revelations about Christ his mother Mary or even his apostles Among these revelations are those contained in The Secret Book of John a Gnostic text that rewrites creation and salvation history It along with many other Gnostic texts were excluded from the formal list of the books of the Bible called the canon of Scripture by the Council of Carthage in 419 A D The Secret Book of John details a vision received by John the Apostle from Jesus Retelling the Story Jesus tells John the secret truth about the creation of the world He claims to be the Father the Mother and the Son part of the incorruptible Monad the great spirit who rules over all In this reimagining of the Holy Trinity there is the One the Father Barbelo a female emanence from the One and Christ The Monad created aeons pairs of male and female spiritual beings who are like angels One of these aeons Sophia sought to conceive a son without her male counterpart This son was born a monster and he is called Yaldabaoth This monster spirit then becomes the god over physical creation According to The Secret Book of John Yaldabaoth is the Yaweh of the Old Testament an evil and perverse god who trapped the spiritual souls of Adam and Eve in matter Yaldabaoth s wicked designs are perpetuated by human procreation because bringing forth new life into a material world is a process of ensnaring more spiritual souls and trapping them in a physical

form Get the Truth In recent years Gnostic writings like The Secret Book of John have gained in popularity due to references from a variety of media sources Even those of us who knew the claims in The Da Vinci Code were fictional struggled to articulate the historical truth Dr Michael Waldstein expert translator and commentator on the Gnostic text of the The Secret Book of John will guide you through the claims of this false gospel His commentary will help you understand why this book and others like it were excluded from the canon of Scripture Dr Waldstein discusses the danger Gnosticism poses to true Christianity how it attempts to repaint salvation history divide the so called God of the Old Testament from Jesus Christ in the New Testament and how it distorts the truth and goodness of God s creation In this course you ll get the truth you need to combat any Gnostic misinformation

Gnosis Kurt Rudolph,1985

The Song of God Azrael Ondi-Ahman, The Song of God is a new book of scripture revealed by our Heavenly Parents for the benefit and

progression of all humankind This revelation was brought forth by Azrael Ondi Ahman who in 1979 began receiving visitations by highly evolved glorified human beings who identified themselves as God After seven years of instruction Azrael was commissioned to begin writing what would become the foundation for a new dispensation and a new humanity The foundation upon which the True Gnostic Church has been restored the Song of God begins with the premise that the only proper religion for man
