Go Set A Watchman A Sidekick To The Harper Lee Novel

PT Brinkman

Go Set A Watchman A Sidekick To The Harper Lee Novel:

Go Set a Watchman Allison Theveny, Welovenovels, 2015-07-22 Can't get enough of Harper Lee's *Go Set a Watchman*? Dive a little deeper into her world, discover hidden treasures, and hang out with Jean Louise Finch just a little longer with this Sidekick Warning! This is an independent companion to *Go Set a Watchman* meant to enhance your experience of the novel. If you have not yet bought Harper Lee's novel, make sure to purchase it before buying this unofficial Sidekick. Twenty years after the events of *To Kill a Mockingbird*, Jean Louise Finch returns to her hometown of Maycomb, Alabama. As she speaks with her father, now an old man, she begins to question her innocent childhood memories and to gain a deeper understanding of the tensions that grip the small southern town as the civil rights movement progresses. Harper Lee's Pulitzer Prize-winning *To Kill a Mockingbird* has sold millions of copies all over the world. It was long thought that the first novel she submitted to publishers, *Go Set a Watchman*, had been either lost or destroyed. The manuscript was discovered just last year, and the novel has become an instant bestseller. With this Sidekick, you'll learn what you might have missed on your first read of Lee's novel. Discover some of the book's secret gems and underlying themes. Explore possible alternate endings and imagine ideas for a spin-off. Spend some more time with the characters you've come to know and love, delving deep into their psyches and hidden motives. Get a chance to discuss *Go Set a Watchman* with other savvy readers. Sidekicks are entertaining and insightful reading companions filled with delightful commentary and thought-provoking questions. Readers have raved that they really put you in touch with the many layers of the novel, keep you entertained even longer, and are perfect if you want a vivid understanding of the story. Designed to be read side-by-side with the novels, they complement them; they'll give you even more reasons to love some of today's best books.

Mockingbird Charles J. Shields, 2024-05-01 This biography will not disappoint those who loved the novel and the feisty, independent, fiercely loyal Scout in whom Harper Lee put so much of herself. Garrison Keillor, *The New York Times Book Review*. An extensively revised and updated edition of the *New York Times* bestselling biography of Harper Lee, reframed from the perspective of the recent publication of Lee's *Go Set a Watchman*. *To Kill a Mockingbird*, the twentieth century's most widely read American novel, has sold thirty million copies and still sells a million yearly. In this in-depth biography, first published in 2006, Charles J. Shields brings to life the woman who gave us two of American literature's most unforgettable characters, Atticus Finch and his daughter Scout. Years after its initial publication, with revisions throughout the book and a new epilogue, Shields finishes the story of Harper Lee's life up to its end: There's her former agent getting her to transfer the copyright for *To Kill a Mockingbird* to him; the death of Lee's dear sister Alice; a fuller portrait of Lee's editor Tay Hohoff; and most vitally, the release of Lee's long-buried first novel and the ensuing public devouring of what has truly become the book of the year, if not the decade. *Go Set a Watchman*. To every *To Kill a Mockingbird* reader, I send this message: The story isn't over. There's so much more to come, and you'll find it all in Charles Shields' delightful and insightful *Mockingbird*. Homer Hickam 1 *New York Times* bestselling author. Lively, absorbing. If you treasure

Scout one of literature's more endearing characters you'll like the woman who emerges in *Mockingbird* The Miami Herald
