Goat Days Benjamin:

Goat Days Benjamin, 2012-07-17 Najeeb's dearest wish is to work in the Gulf and earn enough money to send back home. He achieves his dream only to be propelled by a series of incidents grim and absurd into a slave-like existence herding goats in the middle of the Saudi desert. Memories of the lush verdant landscape of his village and of his loving family haunt Najeeb whose only solace is the companionship of goats. In the end the lonely young man contrives a hazardous scheme to escape his desert prison. *Goat Days* was published to acclaim in Malayalam and became a bestseller. One of the brilliant new talents of Malayalam literature Benjamin's wry and tender telling transforms this strange and bitter comedy of Najeeb's life in the desert into a universal tale of loneliness and alienation.

It combines formal and thematic analyses of photographs films and literature with anthropological and historical details to offer a nuanced understanding of the construction of the Gulf and its translation to the cultural imaginary of Kerala. It explores the dissonance between the private and public discourses on the Gulf among migrants and non migrants and demonstrates the role of this disjuncture in the continued fascination for Gulf migrant lives. An enquiry into the various dimensions of the Gulf in Kerala as an acknowledged means of living as a rumour an object of gossip a public secret or even a private thrill this book debunks the idea of language as a common entity and studies the tentative borders built within. Finally it explores the resources possibilities and perils of affiliative communities constructed along and across those borders.

The Oxford Handbook of Modern Indian Literatures Ulka Anjaria,Anjali Nerlekar,2024 The Oxford Handbook of Modern Indian Literatures is a compilation of scholarship on Indian literature from the 19th century to the present in a range of Indian languages On one hand because of reasons associated with national academic structures publishing resources and global visibility English writing gets privileged over all the other linguistic traditions in the scholarship on Indian literatures On the other hand within the scholarship on regional language literary productions in Hindi Marathi Bengali etc the critical works and the surveys focus only on that particular language and therefore frequently suffer from a lack of comparative breadth and or

global access Both reflect the paradigm of monolingualism within which much literary scholarship on Indian literature takes place This handbook instead focuses on the multilingual pathways through which modern Indian literature gets constituted It features cutting edge literary criticism from at least seventeen languages and on traditional literary genres as well as more recent ones like graphic novels It shows the deep connections and collaborations across genres languages nations and regions that produce a literature of diverse contact zones generating innovations on form aesthetics and technique Foregrounding themes such as modernity and modernism gender caste diaspora and political resistance the book collects an array of perspectives on this vast topic **Narrating Violence in the Postcolonial World** Rebecca Romdhani,Daria Tunca,2021-09-05 This book examines representations of violence across the postcolonial world from the Americas to Australia in novels short stories plays and films The chapters move from what appear to be interpersonal instances of violence to communal conflicts such as civil war showing how these acts of violence are specifically rooted in colonial forms of abuse and oppression but constantly move and morph Taking its cue from theories in such fields as postcolonial violence gender and trauma studies the book thus shows that violence is slippery in form but also fluid in nature so that one must trace its movement across time and space to understand even a single instance of it When analysing such forms and trajectories of violence in postcolonial creative writing and films the contributors critically examine the ethical issues involved in narrating abuse depicting violated bodies and presenting romanticized resolutions that may conceal other forms of violence **It's Writers Paradise** NANDANA REMANAN,2021-10-01 It s Writers Paradise Have faith in your writing is a handwritten book about different writers across the world which includes carriers experiences Life histories notable works Notable awards they gained during their lifetime Here I dedicate this book to all writers and upcoming writers A writer I think is someone who pays attention to the world So stay Faithfull to the stories in your head
