Decoding the Mind of God Margret Ann Kelly, 2011-07-06 In *Decoding the Mind of God* author O M Kelly delves into the unconscious mind and discovers the secrets of the collective consciousness showing how we can realize the potential of the human mind through belief in ourselves The Laws of the universe are identical to the collective consciousness they reveal an answer to every question we are capable of asking We constantly receive these answers through the vibrations of the energy fields through our being all without us knowing how to realign our intelligence with our unconscious mind The truth remains hidden to us Surprising as it may seem the key to understanding ourselves lies in a mathematical language which is the make up of the unconscious mind Kelly explores this language through the texts and myths of myriad cultures and belief systems notwithstanding the truth of the science behind the Egyptian Hieroglyphs and the stories collected in the Bible As we read this volume we realize that all of these stories are connected to our own story within Kelly's perceptions of the order of higher consciousness are framed by stories from her experiences of personal discovery and over twenty years of researching lecturing and teaching all around the world Once these codes are unveiled we earn our freedom where we can release the fear in which humanity habitually traps itself creating our accidents diseases why we die right up to explaining extra terrestrial intelligence This book exposes the secret codes of the universal language that will help us achieve the divine unity with the universe and ourselves

God's Grandeur: The Catholic Case for Intelligent Design Ann Gauger, 2023-04-18 The world indeed the universe is charged with grandeur Everything speaks of its beauty power and purpose of its exquisite and intelligent design Yet many scientists today flatly deny that the world was intelligently designed Even some Christian scientists and theologians downplay or deny the evidence nature supplies of intelligent design especially in biology This thought provoking anthology shows why they are wrong why it matters and why intelligent design provides a compelling way to reconcile science and faith in today's culture God's Grandeur challenges the claim that God's design in nature is hidden and cannot be detected It presents convincing
