*Volume 1, The One God, QQ 1-26* Thomas Aquinas, Thomas de Vio Cajetan, 2023-06-23 When Leo XII promulgated Aeterni Patris in 1879 he stipulated that the Leonine or official edition of the Summa should always be printed in conjunction with Cajetan's Commentary For five hundred years they were studied together Generations were trained by reading through the Summa article by article with Cajetan's commentaries in hand Early printed editions of the Summa typically included them in a Talmudic arrangement as marginal text running around each article by Aquinas This edition imitates that example Recently serious thinkers of all denominations and none have found new reasons to be interested in St Thomas His text is deceptively simple yet important issues are handled in every article sometimes below the surface Cajetan extracts these hidden issues and explains and elaborates on them with remarkable affinity to modern analytical philosophy Part of that affinity lies in the use of modal logic a tool whose importance was overlooked between the Renaissance and the twentieth century The time is ripe for an analytically inspired translation of Thomas hence this volume Never until now has Cajetan's Commentary been put into English in its entirety William Marshner's translation is consistent with fidelity to the technical force of the original The translator's footnotes acknowledge what empirical science has made obsolete in the work of St Thomas and also make clear how much today's science would have saved Thomas useless labor This volume will for the first time make Cajetan's help available to the modern reader

**A Grammar of the Ethics of John** Jan G. van der Watt, 2023-04-05 After a century of neglect Johannine ethics has enjoyed a recent surge in interest inspired by new theoretical insights in analysing ethical data in John's Gospel By closely re-reading the text on the basis of this fresh research Jan G van der Watt's aim in the present volume is to reveal ethical data within its structural interrelatedness The result is a comprehensive overview of basic questions related to ethics such as what the basis or source of ethics actually is whether identity plays a role in ethical decision making how values and ethical requirements are to be recognised what is expected of an ethical agent and what ethical behaviour looks like As a coherent guide to getting deeds done ethically this first volume on the grammar of John's ethics focuses on this Gospel while a second is set to concentrate on his letters Volume 1 Dust Jacket Inside Front Flap

One Book? Donald A. Bullen,2007-12-01 John Wesley claimed to be a man of one book and early Wesley scholarship accepted uncritically that the Bible was his supreme authority In the late twentieth century American Wesley scholars discussed what has been termed the Wesley Quadrilateral the authority of the Bible tradition reason and experience and this to some extent helps explain the method by which Wesley read and interpreted the Bible However modern biblical reader response criticism has drawn attention to the central role of the reader in his her interpretation of scriptural texts Donald Bullen argues that Wesley came to the Bible as a reader with the presuppositions of an eighteenth century High Church Arminian Anglican in which tradition he had grown up He then found his beliefs confirmed in the scriptural text Claiming to base all his beliefs on the Bible he found himself in controversy with others who made similar claims but came to different conclusions The implications of this are explored in depth Church Doctrine - Book 1 Traumear,2019 By church doctrine I mean a teaching that helps us realize ourselves as fulfilled human beings in community with one another and with the god who is merciful love No attempt is made to tie in with traditional religions nor with any particular church described or critiqued Personal experience of god as father as Messiah as Jesus constitutes the backbone of what is subsequently fitted out with revealed knowledge and understanding Mysteries are touched on there are many explanations and clarifications much is updated and restated in contemporary language exercises and practices and their benefits are laid out in detail The writer delivers himself of no abstractions but only shows what has worked and still does work for him along the resurrection path to the kingdom of heaven and eternal life and thereafter the ongoing work in the interest of endless world creation and community building

**The Complete Sermons of C. H. Spurgeon, Book 1 (Vol. 1-3)** C. H. Spurgeon,2015-03-22 The story of Charles Haddon Spurgeon s life is nothing less than titanic Within 2 years and 6 months of accepting the pastorate of the New Park Street Chapel as a boy of 19 the Sunday service grew from 242 to over 7 000 in attendance What can account for the meteoric rise in popularity Why did so many wish to hear his sermons It is the same reason why one ought to study the sermons of Spurgeon to this day in a famished land of moralism he preached the bread of Jesus Christ Containing the first three volumes of the sixty three volumes published from the Metropolitan Tabernacle pulpit this book holds 164 sermons as plump as a partridge and as full of meat as an egg David A Attebury is currently pursuing a Masters of Divinity from The Southern Baptist Theological Seminary in Louisville Kentucky **Feasting on the Gospels--Matthew, Volume 1** Cynthia A. Sinai: The Book of Jubilees and Exodus Betsy Halpern-Amaru,2015-09-16 Although termed the little Genesis the Book of Jubilees is significantly engaged with Exodus It reworks key Exodus narratives develops modules of Exodus law and highlights Exodus motifs The most fundamental connection to Exodus is the grounding of the two narrational structures of Jubilees in the scenario of Moses receiving a revelation on Mt Sinai In the frame an anonymous narrator develops the Mt Sinai setting of the work In the body an angel employs that setting as the present time pivot for a retrospect that moves backward and forward in time Focusing on the intersection of structure and content the study explores the relationship between the retrospective design of the angel narration and the exegesis The approach is a literary one that treats Jubilees as a unitary text that may reflect the work of a single author or of a final editor The analysis draws particular attention to manipulations of temporal and textual perspective that transform Exodus narratives facilitate the hermeneutical elaborations of Exodus law and effect cohesion in the revelation that is the Book of Jubilees Halpern Amaru s study makes a significant contribution to our understanding of biblical interpretation in Second Temple Judaism For example the reading of the Jubilees narrative of the exodus as a

revelation of how God uses His heavenly forces i e Mastema and his demons as well as the angels of the presence on behalf of Israel has implications for the understanding of strategies that temper dualism in Second Temple Judaism
