 Ryken, 2002-05-07 Religious Giving David H. Smith, 2010-04-06 Religious Giving considers the connection between
 religion and giving within the Abrahamic traditions Each contributor begins with the assumption that there is something
 inherently right or natural about the connection But what exactly is it To whom should we give how much should we give
 what is the relationship between our giving and our relationship to God Writing for the introspective donor congregational
 leader or student interested in ways of meeting human needs the authors focus on the philosophical or theological
 dimensions of giving The contributors goal is not to report on institutional practices but to provide thoughtful constructive
 guidance to the reader informed by a critical understanding of the religious traditions under review **Christian Budget**

and News of the Day ,1891 **Tithes and Offerings** G. Davis Dean, Jr.,2014-10-15 Tithes and Offerings Perspectives on Christian Giving is the result of a suggestion made to the author by a close Christian friend and consultant His reasoning was that although there are many books on the Christian tithes and offerings they are overwhelmingly legalistic or moralistic Such appeals have often been based upon the popular though false health and wealth gospel This suggestion led the author to consider and examine not only points of conservative church doctrine as they may be applied to the subject but to incidents in Scripture that involved the act of giving This in turn led the author into a research and analysis of the historical and cultural context of the exchange and the profile and life situation of the personages involved in it The final matter to come out of all this reconstruction was to put a flesh and bone humanity upon personages most people only know from Scripture by their names and the deeds associated with them But more in regard to the act of giving there is the considering of what the act meant to them personally and to translate this very human meaning to Christian giving among believers even today Dinner with the Pastor Joe R. Cannon,2012-07-27 This book is filled with everyday recipes and spiritual insights Recipes include my own creations as well as recipes from family friends coaches hospitality rooms fellow teachers etc My unique experiences as both coach teacher and pastor has provided recipes from many different sources The spiritual insights are from my perspective as a pastor and teacher Enjoy and share these recipes and stories with friends that s my desire as I share this book with you **The Christian Science Monitor Index** ,2000 **Michigan Christian Advocate** ,1893
