Creative Ideas for Pastoral Liturgy: Baptism, Confirmation and Liturgies for the Journey Tessa Wilkinson, Jan Brind, 2009-01-29 Christian initiation takes varying forms in different denominations and for many non churchgoing new parents a christening or some other kind of ceremony is important at this landmark time in their lives Equally many adults seek baptism in the Church of England and the ancient practice of baptism with confirmation at the Easter Vigil is enjoying a revival This volume the third and final volume in the Creative Pastoral Liturgy series offers imaginative ideas and liturgies for all these and many more occasions in the life of a local church which you will not find in official service books These include blessings for a house and a new building thanksgiving liturgies for all who help to run the church services of blessing for those moving away for a student going travelling for a group going on pilgrimage for an ordinand starting training and for someone going to serve overseas As with the companion volumes on marriage and funerals this invaluable resource ensures that the authorised initiation liturgies are celebrated with imagination and creativity so that pastoral support and care is made clearly visible

God Is Keeping Score Dennis Stackhouse, 2021-07-30 How familiar are you with the concept of keeping score Seems like a silly question since most are very aware of scores that are kept especially when they involve us Would you also say that it s accurate to indicate that we are a people who appreciate fairness exercised toward ourselves and others It should go without saying that fairness is very important to all of us There are many areas in this physical life where keeping score to ensure fairness would be abundantly evident For example a score is kept during a baseball game or a basketball game or a football game Why To fairly determine which team ultimately wins the game In addition a very accurate time clock is utilized to declare the winner of a race whether it involves automobiles swimmers or those who are running on a track These simple examples and many others should strike a familiar chord with us Since we are flesh and blood human beings the physical world is important to our lives We can only deal with the things that can be seen and touched and heard and smelled and tasted That is the world we live in the world where our familiarity rests However we need to understand that we are limited by the physical world the things we experience on a physical plane This is the case because there is another world surrounding us that deserves even more of our attention The most critical realm for each of us is the spiritual world and it does surround us even though we may not always be aware of it What I want to consider through this study is the fact that God is also keeping score It seems obvious that there are many times when we feel cheated in this physical realm that we have not been treated fairly But when it comes to the spiritual realm no one will ever be cheated or treated unfairly And this can only occur because God is keeping score As we shall see through the pages of this book in a very real sense God is the ultimate scorekeeper

Navigating a World of Grace Graham Tomlin, 2022-04-21 A powerful defence of Christian orthodoxy opening up its expansive generous and life giving vision ALISTER McGRATH Learned and wise this is a book that achieves what even many Christians may find a startling feat a demonstration that orthodoxy is far more radical

interesting a concept than heresy TOM HOLLAND Generous orthodoxy is a liberating outlook that encourages the Church to embrace different traditions of belief worship and prayer within a broad framework of Christian faith But is it really possible to be both generous and orthodox In Navigating a World of Grace Graham Tomlin offers his own invigorating vision of a generous orthodoxy that is rooted in the creeds description of a God who is by nature the essence of generous grace Looking at the history of the church he explores how orthodoxy can enrich and enhance our perception of the world Rather than restricting us it liberates us to be generous in our expressions of faith This tantalizingly different theology that brings together the best from every tradition shows why orthodoxy is so important to the Christian faith and how it can bring us together as a revitalized unified and visionary Church Accessible and insightful Navigating a World of Grace acts as a companion volume to The Bond of Peace but can also be read by itself as an exploration and celebration how Christians of all denominations can show generosity and grace in embracing different traditions of worship while remaining united by a single orthodoxy of faith Ideal reading for anyone wanting to understand the meaning of generous orthodoxy better or how we can engage with different parts of the church with grace this is an encouraging and inspiring vision for the future of the church Navigating a World of Grace challenges us to see that adopting an attitude of generosity towards other Christians and those outside the Christian faith is part of orthodoxy and will result in a deeper fuller experience of God than we can possibly imagine Leaves of Healing ,1927 **St Mark's Gospel** Gordon Geddes,Jane Griffiths,2004 , *To You All Hearts Are Open* Scot McKnight,2021-02-02 The most ancient form of prayer is probably petition Scot McKnight has set out to understand this better and guide pray ers and churches to reinvigorate their practice of asking God To You All Hearts Are Open begins with the Collects of the Book of Common Prayer timeless prayers that have been used by Christians for centuries are rooted in the Catholic tradition of prayer and are deeply biblical These prayers common to churches of nearly every denomination illustrate five elements of prayer itself addressing God asking God reminding God of how God has acted in the past expecting God to answer and accessing God through Christ They are the Bible s pattern of petitioning God which Scot McKnight seeks to rediscover a reliable path to relationship and true conversation with God *Righteous Living - CTL - 2009* , **Baptism before, or after faith&repentance, largely discussed; not only in publick disputations ... but also Mr. Baxter, Dr. Holms ... and many others, their arguments for and against, truly controverted ...
