Christology in Mark's Gospel: Four Views J. R. Daniel Kirk, Adam Winn, Sandra Huebenthal, L. W. Hurtado, 2021-11-09
Gain Insights on Mark's Christology from Today's Leading Scholars The Gospel of Mark widely assumed to be the earliest narrative of Jesus's life and the least explicit in terms of Christology has long served as a worktable for the discovery of Christian origins and developing theologies The past ten years of scholarship have seen an unprecedented shift toward an early high Christology the notion that very early in the history of the Jesus movement his followers worshipped him as God Other studies have challenged this view arguing that Mark's story is incomplete intentionally ambiguous or presents Jesus in entirely human terms Christology in Mark's Gospel Four Views brings together key voices in conversation in order to offer a clear entry point into early Christians understanding of Jesus's identity Sandra Huebenthal Suspended Christology Larry W Hurtado Mark's Presentation of Jesus with rejoinder by Chris Keith J R Daniel Kirk Narrative Christology of a Suffering King and Adam Winn Jesus as the YHWH of Israel in the Gospel of Mark Each author offers a robust presentation of their position followed by lively interaction with the other contributors and one last word rejoinder The significance of this discussion is contextualized by the general editor Anthony Le Donne's introduction and summarized in the conclusion The Critical Points Series offers rigorous and nuanced engagement between today's best scholars for advancing the scholarship of tomorrow Like its older sibling the CounterPoints Series it provides a forum for comparison and critique of different positions focusing on critical issues in today's Christian scholarship in biblical studies in theology and in philosophy

Mark's Gospel: An Actological Reading Malcolm Torry, 2022-05-19 This might look like an ordinary commentary on Mark's Gospel but it isn't one It understands reality as Action actions change diversity movement and the dynamic rather than as Being beings the unchanging the unitary rest and the static and it reads Mark's Gospel in the light of that distinctive understanding of reality It is all about action change and diversity and it understands God Jesus and ourselves as action change and diversity The initial chapter introduces the action based understanding of reality as action in changing patterns an actology rather than an ontology Then follows a section by section close study of the Gospel The result is a unique and somewhat unexpected reading of the text and a distinctive theology to match

The Christology of Mark's Gospel Jack Dean Kingsbury, 1983 This important work represents a major methodological advance in the study of the Gospels The result is a significant reassessment of Mark's Christology and a stunning new interpretation of the secrecy motif

Spirituality of the Gospels Patrick J. Hartin, 2025-01-15 Within each of the four gospels there is a foundational spirit a rich spirituality based on each gospel's unique understanding of Jesus and what it means to be his disciple In this study Fr Patrick Hartin looks at each gospel and asks such questions as Who is Jesus and What transformation does this encounter with Jesus invite Hartin thoroughly unpacks these questions and then follows with examples of people who embody the transformative power of these spiritualities from Saint Francis and Dorothy Day to Saint Augustine and Archbishop Romero Hartin's twofold approach gives

us a deeper appreciation for the spiritual dimension of the gospels and helps us to be transformed in Christ by their message and vision

Commentary study and reflection questions prayers and access to online lectures are included 6 lessons **The Gospel of Mark in Context** Santiago Guijarro,2022-04-14 The short story that we now know as the Gospel according to Mark was written in Greek twenty centuries ago in the context of an agrarian society that had been developing its own characteristics in the circum Mediterranean region Mark s account presupposes the values institutions and relationships of the culture in which Jesus and his first followers lived Modern readers of the Gospels however especially those born and raised in the North Atlantic postindustrial societies have other values and institutions and relate to each other according to other cultural codes This temporal and cultural distance between the ancient texts and their present day readers makes necessary an exegetical effort whose purpose is to recover as far as possible the reading scenarios presupposed by these texts In order to reconstruct these scenarios exegesis has turned in recent years to the social sciences whose models permit us to imagine and describe the situations presupposed by these ancient texts This book aims to show how the use of these scenarios elaborated with the help of the social sciences can contribute to a more considered and respectful reading of Mark s story

Jesus and YHWH-Texts in the Synoptic Gospels Scott Brazil,2024-02-21 Scott Brazil examines the frequent practice of applying Old Testament YHWH texts to Jesus in the Synoptic Gospels He argues that this YHWH text phenomenon evidences a high Christology in the primitive church that traces back to Jesus himself He thus finds in this Synoptic practice a stinging contradiction against the modern critical theory that a high Christology took many decades to develop in the early church and exists only in John among the canonical Gospels Brazil surveys the Synoptic Gospels in canonical order exegeting dozens of passages in which OT texts originally referring to YHWH are either clearly or most probably applied to Jesus He observes the frequency diversity and ubiquity of the practice as well as its wide range of OT source material and its parallel to the NT practice of applying OT messianic texts to Jesus And from the data he offers several ramifications including the early deliberate employment of YHWH texts to Jesus the likelihood that Jesus is the source of the practice the high Christology of the Synoptics and the redemptive historical metanarrative that Jesus is the divine interpreter and central figure of the Jewish Scriptures Ultimately Brazil argues that understanding the prolific application of OT YHWH texts to Jesus in the Synoptic Gospels cannot be neglected without truncating genuine NT Christology

Christology and Discipleship in the Gospel of Mark Suzanne Watts Henderson, 2006-03-23 Exploring the interrelated topics of Christology and discipleship within the apocalyptic context of Mark's Gospel Henderson focuses on six passages Mark 1:16, 20:3, 13:15, 4:1, 34:6, 7:13, 6:32, 44:6, 45:52 Together these passages indicate that the disciples failed to understand not just Jesus' messianic identity per se but the apocalyptic nature of his messiahship as well as its implications for their own participation in God's coming reign The implications of this for Mark's gospel as a whole are to situate Mark's Christological claims within the broader context of the apocalyptic gospel of God This lends coherence to Mark's bifocal interest in miracle and passion It also illuminates the relationship between Mark's Jesus and his followers as those who carry forward his own mission to demonstrate the coming kingdom of God which is fully assured if not yet fully in view

The Theological Role of Paradox in the Gospel of Mark Laura C. Sweat, 2013-10-10 Scholarship on the Gospel of Mark has long been convinced of the paradoxical description of two of its primary themes christology and discipleship This book argues that paradoxical language pervades the entire narrative and that it serves a theological purpose in describing God's activity Part One focuses on divine action present in Mark 4:10-12 In the first paradox Mark portrays God's revelatory acts as consistently accompanied by concealment The second paradox is shown in the various ways in which divine action confirms yet counters scripture Finally Mark describes God's actions in ways that indicate both wastefulness and goodness deeds that are further illuminated by the ongoing yet defeated presence of evil Part Two demonstrates that this paradoxical language is widely attested across Mark's passion narrative as he continues to depict God's activity with the use of the three paradoxes observed in Mark 4 Through

paradoxical narrative Mark emphasizes God's transcendence and presence showing that even though Jesus has brought revelation a complete understanding of God remains tantalizingly out of their grasp until the eschaton 4 22

The Gospel According to Mark, Part Two Marie Noonan Sabin with Little Rock Scripture Study Staff, 2020-07-15 Thought to be the earliest of the four Gospels the Gospel of Mark is a fast moving vivid account of the ministry suffering and death of Jesus Enter into a rich encounter with this preacher wonder worker and messiah whose very life delivered an urgent message about repentance transformation and the reality of suffering in the life of a disciple Part Two explores Mark 9 33 16 20 including Jesus entry into Jerusalem and the events of his passion death and resurrection Commentary study and reflection questions prayers and access to online lectures are included 4 lessons

The Gospel According to Mark Marie Noonan Sabin, 2016-12-01 New Collegeville Bible Commentary The Gospel According to Mark Volume 2 The absence of stories of Jesus birth and infancy a minimum of Jesus parables and a resurrection scene without sight or sound of the risen Jesus have tempted readers to shortchange Mark's Gospel Thanks to the insightful analysis and inspiring reflections of Marie Noonan Sabin anyone studying this premier Gospel with her guidance will recognize the genius of the original author Sabin asserts that Mark's Gospel is not an eyewitness account or a work of biography or history She writes What Mark gives us is far richer He interprets Jesus in the light of the Hebrew Bible showing Jesus to be not only a teacher of Wisdom but Wisdom itself calling his followers to an unconventional wisdom a way of living and a way of dying that he himself exemplifies The cover of this commentary from The Saint John's Bible highlights Sabin's thesis that the transfiguration of Jesus is pivotal to the Gospel The scene 9 2 8 overshadows both parts of the Gospel emphasizing God's creative transforming transfiguring power to restore life Sabin gives special attention to Mark's key words and phrases e g release rise up or be raised straightway and ecstasy and his pattern of twos and threes Especially helpful are the summaries at the end of each chapter Here is a commentary that will restore Mark's prime place among the other two Synoptic Gospels Marie Noonan Sabin Ph D has taught the Gospel of Mark at Bangor Theological Seminary an
