Gazzard,2015-04-28 You cannot be a Christian if you are cool The world supposedly admires coolness and has made cool into a term of admiration Not so with Jesus Christ He is saying that unless your commitment is hot unless it is passionate it has no relationship to Him Elton Truebloods statement is compelling for Christians Only a passionate faith can confront the disturbing personal and social issues of our time Lukewarm lip service to the great promises of Scripture simply has no sustaining power and churches which adhere to a lukewarm faith will continue to decline Theologian Emil Brunner states The church exists by mission as a fire exists by burning How else can it grow The only way you know whether anything is on fire is whether it will start another fire The metaphor of fire is used to describe our relationship with Christ In the so called Gospel of Thomas found in the dry sands of Egypt Jesus says I came to cast fire upon the earth He who comes close to me comes close to the fire In this book Dr Gazzard seeks to inspire and empower individuals to grow into a passionate faith by sowing seeds of inspiration drawn from his **Ebenezer** Richard Kyambadde,2022-08-24 If there is one thing I desire it is that the Lord may use what I have written to make clear this one truth No burden is too heavy that God cannot carry This book unwraps divine secrets of hope faith and courage Presenting us with words of wisdom and biblical power tools for surviving everyday struggles and temptations This book will restore and strengthen your journey with God as you build and discover a solid foundation of faith and trust replacing fear and doubt with peace As you weather difficult personal storms this book will guide you on how to receive daily strength and encouragement Remember that there is no situation or circumstance that is impossible for God there is no problem he cannot overcome God has been through what you re facing And it is through him that true hope trust and faith is found that will empower you through your greatest difficulties of life and every longing of your heart The Power of Prayer ,2025-06-11 There is something unexplainable that happens when a heart cries out to God and heaven leans in to listen Prayer is not just a habit or a duty It is the lifeline between the soul and its Savior It is the holy ground where weak words touch Almighty strength It is the sacred place where the invisible becomes real and the impossible begins to move Prayer is where burdens are laid down and peace is picked up It is where confusion gives way to clarity It is where wounds begin to heal not because we fix them but because we finally give them to the One who can In prayer we trade our fear for His courage We exchange our sorrow for His joy We offer our small faith in return for His great power Every page of Scripture echoes the truth that God hears God answers God moves when His people pray Elijah called down fire Hannah poured out her soul through tears Daniel knelt to pray even when it was forbidden Jesus wept and prayed in Gethsemane before facing the cross The Word of God keeps proving that prayer is not a last resort It is the first and strongest move of faith If you have ever wondered if your prayers matter they do If you have questioned whether your voice

is heard it is If you have doubted whether heaven moves for someone like you this book was written for you The power of prayer is not in perfect words It is not in polished faith It is in a willing heart that dares to speak to the God who listens The same power that met saints of old still waits to meet you One person One prayer One God who never stops answering

The Power of Listening Lynne M. Baab, 2014-06-05 Listening skills and the perspective gained through careful listening are more important in congregations than ever Many factors make attentive listening a significant contributor to healthy congregations As we enter into a post Christendom culture the people coming into congregations as well as the people in the wider community are less likely to be operating from a shared set of assumptions With world wide migration reshaping our communities and congregations diverse perspectives coming from varied cultural backgrounds are also more common The breakdown of many support structures in society has created profound pastoral care needs making listening increasingly significant for both ministers and lay leaders Polarization over so many issues and the increasing emphasis on story telling in the journey of faith are two additional reasons why listening matters today Careful and loving listening nurtures care connection and depth which contribute to congregational life and health Listening to God is another aspect of listening which is gaining increased attention today Many congregational leaders have become weary of church as a business and are looking for authentic experiences of God's guidance Congregations are increasingly engaging in communal discernment Many listening skills used in human interactions are also building blocks for listening to God
