God Under My Roof Celtic Songs And Blessings:

God Under My Roof Esther De Waal, 1984 **God Under my Roof: Celtic Songs and Blessings** Esther de Waal, 2020-01-01 IN THIS introduction to songs and blessings collected from the oral tradition of the Hebrides Esther de Waal uses the poems themselves to evoke a vision of the wholeness of life We are seen to belong to a common creation responsible for the natural world but essentially at peace with it secure in the knowledge that wherever we go we are under God's heaven and that God can be found close at hand under our very roofs We are encouraged to make some of the prayers included here our own to find ourselves befriended by God and the saints as we talk to them with unforced simplicity and candour So we discover that it is through the rites of ordinariness that the rhythm of eternity penetrates our days and nights

Mixed Life Walter Hilton, 2024-08-29 Fairacres Publications 136 The English mystic Walter Hilton was born c 1340 5 and died at the Priory of St Peter at Thurgarton Nottinghamshire in 1396 Little is known of his life but after beginning a legal and administrative career he attempted the solitary life but finally discovered his true vocation as an Augustinian Canon His spiritual writings in English and Latin are ranked alongside those of the anonymous author of *The Cloud of Unknowing* and Julian of Norwich and include *Angels Song* also translated by Rosemary Dorward and published by SLG Press in 1983 commentaries on Psalm texts and a number of letters of spiritual guidance *Mixed Life* was originally intended to be read as the third part of Hilton's best known work *The Scale of Perfection* and is a set of instructions for a worldly lord on balancing the spiritual and practical aspects of leading a godly life This new edition includes the first full print publication of a diplomatic transcription of the Vernon MS text from which this translation was made [Anselm of Canterbury - A Monastic Scholar](#) Sister Benedicta Ward SLG, 2024-05-20 Fairacres Publications 62 Saint Anselm 1033 1109 was abbot of the Norman monastery of Bec and later Archbishop of Canterbury under William Rufus and Henry I In this short study of one of the most original thinkers of the earlier Middle Ages Sister Benedicta discusses the relationship between Anselm's scholarship and his life as a monk showing how the one grew naturally out of the other Anselm's understanding of the inter connections of reason and faith thought and prayer which can be traced throughout his writings both theological and devotional remains significant for Christian scholarship in any age At the same time he was one of the most attractive loving and compassionate of men Simplicity humanity and gentleness are joined in Anselm to the clear and sane mind of a great scholar

Expectations Sister Edmée SLG, 2024-07-30 Fairacres Publications 130 In these addresses the expectations true and false of newly ordained clergy are identified Stressing the need for constant thanksgiving as the bedrock of a pastor's life the author examines the role of the evangelical counsels of poverty chastity and obedience in providing practical and spiritual support to ministry **Zeal for the Faith** Tony Dickinson, 2024-09-30 Fairacres Publications 221 In recent years relations between Christians and Muslims have been reduced in much popular discourse to a simple and often polarized opposition Historically the relationship between these two Abrahamic faiths has been much more nuanced and complex In this book

Tony Dickinson explores some of the complexities both in Christian Muslim relations and within Islam from the earliest years of Muhammad's prophetic activity until the controversies and conflicts of the present and suggests some possible approaches to contemporary inter faith dialogue **Living Healing: The Spirituality of Leanne Payne** Andy Lord, 2023-03-10

Fairacres Publications 205 A concern for healing and wholeness is common among many people today This book introduces the thinking and practice of Leanne Payne a leader in the charismatic healing ministry of the last century Her focus on coming into the Presence of God as we are engaging our imaginations and embracing different ways of listening offers wise guidance in the area of healing We tease out some of the ways her work engages the mystical tradition and how this tradition might be enriched in dialogue with a charismatic approach to healing Healing is rarely straightforward but we can nourish hope in the active presence of Christ in our midst **Embertide: Encountering Saint Frideswide** Romola

Parish, 2024-04-17 SLG Press Contemplative Poetry 14 St Frideswide or Frithuswith was an important saint during the medieval period and is patron of the City of Oxford Her shrine was a place of pilgrimage but was destroyed during the Reformation and since then she has largely disappeared from view Embertide is not a simple retelling of her biography but engages with all the different versions of her life and seeks to understand her importance in the past and her significance today It is liminal elusive and delicately balanced a kind of spiritual pilgrimage towards understanding elements of faith Spiritual pilgrimage is a lifetime journey of rethinking and revisiting our perceptions and understanding just as saints' written lives have been refashioned to appeal to different audiences at different points in time This poem is the outcome of one such spiritual pilgrimage and each reader will encounter it differently on their own terms Our saints in their afterlives are still travelling and we follow in their wake Cosmos, Crisis and Christ: Essays of Wendy Robinson Wendy Robinson, 2024-05-30

Fairacres Publications 211 Wendy Robinson's work was primarily interpersonal and in retreat talks or lectures where she could engage with her audience directly many of the essays here are transcriptions of those talks Even ten years after her death her theology and her compassion are remembered with great fondness and gratitude and continue to resonate both with those who knew her and those who encounter her writing for the first time **Made All of Light** Thomas

Campion, 2024-09-17 Thomas Campion 1567-1620 was a composer of lute song and the author of a significant body of Latin and English poetry and masques written for the Stuart court This volume collects all of Campion's sacred poetry in one place for the first time Campion's lyric style was influenced by Sir Philip Sidney but also by the music to which it was most often set the lines flow gracefully with an elegant and direct communication of depth and sincerity Campion's faith is evident and his texts speak as vividly to us today as they did to those who copied and shared them during his lifetime and beyond *TIME*

Dumitru Staniloae, Kallistos Ware, 2023-10-20 Fairacres Publications 208 This book brings together essays by two outstanding Orthodox theologians to examine the paradox of time in relation to the eternity of God Dumitru Staniloae's *Eternity and Time* a talk given to the Sisters of the Love of God in 1971 was expanded in the first volume of his *Teologia dogmatica ortodoxa* 3

vols Bucharest 1978 The preface to the 1994 English translation of that work Orthodox Dogmatic Theology written by Kallistos Ware was based on his essay Time Prison or Path to Freedom which was first published in 1989 by SLG Press These reflections brought together for the first time here remain at the forefront of modern theology St niloae illuminates time as a journey on which we may grow in response to the love that God offers us a journey towards sharing in the eternity of the perfect interpersonal communion of the Trinity God in His Incarnation shares the journey with us in Christ so that time enters into eternity and eternity is brought into time At every moment we are free to choose between responding to His love or rejecting it Ware s essay explains that it is the vocation of time to be open to eternity time is fulfilled when God s eternity breaks into the temporal sequence as happened supremely at Christ s birth in Bethlehem as happens also at every Eucharist Our faith is the true rationale of time mutual love after the image of the Trinity **Anselm of Canterbury** Sister Benedicta Ward SLG,2022 For those who study St Anselm his prayers provide an intimate personal introduction to his thinking and his spirituality For Anselm who never considered himself a teacher of prayer his prayers were simply personal devotions that he occasionally shared with others to encourage them to develop their own devotional style Anselm would probably have been surprised to discover not only how widely his words were disseminated but also the ways in which their translation and interpretation changed over the centuries This brief study by one of the leading scholars of early monastic life and thought examines Anselm s prayers as models and inspiration for mystics saints and writers up to the present day **Eliot's Transitions** Vincent Strudwick,2024-12-10 This book examines the influence of members of the Society of the Sacred Mission at Kelham Hall on T S Eliot s poetics cultural criticism and his search for identity It focusses particularly on Eliot s friendship with Br George Every SSM and the correspondence between them that led to a deep intellectual and spiritual relationship The author builds his study on his own conversations and correspondence with Every the archive of Society of the Sacred Mission papers in the Borthwick Institute in York and the collection of papers and other material left to the author by Every on his death The result is a delicate journey through the growing personal and spiritual relationship between a great theologian and Christian writer and one of the greatest modern poets and essayists **Towards a Theology of Psychotherapy: The Spirituality of Wendy Robinson** Andrew Louth,2024-05-30 Wendy Robinson 1934 2013 was a trained psychotherapist who became a member of the Russian Orthodox Church in England in 1980 To be able to combine these two vocations was for her to discover herself She practised psychotherapy both with individual clients and increasingly with religious communities both Catholic and Anglican giving retreats and one to one counselling and built up a strong and lasting connection with the Sisters of the Love of God in Oxford She reflected on her dual vocation in lectures and articles a selection of which are published in the companion volume to this book Cosmos Crisis and Christ Essays of Wendy Robinson collected and edited by Andrew Louth Fairacres Publications 211 SLG Press 2024 *Strength in Weakness: The Scandal of the Cross* John W. Rogerson,2010-03-26 Fairacres Publications 160 These theological reflections on the Cross and Passion of

Jesus Christ touch upon some central paradoxes of the Christian faith Jesus was put to death publicly by crucifixion which according to traditional Jewish teaching was a scandal and an affront to God Yet a Roman centurion present was able to exclaim in awe Truly this man was the Son of God The book invites us to ponder instances where strength was manifested in weakness not only for Jesus in Gethsemane at his Trial and on the Cross but also for those two pillars of the early Church Peter and Paul as they too wrestled with the Scandal of the Cross Bernard & Abelard Sr Edmée Kingsmill

SLG,2024-12-02 This essay examines the theology of and relationship between the saintly Bernard of Clairvaux 1090 1153 customarily considered a traditionalist and the arrogant brilliant and controversial philosopher Peter Abelard 1079 1142 disruptive and famously disgraced in his lifetime To modern readers Bernard emerges from his conflict with Abelard in an unappealing light yet Bernard s behaviour however much we may now appreciate Abelard arose from his view of the older man as a climber among the foothills of theology the effect of whose excursions into higher altitudes of thought on his followers was in the long run more deadly than bracing a calamity against which Bernard attempted to raise the alarm Sister Edm e examines the attitudes and fortunes of both men with her customary wit and engaging style *Landscape, Soul and Spirit* Andy Lord,2025-02-11 How might we develop our spirituality in the context of an environmental crisis that demands changes to our individual and communal ways of life There is a challenge to develop our inherited patterns of spiritual life in the current ecological context This book aims to reflect on the Christian contemplative tradition in dialogue with writings of the leading nature writer Robert Macfarlane The argument is that each of his six books can be seen as nurturing a particular spiritual practice In this Macfarlane s focus on interactions between landscapes and the soul is extended to include the spirit At a time of crisis it is important to nourish contemplative approaches that engage our longings attentiveness and sense of time These enable us to discover renewal hear fresh voices and live in union with all of life This book acts both as an introduction to Macfarlane and a stimulus to further reflection on spirituality and the environment Julian Reconsidered

Sister Benedicta Ward SLG,Kenneth Leech,2024-08-29 Fairacres Publications 106 Sometimes the message of optimism and hope of the fourteenth century writer Julian of Norwich is understood rather superficially Two lectures given at her Shrine in Norwich which can assist our understanding of her theology are reproduced here Kenneth Leech shows how Julian can help us to recover a sense of the goodness of creation and he challenges superficial interpretations of her saying that all shall be well Sister Benedicta reconsiders Julian in the light of the solitary tradition and contemporary medieval documents suggesting that Julian may have been a widow who had borne a child *Two Medieval English Saints: Cuthbert and Alban* Sister Benedicta Ward SLG,2024-08-30 Fairacres Publications 217 In his Ecclesiastical History of the English People the Venerable Bede 673 735 recorded not simply the biographies of the early saints of Britain but the stories and myths about them deliberately passed down from those who knew them describing the impact they had on those close to them Bede gave a very full account of Alban despite the chronological distance separating them but his sources for information about St

Cuthbert were those who had known the saint personally giving Bede's account considerable authority. His texts are first rate hagiographies providing us with compelling prose images of the enduring power of genuine selfless holiness in the early church. From Bede and other sources Sister Benedicta is able to paint a picture of the spirituality of these two saints who are so crucial to understanding early Christianity in Britain. *Theology and Spirituality* Andrew Louth, 2024-04-23 Fairacres Publications 55. For centuries theology and spirituality have been divorced as if mysticism were for the saintly and theological study for the practical but unsaintly to paraphrase Thomas Merton. So Archpriest Louth writes 'The theologian is one who prays and one who thinks about the object of his loving prayer'. So part of the formation of a theologian is the study of spirituality not just as another branch of the history of doctrine or whatever but as a deepening of their own life of prayer. This book seeks to show that theology even the rigorous academic theology and spirituality belong together and isolated suffer disintegration and atrophy. It does this by suggesting that contemplation lies at the heart of both theology and spirituality and includes an examination of the place of the contemplative in the thought of Diadochus of Photice.
