Huber, Lynn C. McCallum, 2011-01-28 When our Father of Faith is tempted to sacrifice his sense of humor on the Altar of God's Demands God intervenes in a surprising way that really makes Abe laugh This is the same God whose hungry servant Elijah is fed by ravens way out on the ragged edge and towards whom Moses manages a sidewise glance while on the lookout for greener pastures Then along comes another tough act to follow the Wild Man of Judea appearing in the Galilee Theater and baptizing Jesus of Nazareth in the Jordan River of God's Transforming Power and Hope Then in the very next scene Jesus ben Dios the Number One Draft Choice in all of Baseball hops a trial ways bus to intensive training camp where he comes face to face with the temptations and adversities of the real world Fortunately Jesus has his Spring Training Manual handy for quick reference Jesus then launches his teaching and healing career in many forms as a dance instructor farmer chef and even as a flamboyant pyromaniac arsonist who comes not to bring peace to the world but to set it on fire For who can forget Marshal Jesus out along the Border of Sin and Forgiveness encountering the Ten Men yon Or the homefolks chant Dr Jesus he's our man If we can't use him nobody can Because when Anglo Catholic Father Jesus meets an average parishioner at the Holy Water Basin and asks her to bless him with it their engaging conversation prompts students of the bible and pillars of the church to take a second look in order to watch ordinary altar candles suddenly take on more beauty and meaning than they have ever imagined before So for those who have eyes to see Look The World Encyclopedia of Contemporary Theatre Don

Liberating the Gospel from the Christian Myth tackles Christianity s oldest problem What does the loving God of the New Testament have to do with judgment retribution and violence How did a message of enemy love become propaganda for enemy hate Bringing biblical church historical theological and pastoral emphases together creates a truly new frame for dealing with the most vexing questions facing Christians today Liberating the Gospel from Christian Myth opens up a way to hear God s voice in Scripture and also recognize those places where the god of myth is present Only as we learn to ask the better questions will we end up with the best answers and recapture our love of the Bible again **The Drama of**

Discipleship Gregory R. Perry,2022-04-21 How do Christ s followers reach across the dividing lines of our culture to offer hospitality and hope How do local congregations worship God faithfully on Sunday and bear witness to their neighbors with fitting words and deeds during the week Christ has called his people to follow the ways of his kingdom in their homes workplaces schools churches and neighborhoods The Drama of Discipleship is a resource for being and making disciples of Jesus in the everyday tasks of being human Each episode offers at least one group activity that is designed to catalyze group action on your local stage and build your congregation s practice of taking off the old ways of being human and putting on the true image of God Christ The Drama concludes with additional tools for those who lead small groups in the heartwork of discipleship as well as a neighborhood survey for those who lead congregations in the fieldwork of discipling the nations

Functions of Medieval English Stage Directions Philip Butterworth,2022-07-29 When we speak of theatre we think we know what a stage direction is we tend to think of it as an authorial requirement devised to be complementary to the spoken

text and directed at those who put on a play as to what when where how or why a moment action or its staging should be completed This is the general understanding to condition a theatrical convention known as the stage direction As such we recognise that the stage direction is directed towards actors directors designers and any others who have a part to play in the practical realisation of the play And perhaps we think that this has always been the case However the term stage direction is not a medieval one nor does an English medieval equivalent term exist to codify the functions contained in extraneous manuscript notes requirements directions or records The medieval English stage direction does not generally function in this way it mainly exists as an observed record of earlier performance There are examples of other functions but even they are not directed at players or those involved in creating performance More than 2000 stage directions from 40 or so plays and cycles have been included in the catalogue of the volume and over 400 of those have been selected for analysis throughout the work The purpose of this research is to examine the theatrical functions of medieval English stage directions as records of earlier performance Examples of such functions are largely taken from outdoor scriptural plays This book will be of great interest to students and scholars in theatre medieval history and literature

The Cambridge Companion to the Gospels Stephen C. Barton, Todd Brewer, 2021-08-19 Throughout the history of Christianity the four canonical gospels have proven to be vital resources for Christian thought and practice and an inspiration for humanistic culture generally Indeed the gospels and their interpretation have had a profound impact on theology philosophy the sciences ethics worship architecture and the creative arts Building on the strengths of the first edition *The Cambridge Companion to the Gospels* 2nd edition takes account of new directions in gospels research notably the milieu in which the gospels were read copied and circulated alongside non canonical gospels renewed debates about the sources of the gospels and their interrelations how central gospel themes are illuminated by a variety of critical approaches and theological readings the reception of the gospels over time and in various media and how the gospels give insight into the human condition

Faith Speaking Understanding Kevin J. Vanhoozer, 2014-01-01 In this volume highly esteemed scholar Kevin Vanhoozer introduces readers to a way of thinking about Christian theology that takes the work he began in the groundbreaking 2005 book *The Drama of Doctrine* to its next level Vanhoozer argues that theology is not merely a set of cognitive beliefs but is also something we do that involves speech and action alike He uses a theatrical model to explain the ways in which doctrine shapes Christian understanding and forms disciples The church Vanhoozer posits is the preeminent theater where the gospel is performed with doctrine directing this performance Doctrines are not simply truths to be stored shelved and stacked but indications and directions to be followed practiced and enacted In performing doctrine Christians are shaped into active disciples of Jesus Christ He goes on to examine the state of the church in today's world and explores how disciples can do or perform doctrine Written in an accessible and engaging style *Faith Speaking Understanding* sets forth a compelling vision of what the church is and what it should be doing and demonstrates the importance of Christian doctrine for this mission Disciples who want to

follow Christ in all situations need doctrinal direction as they walk onto the social stage in the great theater of the world The Christian faith is about acknowledging and participating in the great thing God is doing in our world making all things new in Christ through the Holy Spirit Doctrine ministers understanding of God of the drama of redemption of the church as a company of faithful players and of individual actors all of whom have important roles to play In an age where things fall apart and centers fail to hold doctrine centers us in Jesus Christ in whom all things hold together Evangelism God's Way Manual Deborah Nembhard-Colquhoun,2011-06-13 EVANGELISM MANUAL This manual exemplifies the most effective methods of evangelism It also provides many strategic plans and guidelines for effective evangelism All believers particularly those who aspire to be in leadership or are currently in ministry should own this evangelism manual This manual is a much needed resource in the field of evangelistic outreach It seeks to give practical training and equipping to those who wish to fulfill the call of the Great Commission The manual is useful for teaching training witnessing follow up discipleship launching your own ministry and even for acquiring personal knowledge of evangelism *Micah (ITC)* Mark S. Gignilliat,2019-06-27 In this International Theological Commentary on the book of Micah Mark S Gignilliat begins by reflecting upon the nature of such commentary in relation to biblical interpretation before situating Micah within current critical engagement with the book of the Twelve and focusing specifically on Micah's relation with Jonah and Nahum The main body of the commentary is devoted to the interpretation and exegesis of Micah engaging widely with theologians and biblical scholars Gignilliat addresses literary issues involving the structure grammar and textual variants of given passages and in keeping with the goals of the International Theological Commentary provides analysis of Scripture's literal sense in relation to its theological subject matter This volume offers scholars clergy and lay readers alike a unique combination of critical exegesis and rigorous theological interpretation *The Drama of Doctrine* Kevin J. Vanhoozer,2005-08-02 Observing a strange disappearance of doctrine within the church Kevin Vanhoozer argues that there is no more urgent task for Christians today than to engage in living truthfully with others before God He details how doctrine serves the church the theater of the gospel by directing individuals and congregations to participate in the drama of what God is doing to renew all things in Jesus Christ Taking his cue from George Lindbeck and others who locate the criteria of Christian identity in Spirit led church practices Vanhoozer relocates the norm for Christian doctrine in the canonical practices which he argues both provoke and preserve the integrity of the church's witness as prophetic and apostolic **A Collection of Inspiring and Anointed Christian Plays** Marilyn Fennell,2022-08-01 The first play God inspired me to write Like Father Like Son made grown men weep openly in the congregation It was a play about a man causing his son to be left in the rapture Sometimes a program for our church would be due in two weeks and my mind would be blank I would take pen and paper in hand and tell God You know and I know I can't do this He authored all my plays like taking dictation I would sit down at my dining room table and wait for God When the anointing came I could write eighteen to twenty pages without stopping and know every character for each part I never

wanted to take glory from him and at the times the applause for me bothered me until one night as people began to applaud I felt all the applause come straight toward my heart and stopped midair and immediately the praise went straight up to God letting me know he was receiving the glory and honor for all the plays Very interesting and unique plays that would be make wonderful Christmas movies whatever God wants to do with them So many many souls were won to God different things causing hopes to so many people So amazing So wonderful to be called a soul winner *Christian Plays by the Creative Play Company* Jeanette Lasserre,2013-10-30 These nine plays and skits are fun for all ages and they teach valuable lessons to our young people From flower gardens and gossiping ladies to rapping you are sure to enjoy each one When these plays were first written my friend and I put them on in our own church As I put this book together for others to enjoy I recalled the great fun we had as I m sure you will *Themelios, Volume 36, Issue 3* D.
