Foretold Kingdoms of the Islamic Anti-Christ Johnny Spencer, 2018-09-24 If you don't wish to be left in the dark and base your admiration and acceptance of the religion of Islam on what is less than true assuming it is just as every other religion in the world then you must read *Foretold Kingdoms of the Islamic Anti Christ* to learn of Islam's true origin and true destiny from the Holy Bible that most Muslim scholars are totally unaware about their own religion Discover why the religion of Islam has survived through fourteen centuries of cultural and theocratic evolution until today and explore the Bible's true prophetic purpose of Islam's existence whether it is to bring peace on earth and goodwill toward man or for a more sinister purpose for the world This bold new revelation on the end of Islam and its coded presence in Bible prophecy is openly expressed for all to see in this gripping unveiling of true ancient Islam

Reasoning with God Khaled Abou El Fadl, 2014-10-23 In light of recent concern over Shari'ah such as proposed laws to prohibit it in the United States and conflict over the role it should play in the new Egyptian constitution many people are confused about the meaning of Shari'ah in Islam and its role in the world today In *Reasoning with God* renowned Islamic scholar Khaled Abou El Fadl explains not only what Shari'ah really means but also the way it can revitalize and reengage contemporary Islam After a prologue that provides an essential overview of Shari'ah Abou El Fadl explores the moral trajectory of Islam in today's world Weaving powerful personal stories with broader global examples he shows the ways that some interpretations of Islam today have undermined its potential in peace and love Rather than simply outlining challenges however the author provides constructive suggestions about how Muslims can reengage the ethical tradition of their faith through Shari'ah As the world's second largest religion Islam remains an important force on the global stage *Reasoning with God* takes readers both Muslim and non Muslim beyond superficial understandings of Shari'ah to a deeper understanding of its meaning and potential

The Mystery of Prophecy: Volume 1, The Secrets of

Daniel Harlan Legare, 2018-10-31 Forty years ago the Holy Spirit told Harlan Legare If you study I will teach you With that promise came a great love for God's prophetic word The teaching of the Holy Spirit began with an understanding of the prophecies of Daniel the key to understanding the words of many of the other prophets especially those of Zachariah and those of John in the book of Revelation Here are just a few of the many mysteries of prophecy revealed in The Mystery of Prophecy The Secrets of Daniel that were revealed to Harlan by the Holy Spirit through those years The time of the Rapture within the schedule of events of the coming days The marvelous truth of the days of 1335 the beginning of birth pangs of the rebirth of the nation of Israel The real identity of the infamous head of the beast that was wounded unto death by the sword Proof that the Antichrist will not rule the world The key to the mystery of Babylon the Great and the scarlet colored beast she rides The origin of the Antichrist The true purpose for the existence of the Red Dragon with seven heads and ten horns A complete interpretation of the Beast from the Sea with its seven heads and ten horns The exact date of the crucifixion of Jesus The exact day of Artaxerxes's command to restore and to build Jerusalem The very place where Israel was to flee for the 1 260 days of protection Revealing of the identity of the coming King of the North The event that begins the 2300 evenings and mornings Why God sealed the book of Daniel [How to Unite Catholic - Protestant Church As One](#) Dante Michael Soiu, 2011-06-23 *The Greatness of God* Charles Frank Thompson, 2016-02-08 With each passing day our world seems to drift further and further away from the God of the Bible divine creation and Christian belief This societal shift toward postmodernism and secularism is not a new development however the expanding and intensifying revolt against the biblical God and Christianity traces its roots back to the modern philosophies of the Enlightenment and Romanticism which have given rise to many divergent views during the past three centuries and become even more extreme in recent postmodernism The Greatness of God How God Is the Foundation of All Reality Truth Love Goodness Beauty and Purpose stands as an intellectual counterweight to the prevailing winds of a secular postmodern world Author Charles Frank Thompson argues that the consequences of this rejection of God and divine creation have not been benign He traces the modern revolution in detail and describes its deleterious consequences including the loss of the ultimate basis for universal truth knowledge meaning and purpose In The Greatness of God Thompson explores a wide range of topics including Christian theology metaphysical philosophy and an analysis of modern thought and art He examines the rich history of Christian poetry prose and art and takes a look at recent scientific discoveries that help us understand Christian teachings about God's creation He concludes with an exploration of the millennium the eternal kingdom of God and the spiritual state of America and Europe today [Biblical Eschatology](#): Dr. Justin G. Prock, 2021-06-20 In recent history men from a variety of backgrounds have come to the same conclusion that the Bible is about Israel only For example In 1861 John Mason Neale translated an ancient twelfth century Latin hymn and its title was O Come O Come Emmanuel Ever since 1861 Christians have sung that hymn at Christmas time especially at Advent Do you know what the words really mean that you are singing In

1878 Edward Hine wrote an article titled *Seven Eighths of the Bible Misunderstood* wherein he explains that seven eighths of the Bible is about national salvation i e the national salvation of True Israel whereas only one eighth of the Bible is about personal salvation Did you know that In the 1960 s Pastor Sheldon Emry wrote an article title *An Open Letter to Any Minister Who Teaches the Jews Are Israel* wherein he is of the opinion that the Israel that exists today since 1948 is not the True Israel of the Bible In 1998 Arnold E Kennedy wrote a book titled *The Exclusiveness of Israel* wherein he legally proves using the King James Version of the Bible that the Bible in general is only about True Israel So here we are in the Twenty First Century and the Gospel that is preached today is totally convoluted from that which was preached in the First Century A D by Yahshuah and His disciples i e the Gospel of the Kingdom So where did the so called churches and pastors go wrong By the way is there really a hierarchy in the Bible In order to find out what the truth really is we have to look at the original languages in which the Bible was written and then translated For example the Old Testament was written in Hebrew and Aramaic then translated into Greek The New Testament was written in Hebrew and Greek Both Testaments were put together and translated into Latin then German and finally into English from which the entire world received their own translation of the Bible So what was the original meaning of the words used in the original languages i e the etymology of the words Once that is determined then we can go onto the next phase and discuss types in the Bible From there what is the Law of First Mention How should Bible prophecy be Interpreted Who are the keys to Bible prophecy Where are we in the Bible prophecy timeline During these discussions we will find out who Yahweh chose of all the families of the earth to make His own The churches teach universalism The question then becomes Who was Yahweh s Law given to What are the Laws of Yahweh And then the even bigger question becomes Who was Yahshuah sent to All of these questions and more will be answered as you read this book

A Walk through End Times Bible Prophecy Mark May, 2014-06-19 This book provides the reader with A brief explanation of Christian millennial positions A look at the prophetic visions of Nebuchadnezzar Daniel and the apostle John to see how they all align A look at the events that are to occur during the Tribulation Period And the final culmination of this age in the last great battle of Armageddon

come and what we should do now These Things Must Happen is a must read for anyone who has questions about the end times **Precipice** TC Joseph,2014-10-03 In 1969 teenaged heiress Kimberly Martin enters a seedy Georgia bar desperate to end her haunting dreams of alien abduction but she instinctively knows they are more than just dreams Aliens are preparing her womb for an implanted hybrid and she has a plan she hopes will stop them but Kim has no idea that her act of defiance is about to unleash a stream of events that will catapult her and others to the precipice of a plot to take over the world Kimberly s brother Benny learns that Kimberly is a candidate for insemination and he must shepherd Earth s people to a new dawn Sarah Matheson is visited by what she thinks is an angel who performs a strange procedure on her In Illinois Chris Altenbrook walks away from a potentially lucrative athletic career to enter the priesthood without any idea of what lies ahead Precipice is a fast paced adventure of attempted murder Vatican intrigue world domination and cosmic conspiracies as three families uncover the powerful truths that await this generation Deception in the Church Mary Kelsey,2006-01-06 Deception in the Church brings a timely warning to both Christians and non Christians to be alert to the strategies satan uses to keep us from the truth The book traces the historical development of Christianity the battles for the faith against the legalism and tradition of the Jews to the influences of Greek philosophy and Gnosticism It reveals the heresy and corruption of the faith by Roman Catholicism and the undermining influences of science and humanism to post modernism and New Age thinking **Religion? of God or Man?** Wayne Talbot,2019-02-09 Is there evidence for the existence of God defined as the transcendent entity responsible for all material existence The author believes that there is albeit such evidence is not necessarily proof for everyone In this two part study Wayne Talbot firstly presents the evidence that has convinced him that God is the most plausible explanation With a limited but sufficient understanding of the nature of existence in terms of energy matter space and time he demonstrates his primary axiom that nothing can explain itself The natural corollary of this is that scientists will never be able to explain the origins of material existence by examining the material itself An explanation of origins must always lie outside the entity being examined This is why scientists cannot explain the origin of the proposed singularity and why some scientists seek an alternative to the Big Bang model of our universe even resorting to logical absurdities such as the universe creating itself out of nothing while in the presence of something With the reality of God being his presupposition for what follows the author examines the case for monotheistic religions versus polytheistic concluding that the latter are antithetical to a God who is one Left with a choice between Judaism Christianity and Islam he concludes that if God has communicated his guidance for living to any it is most likely Judaism as recorded in the Hebrew scriptures The question becomes Which parts of those scriptures were intended for the children of Israel alone and which were for all people for all time Researching ever deeper he reveals what he has come to believe about how God wants us to relate to him and the specific guidance that should be reworded for contemporary times The spirit of Torah is so much more than the mere words When the Perfect Comes Dr. Brad Young,2022-08-08 A masterful yet truly accessible survey of end

time theology Young presents complex topics in a very readable manner all the while remaining faithful to Scripture Micah Redfield Master of Theology from Denver Seminary Scripture affirms what the apostles passed down to the early church including that the church will go through the entire Tribulation and the Antichrist will come from the Middle East If the Early Church and ancient Jewish writings including Hosea are correct the Tribulation might start within the next three years Brad Young examines what the Bible tells us about the end time as well as the Second Coming of Christ He considers questions such as Why should we study prophecy How do we discover prophetic truth Can the Bible s prophecies be trusted What happens before and during the Tribulation Who will the Antichrist be and what is the Mark of the Beast How should we prepare for the Tribulation and Second Coming He also examines why there is a need for the Tribulation what happens when Christ returns and what the Kingdom of God will be like Other topics include the role of Islam during the end time as well as the role of Russia Also how Iran will spark a war in the Middle East just before the Tribulation Simplified and condensed with over 500 references When The Perfect Comes covers all aspects of prophecy which affect our lives and instructs us on the signs to look for This is the only prophecy book you need to understand the end time and what to do about it Discover what the Bible tells us about the Second Coming of Christ and change your life forever with the wisdom in When the Perfect Comes
