Members of the Baha i religion believe that periodically throughout history God has revealed Himself to humanity through Divine Messengers among them Abraham Zoroaster Moses Krishna Buddha Jesus and Muhammad each offering fresh spiritual teachings suited for the age in which they appear. Bowers quotes extensively from Baha u llah s own writings which Baha is regard as the most recent Divine Revelation for humankind providing a welcome glimpse into its power and majesty. In placing the life of Baha u llah at the center of the story he reveals an authentically inspiring figure and the inseparable connection between a new religion and an extraordinary human being touched by His Creator. *God Speaks Again* Kenneth E. It s perfect for everyone from Christian teachers and ministry leaders to those who just want to better understand the religion of their neighbors. A generation ago most Americans had little or no contact with Muslims Hindus Buddhists or any other adherents of non Christian religions. Now our culture is much more pluralistic. In addition to these others many Westerners disenchanted with Christianity are more inclined than they were a generation ago to dabble in new spiritual alternatives that were not as readily available here before. Many Christians feel intimidated by these changes. Many Christians don t know how to engage their newest non Christian neighbors in conversation partly because they feel ignorant about the religions practiced by others. *Significant Others* seeks to fill this knowledge gap so readers will become more acquainted with the religious backgrounds of devout non Christians they are meeting as well as with the growing number of American people who claim no religious affiliation at all. Each chapter outlines the major world religions according to their significant founders or leading figures significant beliefs and practices significant sects and developments and significant points of contact and points of contrast with Christian faith. **Millennialism, Millerites, and Prophecy in Bahá'í Discourse** William P. Collins, 2025-09-22. This book explores the role of millennialism the Millerites and prophecy in the historical development of the Bah faith especially in North America. The author demonstrates the importance of the Bah religion to millennialism studies and its connection to certain Protestant American and Shia Islamic modes of thought. Bah s see two millennial visions on far separated continents within different religious milieux and from contrasting social climates.

as spiritually and prophetically linked the Millerites who expected the return of Christ in 1844 CE and Shia Muslims who expected the Mahd Q im Twelfth Imam in 1260 AH 1844 CE The chapters in this volume reflect on theories about millennialist movements the continuum from catastrophic to progressive millennialism Bah interpretations of biblical prophecy and Bah efforts to build the Kingdom of God on earth under a systematic divine plan The book highlights the maturation of the Bah community toward a focus on process and a capacity to deal with both catastrophe and progress It provides scholars of religion with a detailed study of the trajectory in Bah millennial ideas
